(TEXT OF BILL BEGINS ON NEXT PAGE)
Be it enacted by the Legislature of the State of Arizona:

Section 1. Section 20-224, Arizona Revised Statutes, is amended to read:

20-224. Premium tax

A. On or before March 1 of each year each authorized domestic insurer, each other insurer and each formerly authorized insurer referred to in section 20-206, subsection B, shall file with the director a report in a form prescribed by the director showing total direct premium income including policy membership and other fees and all other considerations for insurance from all classes of business whether designated as a premium or otherwise received by it during the preceding calendar year on account of policies and contracts covering property, subjects or risks located, resident or to be performed in this state, after deducting from such total direct premium income applicable cancellations, returned premiums, the amount of reduction in or refund of premiums allowed to industrial life policyholders for payment of premiums direct to an office of the insurer and all policy dividends, refunds, savings coupons and other similar returns paid or credited to policyholders within this state and not reapplied as premiums for new, additional or extended insurance. No deduction shall be made of the cash surrender values of policies or contracts. Considerations received on annuity contracts, as well as the unabsorbed portion of any premium deposit, shall not be included in total direct premium income, and neither shall be subject to tax. The report shall separately indicate the total direct premium income received from fire insurance premiums on property located in an incorporated city or town that procures the services of a private fire company.

B. Coincident with the filing of such tax report each insurer shall pay to the director for deposit, pursuant to sections 35-146 and 35-147, a tax of 2.0 per cent of such net premiums, except that the tax on fire insurance premiums on property located in an incorporated city or town which procures the services of a private fire company is .66 per cent, the tax on all other fire insurance premiums is 2.2 per cent and the tax on health care service and disability insurance premiums is as prescribed under sections 20-837, 20-1010 and 20-1060. Any payments of tax pursuant to subsection E of this section shall be deducted from the tax payable pursuant to this subsection. Each insurer shall reflect the cost savings attributable to the lower tax in fire insurance premiums charged on property located in an incorporated city or town that procures the services of a private fire company.

C. Eighty-five per cent of the tax paid hereunder by an insurer on account of premiums received for fire insurance shall be separately specified in the report and shall be apportioned in the manner provided by sections 9-951, 9-952 and 9-972, except that all of the tax so allocated to a fund of a municipality which has no volunteer fire fighters or pension obligations to volunteer fire fighters shall be appropriated to the
account of the municipality in the public safety personnel retirement system and all of the tax so allocated to a fund of a municipality which has both full-time paid fire fighters and volunteer fire fighters or pension obligations to full-time paid fire fighters or volunteer fire fighters shall be appropriated to the account of the municipality in the public safety personnel retirement system where it shall be reallocated by actuarial procedures proportionately to the municipality for the account of the full-time paid fire fighters and to the municipality for the account of the volunteer fire fighters. A full accounting of such reallocation shall be forwarded to the municipality and both local boards.

D. This section shall not apply to title insurance, and such insurers shall be taxed as provided in section 20-1566.

E. Any insurer which paid or is required to pay a tax of two thousand dollars or more on net premiums received during the preceding calendar year, pursuant to subsection B of this section and sections 20-224.01, 20-837, 20-1010, 20-1060 and 20-1097.07, shall file on or before the fifteenth day of each month from March through August a report for that month, on a form prescribed by the director, accompanied by a payment in an amount equal to fifteen per cent of the amount paid or required to be paid during the preceding calendar year pursuant to subsection B of this section and sections 20-224.01, 20-837, 20-1010, 20-1060 and 20-1097.07. The payments are due and payable on or before the fifteenth day of each month and shall be made to the director for deposit, pursuant to sections 35-146 and 35-147.

F. Except for the tax paid on fire insurance premiums pursuant to subsections B and C of this section, an insurer may claim a premium tax credit if the insurer qualifies for a credit pursuant to section 20-224.03, 20-224.04 OR 20-224.06.

C. The department of revenue:

Beginning in fiscal year 2007-2008, the aggregate DOLLAR amount of the tax credit cap from the previous fiscal year shall be annually increased by twenty per cent.

2. Shall preapprove tax credits UNDER THIS SECTION AND SECTION 20-224.06 subject to subsection D of this section.

3. Shall allow the tax credits UNDER THIS SECTION AND SECTION 20-224.06 on a first come, first served basis.

For the purposes of subsection C, paragraph 2 of this section, before making a contribution to a school tuition organization, the taxpayer shall UNDER THIS TITLE OR TITLE 20 MUST notify the school tuition organization of the total amount of contributions that the taxpayer intends to make to the school tuition organization. Before accepting the contribution, the school tuition organization shall request preapproval from the department of revenue for the taxpayer's intended contribution amount.
The department OF REVENUE shall preapprove or deny the requested amount within twenty days after receiving the request from the school tuition organization. If the department OF REVENUE preapproves the request, the school tuition organization shall immediately notify the taxpayer, AND THE DEPARTMENT OF INSURANCE IN THE CASE OF A CREDIT UNDER SECTION 20-224.06, that the requested amount was preapproved by the department OF REVENUE. G. Co-owners of a business, including corporate partners in a partnership, may each claim only the pro rata share of the credit allowed under this section based on the ownership interest. The total of the credits allowed all such owners may not exceed the amount that would have been allowed a sole owner.

H. The credit allowed by this section is in lieu of any deduction pursuant to section 170 of the internal revenue code and taken for state tax purposes.

M. The school tuition organization shall require that the children use the educational scholarships or tuition grants on a full-time basis. If a child leaves the qualified school before completing an entire school year, the qualified school shall refund a prorated amount of the educational scholarship or tuition grant to the school tuition organization that issued the educational scholarship or tuition grant to the child. Any refunds received by the school tuition organization under this subsection shall be allocated for educational scholarships or tuition grants to qualified children in the following year.

N. Children who receive educational scholarships or tuition grants under this section shall be allowed to attend any qualified school of their parents' choice.
