19-118. Registered circulators; requirements; definition

A. All circulators who are not residents of this state and, for
statewide ballot measures only, all paid circulators must register as
circulators with the secretary of state before circulating petitions pursuant
to this title. The political committee that is circulating the petition
shall collect and submit the registrations to the secretary of state. The
secretary of state shall establish in the instructions and procedures manual
issued pursuant to section 16-452 a procedure for registering circulators and
shall publish on a website maintained by the secretary of state all
information regarding circulators that is required pursuant to this section.

for statewide ballot measures only. The secretary of state shall disqualify
all signatures collected by a circulator who fails to register pursuant to
this subsection as provided for in section 19-121.01, subsection A.

B. The registration required by subsection A of this section shall
include the following provisions:

1. The circulator consents to the jurisdiction of the courts of this
state in resolving any disputes concerning the circulation of petitions by
that circulator.

2. The circulator shall designate an address in this state at which
the circulator will accept service of process related to disputes concerning
circulation of that circulator's petitions. Service of process is effected
under this section by delivering a copy of the subpoena to that person
individually or by leaving a copy of the subpoena at the address designated
by the circulator with a person of suitable age.
C. If a registered circulator is properly served with a subpoena to provide evidence in an action regarding circulation of petitions and fails to appear or produce documents as provided for in the subpoena, all signatures collected by that circulator are deemed invalid. The party serving the subpoena may request an order from the court directing the secretary of state to remove any signatures collected by the circulator as provided for in section 19-121.01, subsection A.

D. Any person may challenge the lawful registration of circulators in the superior court of the county in which the circulator is registered. A challenge may not be commenced more than five days after the date on which the petitions for which the circulator is required to be registered are filed with the secretary of state. The person challenging signatures may amend that complaint after the secretary of state has removed signatures and signature sheets as prescribed in section 19-121.01. An action pursuant to this section shall be advanced on the calendar and decided by the court as soon as possible. Either party may appeal to the supreme court within five calendar days after entry of judgment. The prevailing party in an action to challenge the registration of a circulator under this section is entitled to reasonable attorney fees.

E. The removal or disqualification of any one or more circulators does not invalidate the random sample of signatures made pursuant to section 19-121.01, and the secretary of state shall not be required to conduct any additional random sampling of signatures.

F. Notwithstanding section 19-141, this section does not apply to filing officers for counties, cities and towns and paid circulators for county, city and town measures are not required to register with the secretary of state or with the filing officer of the county, city or town. 2. Does not include a paid employee of any political committee organized pursuant to title 16, chapter 6, unless that employee's primary responsibility is circulating petitions to obtain signatures.

Sec. 4. Section 19-121, Arizona Revised Statutes, is amended to read:

inches in width by eight and one-half inches in length, with a margin of at

petition sheets are tendered to the secretary of state, at which time who
shall issue a receipt is immediately issued by the secretary of state based
on an estimate made to the secretary of state of the purported number of
sheets and signatures filed. After the issuance of the receipt, no
additional petition sheets may be accepted for filing.

C. Petitions may be filed with the secretary of state in numbered
sections for convenience in handling. Not more than fifteen signatures on
one sheet shall be counted. For petitions filed regarding city, town or
county matters, the political committee that is the proponent of the petition
and that files the petitions shall organize the signature sheets and group
them by circulator and is solely responsible for compliance with this
subsection. The local filing officer may return as unfiled any signature
sheets that are not so organized and grouped.

D. Initiative petitions which have not been filed with the
secretary of state as of 5:00 p.m. on the day required by the constitution
prior to the ensuing general election after their issuance shall be

and that reflects the action taken by that body when adopting the
measure. In the case of zoning measures, the measure shall also include a
legal description of the property and any amendments made to the ordinance by
the legislative body.
Sec. 5. Section 19-121.01, Arizona Revised Statutes, is amended to read:

19-121.01. Secretary of state; removal of petition and ineligible signatures; facsimile sheets; random sample

A. Within twenty days, excluding Saturdays, Sundays and other legal holidays, of the date of filing of an initiative or referendum petition and issuance of the receipt, the secretary of state shall:

1. Remove the following:
   (a) Those sheets not attached to a copy of the COMPLETE title and text of the measure AS PRESCRIBED IN THIS CHAPTER.
   (b) The copy of the title and text from the remaining petition sheets.
   (c) Those sheets not bearing the CORRECT petition serial number in the lower right-hand corner of each side.
   (d) Those sheets containing a circulator’s affidavit that is not completed or signed OR THAT HAS BEEN MODIFIED.
   (e) Those sheets on which the affidavit of the circulator is not notarized, the notary's signature is missing, the notary's commission has expired or the notary’s seal is not affixed.
   (f) Those sheets on which the signatures of the circulator or the notary are dated earlier than the dates on which the electors signed the face of the petition sheet.
   (g) Those sheets that are circulated by a circulator who is prohibited from participating in any election, initiative, referendum or recall campaign pursuant to section 19-119.01.
   (h) For statewide ballot measures only. Those sheets on which the circulator is required to be registered with the secretary of state pursuant to section 19-118 and the circulator is not properly registered AT THE TIME THE PETITIONS WERE CIRCULATED.

2. After completing the steps in paragraph 1 of this subsection, review each sheet to determine the county of the majority of the signers and shall:
   (a) Place a three or four letter abbreviation designating that county in the upper right-hand corner of the face of the petition.
   (b) Remove all signatures of those not in the county of the majority on each sheet by marking an “SS” in red ink in the margin to the right of the signature line.
   (c) Cause all signature sheets to be grouped together by county of registration of the majority of those signing and attach them to one or more copies of the title and text of the measure. If the sheets are too bulky for convenient grouping by the secretary of state in one volume by county, they may be bound in two or more volumes with those in each volume attached to a single printed copy of the measure. The remaining detached copies of the title and text of the measure shall be delivered to the applicant.
3. After completing the steps in paragraph 2 of this subsection, remove the following signatures that are not eligible for verification by marking an "SS" in red ink in the margin to the right of the signature line:
   (a) If the signature of the qualified elector is missing.
   (b) If the residence address or the description of residence location is missing.
   (c) If the date on which the petitioner signed is missing, IF THE DATE ON WHICH THE PETITIONER SIGNED THE PETITION IS BEFORE THE DATE THAT THE STATEMENT OF ORGANIZATION WAS FILED FOR THE POLITICAL COMMITTEE THAT IS FILING THE PETITION OR IF THE DATE ON WHICH THE PETITIONER SIGNED THE PETITION IS AFTER THE DATE ON WHICH THE AFFIDAVIT WAS COMPLETED BY THE CIRCULATOR AND NOTARIZED.
   (d) Signatures in excess of the fifteen signatures permitted per petition.
   (e) Signatures withdrawn pursuant to section 19-113.
   (f) Signatures for which the secretary of state determines that the petition circulator has printed the elector's first and last names or other information in violation of section 19-112.

4. After the removal of petition sheets and signatures, count the number of signatures for verification on the remaining petition sheets and note that number in the upper right-hand corner of the face of each petition sheet immediately above the county designation.

5. Number the remaining petition sheets that were not previously removed and that contain signatures eligible for verification in consecutive order on the front side of each petition sheet in the upper left-hand corner.

6. Count all remaining petition sheets and signatures not previously removed and issue a receipt to the applicant of this total number eligible for verification.

B. If the total number of signatures for verification as determined pursuant to subsection A, paragraph 6 of this section equals or exceeds the constitutional minimum, the secretary of state, during the same twenty day period provided in subsection A of this section, shall select, at random, five percent PERCENT of the total signatures eligible for verification by the county recorders of the counties in which the persons signing the petition claim to be qualified electors. The random sample of signatures to be verified shall be drawn in such a manner that every signature eligible for verification has an equal chance of being included in the sample. The random sample produced shall identify each signature selected by petition page and line number. The signatures selected shall be marked according to the following procedure:
   1. Using red ink, mark the selected signature by circling the line number and drawing a line from the base of the circle extending into the left margin.
   2. If a signature line selected for the random sample is found to be blank or was removed from the verification process pursuant to subsection A
of this section and is marked with an "SS", then the next line down, even if
that requires going to the next petition sheet in sequence, on which an
eligible signature appears shall be selected as a substitute if that line has
not already been selected for the random sample. If the next eligible line
is already being used in the random sample, the secretary of state shall
proceed back up the page from the signature line originally selected for the
random sample to the next previous signature line eligible for verification.
If that line is already being used in the random sample, the secretary of
state shall continue moving down the page or to the next page from the line
originally selected for the random sample and shall select the next eligible
signature as its substitute for the random sample. The secretary of state
shall use this process of alternately moving forward and backward until a
signature eligible for verification and not already included in the random
sample can be selected and substituted.

C. After the selection of the random sample and the marking of the
signatures selected on the original petition sheets pursuant to subsection B
of this section, the secretary of state shall reproduce a facsimile of the
front of each signature sheet on which a signature included in the random
sample appears. The secretary of state shall clearly identify those
signatures marked for verification by color highlighting or other similar
method and shall transmit by personal delivery or certified mail to each
county recorder a facsimile sheet of each signature sheet on which a
signature appears of any individual who claims to be a qualified elector of
that county and whose signature was selected for verification as part of the
random sample.

D. THE SECRETARY OF STATE SHALL PRESUME THAT THE DATE NOTED ON THE
PETITION FOR A PETITIONER’S SIGNATURE IS THE DATE ON WHICH THE PETITIONER
SIGNED THE PETITION, AND ANY PERSON SEEKING TO ESTABLISH A DIFFERENT DATE FOR
THE SIGNATURE BEARS THE BURDEN OF PROOF IN OVERCOMING THE PRESUMPTION.

E. The secretary of state shall retain in custody all signature
sheets removed pursuant to this section except as otherwise prescribed in
this title.

Sec. 6. Section 19-121.02, Arizona Revised Statutes, is amended to

A. Within seventy-two hours, excluding Saturdays, Sundays and other legal holidays, after receipt of the facsimile signature sheets and the certification of each county recorder, the secretary of state shall determine the total number of valid signatures by subtracting from the total number of eligible signatures determined pursuant to section 19-121.01, subsection A, paragraph 6 in the following order:
1. All signatures on petitions containing a defective circulator's affidavit that were removed pursuant to section 19-121.01, subsection A, paragraph 1.

3. After determining the percentage of all signatures found to be invalid in the random sample, a like percentage from those signatures remaining after the subtractions performed pursuant to paragraphs 1 and 2 of this subsection.

B. If the actual number of signatures on the remaining sheets after any such subtraction equals or exceeds the minimum number required by the constitution or if the number of valid signatures as projected from the random sample pursuant to subsection A of this section is at least one hundred percent of the minimum number required by the constitution, the secretary of state shall issue the following receipt to the person or organization that submitted them:

C. If the number of valid signatures as projected from the random sample is less than one hundred percent of the minimum number required by the constitution or if the actual number of signatures on the remaining sheets after any such subtraction from the random sample or after certification fails to equal or exceed the minimum required by the constitution, the secretary of state shall immediately return the original signature sheets, in the form filed by him under section 19-121, to

2. A total of ______ signatures on the remaining

organization that submitted them.

Sec. 8. Section 19-122, Arizona Revised Statutes, is amended to read:

affidavits of circulators to the county recorders for certification under
section 19-121.01, the secretary of state shall provide the person who
submitted the petition, proposal, signature sheet or affidavit with a written
statement of the reason for the refusal. Within five calendar days after the

If the address of the signer given on the date of signing the petition is different from that on the most current version of the general county register, the county recorder shall examine the version of the general county register that was current on the date the signer signed the petition to determine the validity of the signature and to determine whether the person was eligible to sign the petition at the time of signing. This subsection does not preclude introducing into evidence a certified copy of the affidavit of registration of any signer dated prior to before the signing of the petition if the affidavit is in the possession of the county recorder but has not yet been filed in the general county register.

C. Notwithstanding section 19-121.04, if any petition filed is not legally sufficient, the court, in an action brought by any citizen, may enjoin the secretary or other officers from certifying or printing on the official ballot for the ensuing election the amendment or measure proposed or referred. The action shall be advanced on the calendar and heard and decided by the court as soon as possible. Either party may appeal to the supreme court within five days after judgment.

C. AN ACTION THAT CONTESTS THE VALIDITY OF AN INITIATIVE OR REFERENDUM MEASURE BASED ON THE ACTIONS OF THE SECRETARY OF STATE MAY NOT BE MAINTAINED IN ANY COURT IN THIS STATE EXCEPT AS PRESCRIBED BY THIS SECTION.
