documentation from the pupil's parent or guardian to the school that
authorizes possession and self-administration is sufficient proof that the
pupil is entitled to the possession and self-administration of the
medication. The policies shall require a pupil who uses auto-injectable
epinephrine while at school and at school-sponsored activities to notify the
nurse or the designated school staff person of the use of the medication as
soon as practicable. A school district and its employees are immune from
civil liability with respect to all decisions made and actions taken that are

harassment, intimidation or bullying and for the confidentiality, maintenance

The school district shall comply with a request within five business days after receipt.

40. Ensure that the contract for the superintendent is structured in a manner in which up to twenty percent of the total annual salary included for the superintendent in the contract is classified as performance pay. This paragraph shall not be construed to require school districts to increase total compensation for superintendents. Unless the school district governing board votes to implement an alternative procedure at a public meeting called for this purpose, the performance pay portion of the superintendent's total annual compensation shall be determined as follows:
(a) Twenty-five percent of the performance pay shall be determined based on the percentage of academic gain determined by the department of education of pupils who are enrolled in the school district compared to the academic gain achieved by the highest ranking of the fifty largest school districts in this state. For the purposes of this subdivision, the department of education shall determine academic gain by the academic growth achieved by each pupil who has been enrolled at the same school in a school district for at least five consecutive months measured against that pupil's academic results in the 2008-2009 school year. For the purposes of this subdivision, of the fifty largest school districts in this state, the school district with pupils who demonstrate the highest statewide percentage of overall academic gain measured against academic results for the 2008-2009 school year shall be assigned a score of 100 and the school district with pupils who demonstrate the lowest statewide percentage of overall academic gain measured against academic results for the 2008-2009 school year shall be assigned a score of 0.

(b) Twenty-five percent of the performance pay shall be determined by the percentage of parents of pupils who are enrolled at the school district who assign a letter grade of "A" to the school on a survey of parental satisfaction with the school district. The parental satisfaction survey shall be administered and scored by an independent entity that is selected by the governing board and that demonstrates sufficient expertise and experience to accurately measure the results of the survey. The parental satisfaction survey shall use standard random sampling procedures and provide anonymity and confidentiality to each parent who participates in the survey. The letter grade scale used on the parental satisfaction survey shall direct parents to assign one of the following letter grades:

The teacher satisfaction survey shall be administered and scored by an independent entity that is selected by the governing board and that demonstrates sufficient expertise and experience to accurately measure the results of the survey. The teacher satisfaction survey shall use standard random sampling procedures and provide anonymity and confidentiality to each teacher who participates in the survey. The letter grade scale used on the teacher satisfaction survey shall direct teachers to assign one of the following letter grades:

(i) A letter grade of "A" if the school district is excellent.
(ii) A letter grade of "B" if the school district is above average.
(iii) A letter grade of "C" if the school district is average.
(iv) A letter grade of "D" if the school district is below average.
(v) A letter grade of "F" if the school district is a failure.
(d) Twenty-five percent of the performance pay shall be
determined by other criteria selected by the governing board.

maintaining and storing these records either on paper or in an electronic
format, or a combination of a paper and electronic format.

42. Adopt in a public meeting and implement by school year
2013-2014 policies for principal evaluations. Before the adoption of
principal evaluation policies, the school district governing board shall
provide opportunities for public discussion on the proposed policies. The
policies shall describe:

performance classifications adopted by the governing board pursuant to
section 15-203, subsection A, paragraph 38.
(b) Alignment of professional development opportunities to the
principal evaluations.

classifications pursuant to section 15-203, subsection A, paragraph 38, which
may include:

       lowest performance classification pursuant to section 15-203, subsection A,
       paragraph 38.

42. PRESCRIBE AND ENFORCE POLICIES AND PROCEDURES THAT DEFINE THE
DUTIES OF PRINCIPALS AND TEACHERS. THESE POLICIES AND PROCEDURES SHALL
AUTHORIZE TEACHERS TO TAKE AND MAINTAIN DAILY CLASSROOM ATTENDANCE, MAKE THE
DECISION TO PROMOTE OR RETAIN A PUPIL IN A GRADE IN COMMON SCHOOL OR TO PASS
OR FAIL A PUPIL IN A COURSE IN HIGH SCHOOL, SUBJECT TO REVIEW BY THE
GOVERNING BOARD IN THE MANNER PROVIDED IN SECTION 15-342, PARAGRAPH 11.

B. Notwithstanding subsection A, paragraphs 7, 9 and 11 of this
section, the county school superintendent may construct, improve and furnish
school buildings or purchase or sell school sites in the conduct of an
accommodation school.

C. If any school district acquires real or personal property, whether
by purchase, exchange, condemnation, gift or otherwise, the governing board
shall pay to the county treasurer any taxes on the property that were unpaid
as of the date of acquisition, including penalties and interest. The lien
for unpaid delinquent taxes, penalties and interest on property acquired by a
school district:
1. Is not abated, extinguished, discharged or merged in the title to the property.

2. Is enforceable in the same manner as other delinquent tax liens.

D. The governing board may not locate a school on property that is less than one-fourth mile from agricultural land regulated pursuant to section 3-365, except that the owner of the agricultural land may agree to comply with the buffer zone requirements of section 3-365. If the owner agrees in writing to comply with the buffer zone requirements and records the agreement in the office of the county recorder as a restrictive covenant running with the title to the land, the school district may locate a school within the affected buffer zone. The agreement may include any stipulations regarding the school, including conditions for future expansion of the school and changes in the operational status of the school that will result in a breach of the agreement.

E. A school district, its governing board members, its school council members and its employees are immune from civil liability for the consequences of adoption and implementation of policies and procedures pursuant to subsection A of this section and section 15-342. This waiver does not apply if the school district, its governing board members, its school council members or its employees are guilty of gross negligence or intentional misconduct.

F. A governing board may delegate in writing to a superintendent, principal or head teacher the authority to prescribe procedures that are consistent with the governing board's policies.

G. Notwithstanding any other provision of this title, a school district governing board shall not take any action that would result in a reduction of pupil square footage unless the governing board notifies the school facilities board established by section 15-2001 of the proposed action and receives written approval from the school facilities board to take the action. A reduction includes an increase in administrative space that results in a reduction of pupil square footage or sale of school sites or buildings, or both. A reduction includes a reconfiguration of grades that results in a reduction of pupil square footage of any grade level. This subsection does not apply to temporary reconfiguration of grades to accommodate new school construction if the temporary reconfiguration does not exceed one year. The sale of equipment that results in a reduction that falls below the equipment requirements prescribed in section 15-2011, subsection B is subject to commensurate withholding of school district additional assistance monies pursuant to the direction of the school facilities board. Except as provided in section 15-342, paragraph 10, proceeds from the sale of school sites, buildings or other equipment shall be deposited in the school plant fund as provided in section 15-1102.

H. Subsections C through G of this section apply to a county board of supervisors and a county school superintendent when operating and administering an accommodation school.
