## **OVERVIEW**

SB 1063 prescribes a Class 3 misdemeanor to pedestrians intentionally activating the pedestrian signal button on a highway or public thoroughfare if the person's reason is to both stop the passage of traffic on the highway or thoroughfare and to solicit money or a donation.

## **HISTORY**

Arizona Revised Statutes § 13-2906 was added by Laws 1977, Chapter 142, § 91. Current statute prescribes a Class 3 misdemeanor to a person who obstructs a highway or other public thoroughfare if, having no legal privilege to do so, such person, alone or with other persons, recklessly interferes with the passage of any highway or public thoroughfare by creating an unreasonable inconvenience or hazard.

## **PROVISIONS**

1. Prescribes a Class 3 misdemeanor to pedestrians intentionally activating the pedestrian signal button on a highway or public thoroughfare if the person's reason is to both stop the passage of traffic on the highway or thoroughfare and to solicit money or a donation.
