1. "Immediate family member" means a spouse or a parent, child,
brother or sister whether by adoption or blood.
2. "Special plates" means plates issued pursuant to this article or
pursuant to section 28-2515.
Sec. 4. Delayed repeal
Section 28-2515, Arizona Revised Statutes, is repealed from and after
June 30, 2016.
Sec. 5. Section 28-4038, Arizona Revised Statutes, is amended to read:
28-4038. Transportation network services; financial
responsibility requirements; survey
A. For a transportation network company that requires a transportation
network company driver to accept rides that are booked and paid for
exclusively through the transportation network company's digital network or
software application and during the time in which the transportation network
company driver is logged in to the transportation network company's digital
network or software application to be a driver, but is not in the act of
providing transportation network services, the following insurance coverage
shall be maintained:
1. Before March 1, 2016, the transportation network company driver
shall maintain a motor vehicle liability insurance policy that meets at least
the requirements of section 28-4009. A transportation network company shall
provide motor vehicle liability insurance coverage in the amount of
twenty-five thousand dollars because of bodily injury to or death of one
person in any one accident, subject to the limit for one person, fifty
thousand dollars because of bodily injury to or death of two or more persons
in any one accident and twenty thousand dollars because of injury to or
destruction of property of others in any one accident coverage in the event a
transportation network company driver's policy excludes coverage according to
the policy's terms.
2. From and after February 29, 2016, the transportation network
company driver or the transportation network company, or both, shall provide
primary motor vehicle liability insurance coverage in the amount of
twenty-five thousand dollars because of bodily injury to or death of one
person in any one accident, subject to the limit for one person, fifty
thousand dollars because of bodily injury to or death of two or more persons
in any one accident and twenty thousand dollars because of injury to or
destruction of property of others in any one accident. Coverage shall be
maintained through any of the following:

(a) A private passenger motor vehicle policy maintained by the
transportation network company driver that expressly provides liability
coverage while the driver is logged in to the transportation network
company's digital network or software application to be a driver.

(b) A motor vehicle liability policy maintained by the transportation
network company.

(c) A commercial motor vehicle liability policy.

B. For a transportation network company that requires a transportation
network company driver to accept rides that are booked and paid for
exclusively through the transportation network company's digital network or
software application and during the time in which the transportation network
company driver is providing transportation network services, the
transportation network company driver or the transportation network company,
or both, shall maintain the following insurance coverages:

1. Primary commercial motor vehicle liability insurance that covers
the transportation network company driver's provision of transportation
network services in a minimum amount of two hundred fifty thousand dollars
per incident.

2. Commercial uninsured motorist coverage in a minimum amount of two
hundred fifty thousand dollars per incident.

C. For a transportation network company that does not require a
transportation network company driver to accept rides booked and paid for
exclusively through the transportation network company's digital network or
software application and during the time in which the transportation network
company driver is logged in to the transportation network company's digital
network or software application to be a driver, either the transportation
network company driver or the transportation network company shall maintain
the following insurance coverages:

1. During the time in which the driver is available to provide
passenger transportation, but has not accepted a ride request and is not in
the act of providing passenger transportation, primary commercial motor
vehicle liability insurance coverage in the amount of twenty-five thousand
dollars because of bodily injury to or death of any one person in any one
accident, subject to the limit for one person, fifty thousand dollars because
of bodily injury to or death of two or more persons in any one accident and
twenty thousand dollars because of injury to or destruction of property of
others in any one accident.

2. After the driver has accepted a ride request through any
communication, including a street hail, and during the time in which the
driver is providing passenger transportation:

(a) Primary commercial motor vehicle liability insurance in a minimum
amount of two hundred fifty thousand dollars per incident.
(b) Commercial uninsured motorist coverage in a minimum amount of two
hundred fifty thousand dollars per incident.

D. From and after February 29, 2016, unless an insurance policy
expressly provides coverage or contains an amendment or endorsement that
expressly provides coverage, the transportation network company driver's
insurance policy and the motor vehicle owner's personal motor vehicle
insurance policy shall not be required to provide coverage for the
transportation network company vehicle, the transportation network company
driver, the motor vehicle owner or any third party while a transportation
network company driver is logged in to a transportation network company's
digital network or software application to be a driver or is providing
transportation network services.

E. Notwithstanding subsection D of this section, an insurer may
offer, for the period during which a transportation network company driver is
logged in to a transportation network company's digital network or software
application to be a driver or is providing transportation network services,
one of the following:

1. A motor vehicle liability insurance policy expressly providing such
coverage.

2. An amendment or endorsement to an existing motor vehicle liability
insurance policy specifically providing such coverage.

F. An insurance policy required by this section is deemed to
satisfy the financial responsibility requirements for a motor vehicle
insurance policy under this title.

G. A transportation network company driver shall carry proof of
insurance in the transportation network company vehicle at all times while
logged in to a transportation network company's digital network or software
application to be a driver or is providing transportation network services.
If an accident occurs involving a transportation network company vehicle, the
transportation network company driver shall provide proof of insurance to the
parties involved in the accident at the time of the accident. The
transportation network company driver shall also notify the transportation
network company of the accident.

H. In a claims coverage investigation, transportation network
companies and any insurer providing coverage as prescribed in this section
shall fully cooperate in the exchange of information, including the precise
times that a transportation network company driver logged on and off of the
transportation network company's digital network or software application in
the twenty-four-hour period immediately preceding the accident, and shall
disclose to each other a clear description of the coverage, exclusions and
limits provided under any insurance policy each party issued or maintained.

I. H. From and after February 29, 2016, this section and section
28-4009 do not create an obligation for an insurer that issues coverage to
which section 20-1631 applies to offer, provide or issue a motor vehicle
liability insurance policy or an endorsement or amendment that includes
coverage for any liability arising while a transportation network company
driver is logged in to the transportation network company's digital network
or software application to be a driver or is providing transportation network
services.

J. An insurance policy required by this section may be placed with
an insurer authorized to transact insurance in this state pursuant to title
20, chapter 2, article 1 or a surplus lines insurer pursuant to title 20,
chapter 2, article 5.

K. The department of insurance, as part of its annual survey of
insurance companies, may request information from any property and casualty
insurer authorized to write private passenger motor vehicle coverage in this
state, including information regarding:
1. Whether the insurer offers for purchase a policy or an endorsement
or amendment that covers transportation network company drivers while the
driver is logged in to a transportation network company's digital network or
software application to be a driver or is providing transportation network
services.
2. The number of those policies, endorsements or amendments that have
been purchased during the reporting period.
3. The number of those policies, endorsements or amendments that have
been canceled during the reporting period.

c. "Transportation network company vehicle" means a motor vehicle
that meets all of the following:
(a) Has a seating capacity not exceeding eight passengers, including
the driver.
(b) Is authorized by a transportation network company.
(c) Is used by a transportation network company driver to provide
transportation network services.

d. "Transportation network services" means the transportation of
a passenger between points chosen by the passenger and arranged with a
transportation network company driver through the use of a transportation
network company's digital network or software application beginning when a
transportation network company driver accepts a request for transportation
network services received through the transportation network company's
digital network or software application, continuing while the transportation
network company driver provides transportation network services in a
transportation network company vehicle and ending when the passenger exits
the transportation network company vehicle or when the trip is canceled.

Sec. 19. Section 28-9556, Arizona Revised Statutes, is amended to
read:

28-9556. Transportation network services; civil penalty; street
hails prohibited; records
A. A transportation network company driver shall accept rides booked
and paid for exclusively through a transportation network company's digital

of the date of the driver's activation on the transportation network
company's digital network or software application has ended and shall make
the records available to the department on request.

Sec. 20. Section 42-5062, Arizona Revised Statutes, is amended to
read:

42-5062. Transporting classification
A. The transporting classification is comprised of the business of
transporting for hire persons, freight or property by motor vehicle,
railroads or aircraft from one point to another point in this state. The
transporting classification does not include:
1. Transporting for hire persons, freight or property by:
   (a) Motor carriers subject to a fee prescribed in title 28, chapter 16, article 4.
   (b) Light motor vehicles subject to a fee under title 28, chapter 15, article 4.
   (c) Transportation network companies subject to a fee prescribed by
       PURSUANT TO section 28-9552.
   (d) Transportation network company drivers on transactions involving
       transportation network services as defined in section 28-9551.
   (e) VEHICLE FOR HIRE COMPANIES ISSUED A PERMIT PURSUANT TO SECTION 28-9503.
   (f) VEHICLE FOR HIRE DRIVERS OPERATING UNDER A COMPANY PERMIT ISSUED
       PURSUANT TO SECTION 28-9503 ON TRANSACTIONS INVOLVING VEHICLE FOR HIRE
       SERVICES.

2. The business of transporting for hire persons traveling in air
   commerce by aircraft if taxation of the business is preempted by federal law.

3. Ambulances or ambulance services provided under title 48 or
   certified pursuant to title 36, chapter 21.1 or provided by a city or town in
   a county with a population of less than one hundred fifty thousand persons as
   determined in the most recent United States decennial census.

4. Public transportation program services for the dial-a-ride programs
   and special needs transportation services.

5. Transporting freight or property for hire by a railroad operating
   exclusively in this state if the transportation comprises a portion of a
   single shipment of freight or property, involving more than one railroad,
   either from a point in this state to a point outside this state or from a
   point outside this state to a point in this state. For the purposes of this
   paragraph, "a single shipment" means the transportation that begins at the
   point at which one of the railroads first takes possession of the freight or
   property and continues until the point at which one of the railroads
   relinquishes possession of the freight or property to a party other than one
   of the railroads.

6. Arranging transportation as a convenience or service to a person's
   customers if that person is not otherwise engaged in the business of
   transporting persons, freight or property for hire. This exception does not
   apply to businesses that dispatch vehicles pursuant to customer orders and
   send the billings and receive the payments associated with that activity,
   including when the transportation is performed by third-party independent
   contractors. For the purposes of this paragraph, "arranging" includes
   billing for or collecting transportation charges from a person's customers on
   behalf of the persons providing the transportation.

B. The tax base for the transporting classification is the gross
   proceeds of sales or gross income derived from the business, except that the
   following shall be deducted from the tax base:
1. The gross proceeds of sales or gross income derived from transporting for hire persons, freight or property by a railroad pursuant to a contract with another railroad that is also considered to be engaged in the businesses of transporting persons, freight or property for hire if the other railroad is liable for the tax on gross proceeds of sales or gross income attributable to the transportation.

2. The gross proceeds of sales or gross income derived from business activity that is properly included in any other business classification under this article and that is taxable to the person engaged in that classification, but the gross proceeds of sales or gross income to be deducted shall not exceed the consideration paid to the person conducting the activity.

3. The gross proceeds of sales or gross income derived from a business activity that is arranged by the person who is subject to tax under this section and that is not taxable to the person conducting the activity due to an exclusion, exemption or deduction under this section or section 42-5073, but the gross proceeds of sales or gross income to be deducted shall not exceed the consideration paid to the person conducting the activity.

4. The gross proceeds of sales or gross income derived from business activity that is arranged by a person who is subject to tax under this section and that is taxable to another person under this section who conducts the activity, but the gross proceeds of sales or gross income to be deducted shall not exceed the consideration paid to the person conducting the activity.

5. The gross proceeds of sales or gross income derived from transporting fertilizer by a railroad from a point in this state to another point in this state.

Sec. 21. Section 42-6004, Arizona Revised Statutes, is amended to read:

42-6004. Exemption from municipal tax; definitions
A. A city, town or special taxing district shall not levy a transaction privilege, sales, use or other similar tax on:
1. Exhibition events in this state sponsored, conducted or operated by a nonprofit organization that is exempt from taxation under section 501(c)(3), 501(c)(4) or 501(c)(6) of the internal revenue code if the organization is associated with a major league baseball team or a national touring professional golfing association and no part of the organization's net earnings inures to the benefit of any private shareholder or individual.
2. Interstate telecommunications services, which include that portion of telecommunications services, such as subscriber line service, allocable by federal law to interstate telecommunications service.
3. Sales of warranty or service contracts.
4. Sales of motor vehicles to nonresidents of this state for use outside this state if the motor vehicle dealer ships or delivers the motor vehicle to a destination outside this state.
5. Interest on finance contracts.

6. Dealer documentation fees on the sales of motor vehicles.

7. Sales of food or other items purchased with United States department of agriculture food stamp coupons issued under the food stamp act of 1977 (P.L. 95-113; 91 Stat. 958) or food instruments issued under section 17 of the child nutrition act (P.L. 95-627; 92 Stat. 3603; P.L. 99-661, section 4302; 42 United States Code section 1786) but may impose such a tax on other sales of food. If a city, town or special taxing district exempts sales of food from its tax or imposes a different transaction privilege rate on the gross proceeds of sales or gross income from sales of food and nonfood items, it shall use the definition of food prescribed by rule adopted by the department pursuant to section 42-5106.

8. Orthodontic devices dispensed by a dental professional who is licensed under title 32, chapter 11 to a patient as part of the practice of dentistry.

9. Sales of internet access services to the person's subscribers and customers. For the purposes of this paragraph:
   (a) "Internet" means the computer and telecommunications facilities that comprise the interconnected worldwide network of networks that employ the transmission control protocol or internet protocol, or any predecessor or successor protocol, to communicate information of all kinds by wire or radio.
   (b) "Internet access" means a service that enables users to access content, information, electronic mail or other services over the internet. Internet access does not include telecommunication services provided by a common carrier.

10. The gross proceeds of sales or gross income retained by the Arizona exposition and state fair board from ride ticket sales at the annual Arizona state fair.

12. Leasing real property between affiliated companies, businesses, persons or reciprocal insurers. For the purposes of this paragraph:
   (a) "Affiliated companies, businesses, persons or reciprocal insurers" means the lessor holds a controlling interest in the lessee, the lessee holds a controlling interest in the lessor, affiliated persons hold a controlling interest in both the lessor and the lessee, or an unrelated person holds a controlling interest in both the lessor and lessee.
   (b) "Affiliated persons" means members of the individual's family or persons who have ownership or control of a business entity.
   (c) "Controlling interest" means direct or indirect ownership of at least eighty percent of the voting shares of a corporation or of the interests in a company, business or person other than a corporation.
   (d) "Members of the individual's family" means the individual's spouse and brothers and sisters, whether by whole or half blood, including adopted persons, ancestors and lineal descendants.
(e) "Reciprocal insurer" has the same meaning prescribed in section 20-762.

13. The gross proceeds of sales or gross income derived from a contract for the installation, assembly, repair or maintenance of machinery, equipment or other tangible personal property that is described in section 42-5061, subsection B and that has independent functional utility, pursuant to the following provisions:

(a) The deduction provided in this paragraph includes the gross proceeds of sales or gross income derived from all of the following:

(i) Any activity performed on machinery, equipment or other tangible personal property with independent functional utility.

(ii) Any activity performed on any tangible personal property relating to machinery, equipment or other tangible personal property with independent functional utility in furtherance of any of the purposes provided for under subdivision (d) of this paragraph.

(iii) Any activity that is related to the activities described in items (i) and (ii) of this subdivision, including inspecting the installation of or testing the machinery, equipment or other tangible personal property.

(b) The deduction provided in this paragraph does not include gross proceeds of sales or gross income from the portion of any contracting activity that consists of the development of, or modification to, real property in order to facilitate the installation, assembly, repair, maintenance or removal of machinery, equipment or other tangible personal property described in section 42-5061, subsection B.

(c) The deduction provided in this paragraph shall be determined without regard to the size or useful life of the machinery, equipment or other tangible personal property.

(d) For the purposes of this paragraph, "independent functional utility" means that the machinery, equipment or other tangible personal property can independently perform its function without attachment to real property, other than attachment for any of the following purposes:

(i) Assembling the machinery, equipment or other tangible personal property.

(ii) Connecting items of machinery, equipment or other tangible personal property to each other.

(iii) Connecting the machinery, equipment or other tangible personal property, whether as an individual item or as a system of items, to water, power, gas, communication or other services.

(iv) Stabilizing or protecting the machinery, equipment or other tangible personal property during operation by bolting, burying or performing other dissimilar nonpermanent connections to either real property or real property improvements.

14. The leasing or renting of certified ignition interlock devices installed pursuant to the requirements prescribed by section 28-1461. For
the purposes of this paragraph, "certified ignition interlock device" has the
same meaning prescribed in section 28-1301.

16. Computer data center equipment purchased by the owner, operator or
qualified colocation tenant of the computer data center or an authorized
agent of the owner, operator or qualified colocation tenant during the
qualification period for use in a computer data center that is certified by
the Arizona commerce authority under section 41-1519. To qualify for this
deduction, at the time of purchase, the owner, operator or qualified
colocation tenant must present to the retailer its certificate that is issued
pursuant to section 41-1519 and that establishes its qualification for the
deduction. For the purposes of this paragraph, "computer data center",
"computer data center equipment", "qualification period" and "qualified
colocation tenant" have the same meanings prescribed in section 41-1519.

16. The gross proceeds of sales or gross income derived from a contract
with the owner of real property or improvements to real property for the
maintenance, repair, replacement or alteration of existing property, except
as specified in this paragraph. The gross proceeds of sales or gross income
derived from a de minimis amount of modification activity does not subject
the contract or any part of the contract to tax. For the purposes of this
paragraph:

(a) Each contract is independent of another contract, except that any
change order that directly relates to the scope of work of the original
contract shall be treated the same as the original contract under this
chapter PARAGRAPH, regardless of the amount of modification activities
included in the change order. If a change order does not directly relate to
the scope of work of the original contract, the change order shall be treated
as a new contract, with the tax treatment of any subsequent change order to
follow the tax treatment of the contract to which the scope of work of the
subsequent change order directly relates.

(b) Any term not defined in this paragraph that is defined in section
42-5075 has the same meaning prescribed in section 42-5075.

(c) This paragraph does not apply to a contract that primarily
involves surface or subsurface improvements to land and that is subject to
title 28, chapter 19, 20 or 22 or title 34, chapter 2 or 6 even if the
contract also includes vertical improvements. If a city or town imposes a
tax on contracts that are subject to procurement processes under those
provisions, the city or town shall include in the request for proposals a
notice to bidders when those projects are subject to the tax. This
subdivision does not apply to contracts with:

(i) Community facilities districts, fire districts, county television
improvement districts, community park maintenance districts, cotton pest
control districts, hospital districts, pest abatement districts, health
service districts, agricultural improvement districts, county free library
districts, county jail districts, county stadium districts, special health
care districts, public health services districts, theme park districts, regional attraction districts or revitalization districts.

(ii) Any special taxing district not specified in item (i) of this subdivision if the district does not substantially engage in the modification, maintenance, repair, replacement or alteration of surface or subsurface improvements to land.

17. Monitoring services relating to an alarm system as defined in section 32-101.

18. Tangible personal property, job printing or publications sold to or purchased by, or tangible personal property leased, rented or licensed for use to or by, a qualifying health sciences educational institution as defined in section 42-5001.

19. The transfer of title or possession of coal back and forth between an owner or operator of a power plant and a person who is responsible for refining coal if both of the following apply:
   (a) The transfer of title or possession of the coal is for the purpose of refining the coal.
   (b) The title or possession of the coal is transferred back to the owner or operator of the power plant after completion of the coal refining process. For the purposes of this subdivision, "coal refining process" means the application of a coal additive system that aids the reduction of power plant emissions during the combustion of coal and the treatment of flue gas.

20. The gross proceeds of sales or gross income from sales of low or reduced cost articles of food or drink to eligible elderly or homeless persons or persons with a disability by a business subject to tax under section 42-5074 that contracts with the department of economic security and that is approved by the food and nutrition service of the United States department of agriculture pursuant to the supplemental nutrition assistance program established by the food and nutrition act of 2008 (P.L. 110-246; 122 Stat. 1651; 7 United States Code sections 2011 through 2036a), if the purchases are made with the benefits issued pursuant to the supplemental nutrition assistance program.

21. Tangible personal property incorporated or fabricated into a project described in paragraph 16 of this subsection, that is located within the exterior boundaries of an Indian reservation for which the owner, as defined in section 42-5075, of the project is an Indian tribe or an affiliated Indian. For the purposes of this paragraph:
   (a) "Affiliated Indian" means an individual native American Indian who is duly registered on the tribal rolls of the Indian tribe for whose benefit the Indian reservation was established.
   (b) "Indian reservation" means all lands that are within the limits of areas set aside by the United States for the exclusive use and occupancy of an Indian tribe by treaty, law or executive order and that are recognized as Indian reservations by the United States department of the interior.
(c) "Indian tribe" means any organized nation, tribe, band or community that is recognized as an Indian tribe by the United States department of the interior and includes any entity formed under the laws of that Indian tribe.

22. The charges for the leasing or renting of space to make attachments to utility poles as follows:
(a) By a person that is engaged in the business of providing or furnishing electrical services or telecommunication services or that is a cable operator.
(b) To a person that is engaged in the business of providing or furnishing electrical services or telecommunication services or that is a cable operator.

B. A city, town or other taxing jurisdiction shall not levy a transaction privilege, sales, use, franchise or other similar tax or fee, however denominated, on natural gas or liquefied petroleum gas used to propel a motor vehicle.

C. A city, town or other taxing jurisdiction shall not levy a transaction privilege, sales, gross receipts, use, franchise or other similar tax or fee, however denominated, on gross proceeds of sales or gross income derived from any of the following:
1. A motor carrier's use on the public highways in this state if the motor carrier is subject to a fee prescribed in title 28, chapter 16, article 4.
2. Leasing, renting or licensing a motor vehicle subject to and on which the fee has been paid under title 28, chapter 16, article 4.
3. The sale of a motor vehicle and any repair and replacement parts and tangible personal property becoming a part of such motor vehicle to a motor carrier who is subject to a fee prescribed in title 28, chapter 16, article 4 and who is engaged in the business of leasing, renting or licensing such property.
4. Incarcerating or detaining in a privately operated prison, jail or detention facility prisoners who are under the jurisdiction of the United States, this state or any other state or a political subdivision of this state or of any other state.
5. Transporting for hire persons, freight or property by light motor vehicles subject to a fee under title 28, chapter 15, article 4.
6. Any amount attributable to development fees that are incurred in relation to the construction, development or improvement of real property and paid by the taxpayer as defined in the model city tax code or by a contractor providing services to the taxpayer. For the purposes of this paragraph:
(a) The attributable amount shall not exceed the value of the development fees actually imposed.
(b) The attributable amount is equal to the total amount of development fees paid by the taxpayer or by a contractor providing services to the taxpayer and the total development fees credited in exchange for the
construction of, contribution to or dedication of real property for providing
public infrastructure, public safety or other public services necessary to
the development. The real property must be the subject of the development
fees.

(c) "Development fees" means fees imposed to offset capital costs of
providing public infrastructure, public safety or other public services to a
development and authorized pursuant to section 9-463.05, section 11-1102 or
title 48 regardless of the jurisdiction to which the fees are paid.

7. ANY AMOUNT ATTRIBUTABLE TO FEES COLLECTED BY TRANSPORTATION NETWORK
COMPANIES ISSUED A PERMIT PURSUANT TO SECTION 28-9552.

8. TRANSPORTING FOR HIRE PERSONS BY TRANSPORTATION NETWORK COMPANY
DRIVERS ON TRANSACTIONS INVOLVING TRANSPORTATION NETWORK SERVICES AS DEFINED
IN SECTION 28-9551.

9. TRANSPORTING FOR HIRE PERSONS BY VEHICLE FOR HIRE COMPANIES ISSUED
A PERMIT PURSUANT TO SECTION 28-9503.

10. TRANSPORTING FOR HIRE PERSONS BY VEHICLE FOR HIRE DRIVERS ON
TRANSACTIONS INVOLVING VEHICLE FOR HIRE SERVICES AS DEFINED IN SECTION
28-9501.

D. A city, town or other taxing jurisdiction shall not levy a
transaction privilege, sales, use, franchise or other similar tax or fee,
however denominated, in excess of one-tenth of one percent of the value of
the entire product mined, smelted, extracted, refined, produced or prepared
for sale, profit or commercial use, on persons engaged in the business of
mineral processing, except to the extent that the tax is computed on the
gross proceeds or gross income from sales at retail.

E. In computing the tax base, any city, town or other taxing
jurisdiction shall not include in the gross proceeds of sales or gross
income:

1. A manufacturer's cash rebate on the sales price of a motor vehicle
if the buyer assigns the buyer's right in the rebate to the retailer.

2. The waste tire disposal fee imposed pursuant to section 44-1302.

F. A city or town shall not levy a use tax on the storage, use or
consumption of tangible personal property in the city or town by a school
district or charter school.

G. For the purposes of this section:

1. "Cable operator" has the same meaning prescribed by section 9-505.

2. "Electrical services" means transmitting or distributing
electricity, electric lights, current or power over lines, wires or cables.

3. "Telecommunication services" means transmitting or relaying sound,
visual image, data, information, images or material over lines, wires or
cables by radio signal, light beam, telephone, telegraph or any other
electromagnetic means.

4. "Utility pole" means any wooden, metal or other pole used for
utility purposes and the pole's appurtenances that are attached or authorized
for attachment by the person controlling the pole.
