9 or the reasonable repair or alteration of the property for the purpose for
10 which used at the time the ordinance affecting the property takes effect.
11 2. Prevent, restrict or otherwise regulate the use or occupation of
12 land or improvements for railroad, mining, metallurgical, grazing or general
13 agricultural purposes, if the tract concerned is five or more contiguous
14 commercial acres. For the purposes of this paragraph, general agricultural
15 purposes do not include the cultivation of cannabis as defined in section

22 notify in writing the board of supervisors and the nearest fire department of
23 the location of the composting operation. If the nearest fire department is
24 located in a city, town or fire district where the agricultural composting is
25 not located, the agricultural composting operation shall also notify in
26 writing the fire district in which the operation is located. Agricultural
27 composting is subject to sections 3-112 and 49-141. For the purposes of this
28 paragraph, "agricultural composting" has the same meaning prescribed in
29 section 9-462.01, subsection G.

31 DISCHARGE OF A FIREARM OR AIR GUN OR USE OF ARCHERY EQUIPMENT ON A PRIVATE
32 LOT OR PARCEL OF LAND THAT IS NOT OPEN TO THE PUBLIC ON A COMMERCIAL OR
33 MEMBERSHIP BASIS.
34 B. A nonconforming business use within a district may expand if the
35 expansion does not exceed one hundred per cent of the area of the original
36 business.
37 C. For the purposes of subsection A, paragraph 2 of this section,
38 mining does not include aggregate mining operations in an aggregate mining
39 operations zoning district established pursuant to this section. The board
40 of supervisors of any county with a population of more than two million
41 persons shall designate and establish the boundaries of an aggregate mining
42 operations zoning district on the petition of at least one hundred persons
43 who reside within one-half mile of an existing aggregate mining operation.
44 In addition, the board of supervisors of any county may establish, in its
45 discretion and on the board's initiative, one or more aggregate mining
46 operations zoning districts. Aggregate mining operations zoning districts
47 may only be located in areas that are inventoried and mapped as areas of

1 known reserves or in areas with existing aggregate mining operations.
2 Subject to subsections E and F of this section, a county and the state mine
3 inspector may jointly adopt, as internal administrative regulations,
4 reasonable aggregate mining operations zoning district standards limited to
5 permitted uses, procedures for approval of property development plans and
6 site development standards for dust control, height regulations, setbacks,
7 days and hours of operation, off-street parking, screening, noise, vibration
8 and air pollution control, signs, roadway access lanes, arterial highway
9 protection and property reclamation for which aggregate mining operations are
10 not otherwise subject to federal, state or local regulation or a governmental
11 contractual obligation. Regulations jointly adopted pursuant to this
12 subsection by the county and the state mine inspector shall not prohibit the
13 activities included in the definition of mine pursuant to section 27-301,
14 paragraph 8 or duplicate, conflict with or be more stringent than applicable
15 federal, state or local laws.

16 D. The board of supervisors of any county that establishes an
17 aggregate mining operations zoning district shall appoint an aggregate mining
18 operations recommendation committee for the district. The committee consists
19 of not more than seven operators, or representatives of operators, of active
20 aggregate mining operations in any district within the county and an equal
21 number of private citizens, who are not operators, who are not employed by
22 operators and who do not represent operators, residing within three miles of
23 the boundaries of aggregate mining operations or a proposed aggregate mining
24 operation in the district for which the committee is established. The
25 initial members appointed to the committee shall be deemed the primary
26 members, and the board of supervisors shall appoint no more than five
27 alternate members who represent operators and shall appoint no more than five
28 alternate members who are private citizens. Alternate members may serve at
29 meetings of the committee when a primary member is unable to attend. An
30 aggregate mining operator may serve on more than one committee in the same
31 county. The board of supervisors shall determine the length of terms of
32 members of the committee and shall stagger the initial appointments so that
33 not all members' terms expire at the same time. Members of the committee who
34 no longer qualify for membership as provided by this subsection are subject
35 to removal and replacement by the board of supervisors. The committee shall
36 elect a member who is an aggregate mining operator to serve as chairperson
37 for the first year in which the committee is created. For each year
38 thereafter, the chairperson shall be elected by the members of the committee
39 with a member who is a private citizen and a member who is an aggregate
40 mining operator serving as chairperson in alternate years. The committee is
41 subject to the open meeting requirements of title 38, chapter 3, article 3.1.

42 E. Within ninety days after an aggregate mining operations
43 recommendation committee is established, the committee shall notify all
44 existing aggregate mining operators in the district of the application of
45 this section and title 27, chapter 3, article 6 to the aggregate mining
46 operation. In addition, the committee shall:

1 1. By a majority vote of all members make recommendations to the board
2 of supervisors for aggregate mining zoning districts and administrative
3 regulations as provided in this section. The board of supervisors may adopt
4 or reject the recommendations but may not make any modifications to the
5 recommendations unless the modification is approved by a majority of the
6 members of the recommendation committee.

7 2. Serve as a forum for mediation of disputes between members of the
8 public and aggregate mining owners or operators. If the committee is unable
9 to resolve a dispute, the committee shall transmit the matter to the state
10 mine inspector, with written findings and recommendations, for further
11 action.

12 3. Hear written complaints filed with the state mine inspector
13 regarding alleged material deviations from approved community notices for
14 aggregate mining operations and make written recommendations to the state
15 mine inspector pursuant to section 27-446.

16 F. Any administrative regulations adopted by a board of supervisors
17 pursuant to this section are not effective until the regulations are approved
18 by the state mine inspector. The inspector may disapprove the administrative
19 regulations adopted by the board of supervisors only if they duplicate,
20 conflict with or are more stringent than applicable federal, state or local
21 laws, rules or regulations. If the inspector disapproves the administrative
22 regulations, the inspector must provide written reasons for the disapproval.
23 The inspector shall not make any modification to the administrative
24 regulations as adopted by the board of supervisors unless the modification is
25 approved by a majority of the members of the board of supervisors.

26 G. A person or entity is subject to this chapter if the use or
27 occupation of land or improvements by the person or entity consists of or
28 includes changing, remanufacturing or treating human sewage or sludge for
29 distribution or resale. These activities are not exempt from this chapter
30 under subsection A, paragraph 2 of this section.

31 H. A county shall not require as a condition for a permit or for any
32 approval, or otherwise cause, an owner or possessor of property to waive the
33 right to continue an existing nonconforming outdoor advertising use or
34 structure without acquiring the use or structure by purchase or condemnation
35 and paying just compensation unless the county, at its option, allows the use
36 or structure to be relocated to a comparable site in the county with the same
37 or a similar zoning classification, or to another site in the county
38 acceptable to both the county and the owner of the use or structure, and the
39 use or structure is relocated to the other site. The county shall pay for
40 relocating the outdoor advertising use or structure including the cost of
41 removing and constructing the new use or structure that is at least the same
42 size and height. This subsection does not apply to county rezoning of
43 property at the request of the property owner to a more intensive zoning
44 district.
