The test or tests chosen by the law enforcement agency shall be administered at the direction of a law enforcement officer having reasonable grounds to believe that the person was driving or in actual physical control of a motor vehicle in this state either:

1. While under the influence of intoxicating liquor or drugs.
2. If the person is under twenty-one years of age, with spirituous liquor in the person's body.

B. After an arrest a violator shall be requested to submit to and successfully complete any test or tests prescribed by subsection A of this section, and if the violator refuses the violator shall be informed that the violator's license or permit to drive will be suspended or denied for twelve months, or for two years for a second or subsequent refusal within a period of eighty-four months, unless the violator expressly agrees to submit to and successfully completes the test or tests. A failure to expressly agree to the test or successfully complete the test is deemed a refusal. The violator shall also be informed that:

1. If the test results show a blood or breath alcohol concentration of 0.08 or more, or if the results show a blood or breath alcohol concentration of 0.04 or more and the violator was driving or in actual physical control of a commercial motor vehicle, the violator's license or permit to drive will be suspended or denied for not less than ninety consecutive days.

2. The violator's driving privilege, license, permit, right to apply for a license or permit or nonresident operating privilege may be issued or reinstated following the period of suspension only if the violator completes alcohol or other drug screening.

C. A person who is dead, unconscious or otherwise in a condition rendering the person incapable of refusal is deemed not to have withdrawn the consent provided by subsection A of this section and the test or tests may be administered, subject to section 4-244, paragraph 33 or section 28-1381, 28-1382 or 28-1383.

D. If a person under arrest refuses to submit to the test designated by the law enforcement agency as provided in subsection A of this section:
1. The test shall not be given, except as provided in section 28-1388, subsection E or pursuant to a search warrant.

2. The law enforcement officer directing the administration of the test shall:
   (a) File a certified report of the refusal with the department.
   (b) On behalf of the department, serve an order of suspension on the person that is effective fifteen days after the date the order is served.
   (c) Require the immediate surrender of any license or permit to drive that is issued by this state and that is in the possession or control of the person.

   (f) Forward the certified report of refusal, a copy of the completed notice of suspension, a copy of any completed temporary permit and any driver license or permit taken into possession under this section to the department within five days after the issuance of the notice of suspension.

E. The certified report is subject to the penalty for perjury as prescribed by section 28-1561 and shall state all of the following:
   1. The officer's reasonable grounds to believe that the arrested person was driving or in actual physical control of a motor vehicle in this state either:
      (a) While under the influence of intoxicating liquor or drugs.
      (b) If the person is under twenty-one years of age, with spirituous liquor in the person's body.
   2. The manner in which the person refused to submit to the test or tests.

F. On receipt of the certified report of refusal and a copy of the order of suspension and on the effective date stated on the order, the department shall enter the order of suspension on its records unless a written request for a hearing as provided in this section has been filed by the accused person. If the department receives only the certified report of refusal, the department shall notify the person named in the report in writing sent by mail that:
   1. Fifteen days after the date of issuance of the notice the department will suspend the person's license or permit, driving privilege or nonresident driving privilege.
   2. The department will provide an opportunity for a hearing if the person requests a hearing in writing and the request is received by the department within fifteen days after the notice is sent.

G. The order of suspension issued by a law enforcement officer or the department under this section shall notify the person that:
   1. The person may submit a written request for a hearing.
2. The request for a hearing must be received by the department within fifteen days after the date of the notice or the order of suspension will become final.

3. The affected person's license or permit to drive or right to apply for a license or permit or any nonresident operating privilege will be suspended for twelve months from that date or for two years from that date for a second or subsequent refusal within a period of eighty-four months.

4. The person's driving privilege, license, permit, right to apply for a license or permit or nonresident operating privilege may be issued or reinstated following the period of suspension only if the person completes alcohol or other drug screening.

2. Advise the person that unless the person has surrendered any driver license or permit issued by this state the person's hearing request will not be accepted, except that the person may certify pursuant to section 28-3170 that the license or permit is lost or destroyed.

I. On the receipt of a request for a hearing, the department shall set the hearing within thirty days in the county in which the person named in the report resides unless the law enforcement agency filing the certified report of refusal pursuant to subsection D of this section requests at the time of its filing that the hearing be held in the county where the refusal occurred.

J. A timely request for a hearing stays the suspension until a hearing is held, except that the department shall not return any surrendered license or permit to the person but may issue temporary permits to drive that expire no later than when the department has made its final decision. If the person is a resident without a license or permit or has an expired license or permit, the department may allow the person to apply for a restricted license or permit. If the department determines the person is otherwise entitled to the license or permit, the department shall issue and retain a restricted license or permit subject to this section.

K. Hearings requested under this section shall be conducted in the same manner and under the same conditions as provided in section 28-3306. For the purposes of this section, the scope of the hearing shall include only the issues of whether:
1. A law enforcement officer had reasonable grounds to believe that the person was driving or was in actual physical control of a motor vehicle in this state either:

   (b) If the person is under twenty-one years of age, with spirituous liquor in the person's body.
2. The person was placed under arrest.
3. The person refused to submit to the test.
4. The person was informed of the consequences of refusal.

L. If the department determines at the hearing to suspend the affected person's privilege to operate a motor vehicle, the suspension provided in this section is effective fifteen days after giving written notice of the suspension, except that the department may issue or extend a temporary license that expires on the effective date of the suspension. If the person is a resident without a license or permit or has an expired license or permit to operate a motor vehicle in this state, the department shall deny to the person the issuance of a license or permit for a period of twelve months after the order of suspension becomes effective or for a period of two years after the order of suspension becomes effective for a second or subsequent refusal within a period of eighty-four months, and may reinstate the person's driving privilege, license, permit, right to apply for a license or permit or nonresident operating privilege following the period of suspension only if the person completes alcohol or other drug screening.

M. If the suspension order is sustained after the hearing, a motion for rehearing is not required. Within thirty days after a suspension order is sustained, the affected person may file a petition in the superior court to review the final order of suspension or denial by the department in the same manner provided in section 28-3317. The court shall hear the review of the final order of suspension or denial on an expedited basis.

N. If the suspension or determination that there should be a denial of issuance is not sustained, the ruling is not admissible in and has no effect on any administrative, civil or criminal court proceeding.

O. If it has been determined under the procedures of this section that a nonresident's privilege to operate a motor vehicle in this state has been suspended, the department shall give information either in writing or by electronic means of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which the person has a license.

P. After completing not less than ninety consecutive days of the period of suspension required by this section and any alcohol or other drug screening that is ordered by the department pursuant to this chapter, a person whose driving privilege is suspended pursuant to this section may apply to the department for a special ignition interlock restricted driver license pursuant to section 28-1401. Unless the certified ignition interlock period is extended by the department pursuant to section 28-1461, a person who is issued a special ignition interlock restricted driver license as provided in this subsection shall maintain a functioning certified ignition interlock device in compliance with this chapter during the remaining period of the suspension prescribed by this section. This subsection does not apply to a person whose driving privilege is suspended for a second or subsequent refusal within a period of eighty-four months or a person who within a period of eighty-four months has been convicted of a second or subsequent violation of article 3 of this chapter or section 4-244, paragraph 34 or an act in
another jurisdiction that if committed in this state would be a violation of article 3 of this chapter or section 4-244, paragraph 33 34.

Sec. 10. Section 28-1385, Arizona Revised Statutes, is amended to read:

F. The department shall suspend the affected person's license or permit to drive or right to apply for a license or permit or any nonresident operating privilege for not less than ninety consecutive days from that date. G. Notwithstanding subsections A through F of this section, the department shall suspend the driving privileges of the person described in subsection A of this section for not less than thirty consecutive days and shall restrict the driving privileges of the person for not less than sixty consecutive additional days to travel between the person's place of employment and residence and during specified periods of time while at employment, to travel between the person's place of residence and the person's secondary or postsecondary school, according to the person's
employment or educational schedule, to travel between the person's place of
residence and the office of the person's probation officer for scheduled
appointments or to travel between the person's place of residence and a
screening, education or treatment facility for scheduled appointments if the
person:

1. Did not cause death or serious physical injury as defined in
section 13-105 to another person during the course of conduct out of which
the current action arose.

2. Has not been convicted of a violation of section 4-244, paragraph
33, section 28-1381, section 28-1382 or section 28-1383 within eighty-four
months of the date of commission of the acts out of which the current action
arose. The dates of commission of the acts are the determining factor in
applying the eighty-four month provision.

3. Has not had the person's privilege to drive suspended pursuant to
this section or section 28-1321 within eighty-four months of the date of
commission of the acts out of which the current action arose.

4. Provides satisfactory evidence to the department of the person's
completion of alcohol or other drug screening that is ordered by the
department. If the person does not complete alcohol or other drug screening,
the department may impose a ninety day suspension pursuant to this section.

H. If the officer does not serve an order of suspension pursuant to
subsection C of this section and if the department does not receive the
report of the results of the blood or breath alcohol test pursuant to
subsection B, paragraph 4 of this section, but subsequently receives the
results and the results indicate 0.08 or more alcohol concentration in the
person's blood or breath, or a blood or breath alcohol concentration of 0.04
or more and the person was driving or in actual physical control of a
commercial motor vehicle, the department shall notify the person named in the
report in writing sent by mail that fifteen days after the date of issuance
of the notice the department will suspend the person's license or permit,
driving privilege or nonresident driving privilege. The notice shall also
state that the department will provide an opportunity for a hearing and
administrative review if the person requests a hearing or review in writing
and the request is received by the department within fifteen days after the
notice is sent.

I. A timely request for a hearing stays the suspension until a hearing
is held, except that the department shall not return any surrendered license
or permit to the person but may issue temporary permits to drive that expire
no later than when the department has made its final decision. If the person
is a resident without a license or permit or has an expired license or
permit, the department may allow the person to apply for a restricted license
or permit. If the department determines the person is otherwise entitled to
the restricted license or permit, the department shall issue, but retain, the
license or permit, subject to this section. All hearings requested under
this section shall be conducted in the same manner and under the same conditions as provided in section 28-3306.

J. For the purposes of this section, the scope of the hearing shall include only the following issues:

1. Whether the officer had reasonable grounds to believe the person was driving or was in actual physical control of a motor vehicle while under the influence of intoxicating liquor.

2. Whether the person was placed under arrest for a violation of section 4-244, paragraph 33 34, section 28-1381, section 28-1382 or section 28-1383 or for a violation of title 13, chapter 11 or section 13-1201 or 13-1204 involving a motor vehicle.

3. Whether a test was taken, the results of which indicated the alcohol concentration in the person's blood or breath at the time the test was administered of either:

   (a) 0.08 or more.

   (b) 0.04 or more if the person was driving or in actual physical control of a commercial motor vehicle.

4. Whether the testing method used was valid and reliable.

5. Whether the test results were accurately evaluated.

K. The results of the blood or breath alcohol test shall be admitted on establishing the requirements in section 28-1323 or 28-1326.

L. If the department determines at the hearing to suspend the affected person's privilege to operate a motor vehicle, the suspension provided in this section is effective fifteen days after giving written notice of the suspension, except that the department may issue or extend a temporary license that expires on the effective date of the suspension. If the person is a resident without a license or permit or has an expired license or permit to operate a motor vehicle in this state, the department shall deny the issuance of a license or permit to the person for not less than ninety consecutive days. The department may reinstate the person's driving privilege, license, permit, right to apply for a license or permit or nonresident operating privilege following the period of suspension only if the violator completes alcohol or other drug screening.

M. A person may apply for a summary review of an order issued pursuant to this section instead of a hearing at any time before the effective date of the order. The person shall submit the application in writing to any department driver license examining office together with any written explanation as to why the department should not suspend the driving privilege. The agent of the department receiving the notice shall issue to the person an additional driving permit that expires twenty days from the date the request is received. The department shall review all reports submitted by the officer and any written explanation submitted by the person and shall determine if the order of suspension should be sustained or cancelled. The department shall not hold a hearing, and the review is not
subject to title 41, chapter 6. The department shall notify the person of its decision before the temporary driving permit expires.

N. If the suspension or determination that there should be a denial of issuance is not sustained after a hearing or review, the ruling is not admissible in and does not have any effect on any civil or criminal court proceeding.

O. If it has been determined under the procedures of this section that a nonresident’s privilege to operate a motor vehicle in this state has been suspended, the department shall give information either in writing or by electronic means of the action taken to the motor vehicle administrator of the state of the person’s residence and of any state in which the person has a license.
