(TEXT OF BILL BEGINS ON NEXT PAGE)

1 Be it enacted by the Legislature of the State of Arizona:  
2       Section 1. Section 38-885.01, Arizona Revised Statutes, is amended to  
3 read:

38-885.01. Reverse deferred retirement option plan: purpose: delayed repeal

6           A. A reverse deferred retirement option plan is established. The  
7 purpose of the reverse deferred retirement option plan is to add flexibility  
8 to the plan and to provide members who elect to participate in the reverse  
9 deferred retirement option plan access to a lump sum benefit in addition to  
10 their normal monthly retirement benefit on actual retirement.

11           B. Beginning on July 1, 2006 through June 30, 2011 UNTIL JUNE 30,  
12 2016, the fund manager shall offer the reverse deferred retirement option  
13 plan to members on a voluntary basis as an alternative method of benefit  
14 accrual under the plan.

15 C. Any member who is eligible for a normal pension pursuant to section  
16 38-885, who is not awarded an accidental, ordinary or total and permanent  
17 disability pension and who has at least twenty-four years of credited  
18 service, or in the case of a dispatcher, who has at least twenty-five years  
19 of credited service, is eligible to participate in the reverse deferred  
20 retirement option plan.

21 D. A member who elects to participate in the reverse deferred  
22 retirement option plan shall voluntarily and irrevocably:

23           1. Designate a reverse deferred retirement option plan date that is  
24 the first day of the calendar month immediately following a member's  
25 completion of twenty-four years of credited service or a date not more than  
26 sixty consecutive months before the date the member elects to participate in  
27 the reverse deferred retirement option plan, whichever is later.

28           2. Agree to terminate employment on the date the member elects to  
29 participate in the reverse deferred retirement option plan.

30           3. Receive benefits from the plan on termination of employment at the  
31 same time and in the same manner as otherwise prescribed in this article  
32 using the factors of credited service and average monthly salary in effect on  
33 the reverse deferred retirement option plan date.

34       E. On election, a reverse deferred retirement option plan  
35 participation account is established within the plan on behalf of each  
36 reverse deferred retirement option plan participant. All benefits accrued  
37 pursuant to this article shall be accounted for in the reverse deferred  
38 retirement option plan participation account. A reverse deferred retirement  
39 option plan participant does not have a claim on the assets of the plan with  
40 respect to the member's reverse deferred retirement option plan participation  
41 account and assets shall not be set aside for any reverse deferred retirement  
42 option plan participant that are separate from all other system assets.

43 F. All amounts credited to a member's reverse deferred retirement  
44 option plan participation account are fully vested.

1       G. A member's reverse deferred retirement option plan participation  
2 account shall be credited with the following:

3       1. An amount that is credited as though accrued monthly from the  
4 reverse deferred retirement option plan date to the date the member elected  
5 to participate in the reverse deferred retirement option plan and that is  
6 computed in the same manner as a normal retirement benefit using the factors  
7 of credited service and average monthly salary in effect on the reverse  
8 deferred retirement option plan date.

9       2. An amount that is credited as though accrued monthly and that  
10 represents interest at a rate equal to the yield on a five year treasury note  
11 as of the first day of the month as published by the federal reserve board.

12      H. Employee and employer contributions pursuant to section 38-891 that  
13 are deposited during the period of the reverse deferred retirement option  
14 plan are not eligible to be refunded to the employer or member.

15      I. The participant is not entitled to receive any amount prescribed by  
16 section 38-905 or 38-906 during the reverse deferred retirement option plan  
17 participation period.

18      J. The form of payment shall be a lump sum distribution. If allowed  
19 by the internal revenue service, the participant may elect to transfer the  
20 lump sum distribution to an eligible retirement plan or individual retirement  
21 account.

22      K. The reverse deferred retirement option plan shall not jeopardize in  
23 any way the tax qualified status of the plan under the rules of the internal  
24 revenue service. The fund manager may adopt additional provisions to the  
25 extent necessary or appropriate for the reverse deferred retirement option  
26 plan to comply with applicable federal laws or rules.
