      (ii) Operating a motor vehicle while in an intoxicated condition or while under the influence of drugs.
      (iii) Leaving the scene of an accident.
      (iv) Making false statements in an application for a driver license.
      (v) Reckless driving.

4. The insurer is placed in rehabilitation or receivership by the insurance supervisory official in its state of domicile or by a court of competent jurisdiction or the director has suspended the insurer's certificate of authority based on its financially hazardous condition.
5. The named insured, any person who resides in the same household as the named insured and customarily operates a motor vehicle insured under the policy or any other person who regularly and frequently operates a motor vehicle insured under the policy uses a motor vehicle rated or insured under the policy as a private passenger motor vehicle regularly and frequently for commercial purposes.

6. From and after February 29, 2016, the named insured, any person who resides in the same household as the named insured and who customarily operates a motor vehicle insured under the policy or any other person who regularly and frequently operates a motor vehicle insured under the policy uses a motor vehicle rated or insured under the policy to provide transportation network services unless, while the driver is logged in to the transportation network company's digital network or software application to be a driver or is providing transportation network services, the named insured either:

   (a) Has procured an endorsement to the private passenger policy that expressly provides such coverage.

   (b) Is covered by a motor vehicle liability insurance policy issued by another insurer expressly providing such coverage.

7. The director determines that the continuation of the policy would place the insurer in violation of the laws of this state or would jeopardize the solvency of the insurer.

E. An insurer may nonrenew a motor vehicle insurance policy if the insurer complies with the requirements of this article. An insurer shall provide notice of a nonrenewal to the named insured as prescribed by section 20-1632. A named insured who disputes the nonrenewal of the named insured's policy may file an objection with the director pursuant to section 20-1633.

F. The company shall not cancel the insurance when a person other than the named insured has violated subsection D, paragraph 3 of this section, if the named insured in writing agrees to exclude as insured the person by name when operating a motor vehicle and further agrees to exclude coverage to the named insured for any negligence that may be imputed by law to the named insured arising out of the maintenance, operation or use of a motor vehicle by the excluded person. The written agreement that excludes coverage under a policy for a named individual is effective for each renewal of the policy by the insurer and remains in effect until the insurer agrees in writing to provide coverage for the named individual who was previously excluded from coverage.

G. This article does not apply to any policy that has been in effect less than sixty days at the time notice of cancellation is mailed or delivered by the insurer unless the policy is a renewal policy, or to policies:

   1. Insuring any motor vehicle other than a private passenger motor vehicle as defined in section 20-117.
2. Insuring the motor vehicle hazard of garages, motor vehicle sales agencies, repair shops, service stations or public parking places.

3. Providing insurance only on an excess basis.

H. If a consumer purchases motor vehicle insurance coverage from an insurance producer licensed in this state, the insurance producer that owns the policy expiration shall remain the insurance producer of record for that insured. In the event the insurer terminates the insurance producer's contract, the insurance producer shall continue to provide customary services to the insured. The insurer shall provide the insurance producer with a minimum degree of authority necessary to provide customary services to the insured and shall provide the same level of compensation for these services that were in effect prior to the termination of the insurance producer contract.

1. Subsection H of this section shall not apply if one or more of the following conditions exist:

   1. The insurance producer of record has had its license suspended or revoked by the department.
   2. The insurance producer of record is indebted to the insurer.
   3. The insured has supplied the insurer with a written request that its insurance producer of record be changed to another insurance producer of the insurer.
   4. The insurance producer of record has authorized transfer of this account to another licensed insurance producer of the insurer.
   5. The director has determined after a public hearing that continuation of this relationship is not in the best interest of the public.
   6. The insurance producer of record is under an exclusive contract or contract requiring the insurance producer to submit all eligible business to an insurer or group of insurers under a common management.

J. Subsection H of this section shall not apply to any transaction in which the expiration of the policies is owned by the insurer.

K. Notwithstanding any law to the contrary, if an insurer chooses to renew a policy, the issuance at renewal of revised policy provisions to modify an existing policy by adding coverages or policy provisions, modifying coverages or policy provisions or eliminating coverages or policy provisions is not a nonrenewal or cancellation of the policy if the modification of a basic coverage does not eliminate the essential benefit of that basic coverage. If the modification of the basic coverage eliminates the essential benefit of the basic coverage, the director shall order the insurer to remove the modification from the policy. This subsection does not allow the insurer, without the written consent of the insured, to eliminate the basic coverages of the policy or to reduce the monetary limits of any of the basic coverages of the policy that were selected and agreed on. If an insurer chooses to renew a policy, this subsection does not limit a policyholder from continuing to renew
uninsured or underinsured motorist coverage pursuant to section 20-259.01. For the purposes of this subsection, "basic coverage" means any of the following:

1. Bodily injury coverage.
2. Property damage coverage.
3. Uninsured motorist coverage.
4. Underinsured motorist coverage.
5. Medical payments coverage.
6. Comprehensive coverage.
7. Collision coverage.

L. For the purposes of this section, fail to renew or nonrenewal does not include the issuance and delivery of a new policy within the same insurer or an insurer under the same ownership or management as the original insurer as provided in this subsection. An insurer may transfer any of its policies to an affiliated insurer. No insurer shall transfer policyholders because of their location of residence, age, race, color, religion, sex, national origin or ancestry. Transfers by an insurer pursuant to this subsection shall not be construed to permit a new unrestricted sixty-day period for cancellation or nonrenewal.

M. Except as provided in this subsection, an insurer shall not refuse to renew a policy until after August 31, 1998, based on an insured's failure to maintain membership in a bona fide association, until both the insurer and bona fide association have complied with this subsection and shall not refuse to renew any coverage continuously in effect before September 1, 1998, subject to all the following:

1. In addition to any other reason provided in this section, an insurer may refuse to renew an insurance policy issued pursuant to this article if all of the following conditions apply:
   (a) The insurer clearly discloses to the applicant and the insured in the application for insurance and insurance policy that both the payment of dues and current membership in the bona fide association are prerequisites to obtaining or renewing the insurance.
   (b) Any money paid to the bona fide association as a membership fee:
      (i) Is not used by the insurer directly or indirectly to defray any costs or expenses in connection with the sale or purchase of the insurance.
      (ii) Is set independently of any factor used by the insurer to make any judgment or determination about the eligibility of any individual, including the member, an employee of a member or a dependent of a member, to purchase or renew the insurance.
   (c) The bona fide association has filed a certification with the director verifying the eligibility of the insurer to refuse to renew an insurance policy based on membership in the bona fide association.
2. To qualify as a bona fide association pursuant to this subsection, the association shall meet all of the requirements of this paragraph. The association shall file a statement with the director at least thirty days before the commencement of the offer or sale of insurance as provided by this subsection verifying that the association meets the requirements of this paragraph. The association shall update the filing required by this paragraph at least thirty days before the effective date of any material change in the information contained in the statement, and shall file a separate notice with the director if the insurance described in the statement is no longer available through the association. The statement shall include the following information:

(a) That the association has been in active existence for at least five consecutive years immediately before the filing of the statement.
(b) That the association has been formed and maintained in good faith for purposes other than obtaining or providing insurance and does not condition membership in the association on the purchase of insurance.
(c) That the association has articles of incorporation and bylaws or other similar governing documents.
(d) That the association does not condition membership in the association or set membership fees on the eligibility of any individual, including the member, an employee of the member or a dependent of the member, to purchase or renew the insurance, or on any factor that the insurer could not lawfully consider when setting rates.
(e) That the association has a relationship with a specific insurer or insurers and identifies the insurer or insurers.

3. Membership fees collected by the bona fide association are not premiums of the insurer that issued the coverage unless the bona fide association:

(a) Uses any portion of the membership fees directly or indirectly to defray any costs or expenses in connection with the sale or purchase of the insurance.
(b) Sets or adjusts membership fees for any member of the bona fide association based on any factor used by the insurer that issues the insurance to make any judgment or determination about the eligibility of any individual, including the member, an employee of the member or a dependent of the member, to purchase or renew the insurance.

4. If the membership fees constitute premiums pursuant to paragraph 3 of this subsection, an insurer shall not refuse to renew a policy as otherwise permitted by this subsection.

N. An insurer or insurance producer shall not inquire on an application for a motor vehicle insurance policy whether the applicant, any person who resides in the same household as the applicant and customarily operates a motor vehicle to be insured under the policy, or any other person who regularly and frequently operates a motor vehicle to be insured under the policy has been nonrenewed by an insurer.
O. An insurer may issue an endorsement to a private passenger policy that expressly provides coverage for the provision of transportation network services, but that endorsement may not be treated as basic coverage as defined in subsection K of this section and any termination of the endorsement may not be treated as a modification of basic coverage. An insurer may terminate the endorsement allowed by this subsection by giving advance notice of the termination. Any notice by the insurer to the policyholder to terminate the endorsement allowed by this subsection shall be mailed to the named insured by United States mail at least forty-five days before the effective date of the termination. The notice shall include an explanation to the named insured that the further provision of transportation network services following the effective date of the termination might subject the insured to cancellation or nonrenewal of the insured's private passenger motor vehicle policy.

P. This section and section 28-4009 do not create an obligation of an insurer to offer, provide or issue a policy or an endorsement that includes coverage for any liability incurred while a transportation network company driver is logged in to the transportation network company's digital network or software application to be a driver or is providing transportation network services.

Q. For the purposes of this section, "transportation network company", "transportation network company driver" and "transportation network services" have the same meanings prescribed in section 28-9551.

Sec. 10. Section 28-4333, Arizona Revised Statutes, is amended to read:

28-4333. Licensing requirement; exemptions
A. A new motor vehicle shall not be sold in this state unless either the manufacturer on direct dealerships of domestic vehicles, the importer of foreign manufactured vehicles on direct dealerships or the distributor on indirect dealerships of either domestic or foreign vehicles is licensed as provided in this chapter. Obtaining the license conclusively establishes that the manufacturer, distributor or importer is subject to the laws of this state regulating manufacturers, importers and distributors.

B. An organization that has qualified for an exemption from taxation of income under section 43-1201, subsection A, paragraph 1, 2, 4, 5, 6, 7, 10 or 11 501 OF THE INTERNAL REVENUE CODE may sell a donated used motor vehicle without obtaining a license under this chapter, subject to the following:

1. The nonprofit organization shall maintain the tax-exempt TAX-EXEMPT status until any monies received from the sale of the used motor vehicle have been expended and a member, director, officer, employee or agent of the nonprofit organization shall not receive any direct or indirect pecuniary benefit from the sale of the used motor vehicle.
2. The nonprofit organization shall sell the used motor vehicle by
assignment using a licensed motor vehicle dealer.

3. Notwithstanding section 28-2058, the nonprofit organization is
not required to obtain a new certificate of title or registration for the
donated motor vehicle but shall assign the certificate of title to the
licensed motor vehicle dealer for ultimate assignment to the retail
purchaser of the motor vehicle.

4. The nonprofit organization shall maintain the motor vehicle
financial responsibility requirements prescribed by chapter 9, article 4
of this title if operating the motor vehicle including operating the motor
vehicle to the place of assignment.

5. The nonprofit organization may operate the donated motor vehicle
to the place of assignment without purchasing the one trip registration
permit required by section 28-2155.

C. Notwithstanding any other provision of this chapter, a person
who receives or does not receive consideration for providing a purchaser
the opportunity to purchase a motor vehicle from a licensed new motor
vehicle dealer at a price that does not exceed a certain amount is not
required to be licensed as a motor vehicle dealer or broker under this
chapter if the person does not participate in the negotiation of the
actual price paid, the delivery terms or any other terms related to the
purchase of the vehicle.

Sec. 11. Section 28-4548, Arizona Revised Statutes, is amended to
read:

28-4548. Issuance of temporary registration permits by
manufacturers or dealers

Notwithstanding section 28-4547, the director may furnish to
licensed manufacturers or new motor vehicle dealers temporary registration
permits that the manufacturer or dealer may issue if temporarily donating
new motor vehicles to either of the following:

1. An organization that has qualified for an exemption from
taxation of income under section 43-1201, paragraph 1, 2, 4, 5, 6, 7, 10
or 11 OF THE INTERNAL REVENUE CODE.

2. This state or a political subdivision of this state.

Sec. 12. Section 41-1376.01, Arizona Revised Statutes, is amended
to read:

41-1376.01. Additional powers and duties; definitions

article. The assistants shall train public officials and educate the

infrastructure information as defined by section 41-1801 on government owned facilities that are classified as critical infrastructure by the federal government or as defined by section 41-1801.

5. Issue subpoenas if necessary to compel the attendance and testimony of witnesses and the production of books, records, documents and other evidence to which the ombudsman-citizens aide may have access pursuant to paragraph 4 of this subsection. The ombudsman-citizens aide may only issue a subpoena if the ombudsman-citizens aide has previously requested testimony or evidence and the person or agency to which the request was made has failed to comply with the request in a reasonable amount of time.

D. It is contrary to the public policy of this state for any agency or any individual acting for an agency to take any adverse action against an individual in retaliation because the individual cooperated with or provided information to the ombudsman-citizens aide or the ombudsman-citizens aide's staff.

E. For the purposes of this section:
   1. "Agency" has the same meaning prescribed in section 41-1371 but includes a public body as defined in section 39-121.01, subsection A, paragraph 2.
   2. "Public access laws" means:
      (a) Title 39, chapter 1.
      (b) Title 38, chapter 3, article 3.1.

A. All complaints shall be addressed to the ombudsman-citizens aide. If an agency receives correspondence between a complainant and the ombudsman-citizens aide, it shall hold that correspondence in trust and shall promptly forward the correspondence, unopened, to the ombudsman-citizens aide.

B. Within thirty days of receipt of the complaint, the ombudsman-citizens aide shall notify the complainant of the decision to investigate or not to investigate the complaint. If the ombudsman-citizens aide decides not to investigate and if requested by the complainant, the ombudsman-citizens aide shall provide the reasons for not investigating in writing.

C. The ombudsman-citizens aide shall not charge any fees for investigations or complaints.

D. In an investigation, the ombudsman-citizens aide may:
   1. Make inquiries and obtain information considered necessary subject to the restrictions in section 41-1377.

5. Issue subpoenas if necessary to compel the attendance and testimony of witnesses and the production of books, records, documents and other evidence to which the ombudsman-citizens aide may have access pursuant to paragraph 4 of this subsection. The ombudsman-citizens aide may only issue a subpoena if the ombudsman-citizens aide has previously requested testimony or evidence and the person or agency to which the request was made has failed to comply with the request in a reasonable amount of time.

E. It is contrary to the public policy of this state for any state agency or any individual acting for a state agency to take any adverse action against an individual in retaliation because the individual cooperated with or provided information to the ombudsman-citizens aide or the ombudsman-citizens aide's staff.

F. If requested by the complainants or witnesses, the ombudsman-citizens aide shall maintain confidentiality with respect to those matters necessary to protect the identities of the complainants or witnesses. The ombudsman-citizens aide shall ensure that confidential records are not disclosed by either the ombudsman-citizens aide or staff to the ombudsman-citizens aide. The ombudsman-citizens aide shall maintain the confidentiality of an agency record. With respect to requests made pursuant to title 39, chapter 1, article 2 or other requests for information, the ombudsman-citizens aide shall maintain all records that are received from a custodial agency in the same manner as the custodial agency would if it had received the request.

Sec. 14. Section 42-1105, Arizona Revised Statutes, is amended to read:

42-1105. Taxpayer identification, verification and records; retention

A. The federal taxpayer identification number, assigned pursuant to section 6109 of the internal revenue code, is the taxpayer identifier for purposes of the taxes administered pursuant to this article. Each person who is required to make a return, statement or other document shall include the identifier in order to secure the person’s proper identification. If the return, statement or other document is made, electronically or otherwise, by another person on behalf of the taxpayer, the taxpayer shall furnish the identifier to the other person, and the person shall furnish both the taxpayer’s identifier and his THE PERSON’S own identifier with the return, statement or document.

B. The department may prescribe by administrative rule alternative methods for signing, subscribing or verifying a return, statement or other document required or authorized to be filed with the department that have the same validity and consequence as the actual signature or written declaration of the taxpayer or other person required to sign, subscribe or verify the return, statement or other document. While the department is adopting a rule prescribing alternative methods for signing, subscribing or verifying a return, statement or other document, the director, by tax ruling, may waive the requirement of a signature for a particular type or class of return, statement or other document required to be filed with the department. For purposes of this subsection, “tax ruling” has the same meaning prescribed in section 42-2052.

C. A person who is a return preparer or an electronic return preparer shall furnish a completed copy of the return, statement or other document to the taxpayer no later than the time the return, statement or other document is presented for the taxpayer’s signature.

D. Except as provided in section 42-3010, every person who is subject to the taxes administered pursuant to this article shall keep and preserve copies of filed tax returns, including any attachments to the tax return, any signature documents used for the tax return, suitable records and other books and accounts necessary to determine the tax for which the person is liable for the period prescribed in section 42-1104. The books, records and accounts shall be open for inspection at any reasonable time by the department or its authorized agent.

E. Except as provided in section 42-3010, a return preparer or electronic return preparer shall keep copies of the return, statement or
other document for six years for transaction privilege and use tax returns
and four years for all other returns, statements and other documents
following the date on which the return, statement or other document was
due to be filed or was presented to the taxpayer for signature, whichever
is later.

F. Except as provided in section 42-3010, the department may
require by administrative rule electronic return preparers to keep for
each prepared return, statement or other document the following documents
for six years for transaction privilege and use tax returns and four years
for all other returns, statements and other documents following the later
of either the date on which the return, statement or other document was
due to be filed with the department or was presented to the taxpayer for
signature:

1. The signature document or tax return form bearing the taxpayer's
original signature in a manner prescribed by the department by
administrative rule or tax ruling.

2. Any attachments to the return, statement or other document
required to be submitted to the department if the return, statement or
other document had not been electronically transmitted to the department.

G. The operator of a swap meet, flea market, fair, carnival,
festival, circus or other transient selling event shall maintain a current
list of vendors conducting business on the premises as sellers. The list
shall include each vendor name, business name and business address. On
written notice, the department may require an operator to submit a copy of
the list at any time to the department.

H. For at least the period of time prescribed by section 42-1104,
the department shall retain records ANY RETURN, STATEMENT OR OTHER
DOCUMENT, AS DEFINED IN SECTION 42-1101.01, AS A RECORD pursuant to
sections 41-151.14, 41-151.15, 41-151.16, 41-151.17 and 41-151.19.
ANYTHING SUBMITTED WITH THE RETURN, STATEMENT OR OTHER DOCUMENT THAT IS
NOT REQUIRED, AUTHORIZED OR REQUESTED BY THE DEPARTMENT IS NOT PART OF THE
RECORD AND MAY BE DESTROYED BY THE DEPARTMENT.

Sec. 15. Section 42-1108, Arizona Revised Statutes, is amended to
read:

42-1108. Audit; deficiency assessments; definition
A. If a taxpayer fails to file a return required by this title or
title 43, or if the department is not satisfied with the return or payment
of the amount of tax required to be paid under either title, the
department may examine any return, including any books, papers, records or
memoranda relating to the return, to determine the correct amount of tax.
This examination must occur within the time periods prescribed by section
42-1104 and may be accomplished through a detailed review of transactions
or records or by a statistically valid sampling method.

B. The department shall give the taxpayer written notice of its
determination of a deficiency by mail OR AS PRESCRIBED BY SUBSECTION C OF
THIS SECTION, and the deficiency, plus penalties and interest, is final forty-five days from the date of receipt of the notice to the taxpayer unless an appeal is taken to the department. For individual income tax, the period is ninety days from the date of mailing. In the case of a joint income tax return, the notice may be a single joint notice mailed to the last known address, but if either spouse notifies the department that separate residences have been established, the department shall mail duplicate originals of the joint notice to each spouse.

C. EXCEPT FOR INDIVIDUAL INCOME TAX, THE DEPARTMENT MAY ISSUE NOTICE OF ITS DETERMINATION OF A DEFICIENCY UNDER SUBSECTION B OF THIS SECTION BY USING AN ELECTRONIC PORTAL IN LIEU OF MAIL, IF ALL OF THE REQUIREMENTS OF THIS SUBSECTION ARE MET, FOR TAXABLE PERIODS BEGINNING FROM AND AFTER DECEMBER 31, 2018 OR WHEN THE DEPARTMENT ESTABLISHES THE ELECTRONIC PORTAL, WHICHEVER IS LATER. THE USE OF THE ELECTRONIC PORTAL IN LIEU OF MAIL IS SUBJECT TO THE FOLLOWING REQUIREMENTS AND CONDITIONS:

1. THE TAXPAYER SHALL PROVIDE AN E-MAIL ADDRESS TO THE DEPARTMENT TO RECEIVE THE WRITTEN NOTICE OF ITS DETERMINATION OF A DEFICIENCY USING THE ELECTRONIC PORTAL. THE TAXPAYER SHALL NOTIFY THE DEPARTMENT OF ANY UPDATE TO THE TAXPAYER'S E-MAIL ADDRESS.

2. THE DEPARTMENT SHALL NOTIFY THE TAXPAYER, USING THE TAXPAYER'S E-MAIL ADDRESS, ON THE SAME DAY THE NOTICE OF ITS DETERMINATION OF A DEFICIENCY IS POSTED TO THE ELECTRONIC PORTAL.

3. THE DATE OF RECEIPT FOR A NOTICE PROVIDED BY ELECTRONIC PORTAL IS THE LATER OF THE DATE THE NOTICE IS POSTED TO THE ELECTRONIC PORTAL OR THE DATE THE NOTIFICATION IS RECEIVED BY THE TAXPAYER. A NOTIFICATION SENT BY E-MAIL IS CONSIDERED TO BE RECEIVED BY THE TAXPAYER ON THE DAY IT IS SENT BY THE DEPARTMENT.

D. If a deficiency is determined and the assessment becomes final, the department shall mail notice and demand to the taxpayer for the payment of the deficiency. Notwithstanding section 42-1125, subsection E, the deficiency assessed is due and payable at the expiration of ten days from the date of the notice and demand.

E. A certificate by the department of the mailing OR E-MAILING of the notices specified in this section is prima facie evidence of the assessment of the deficiency and the giving of the notices.

F. Any amount of tax in excess of that disclosed by the return due to a nonaudit adjustment, as listed in subsection G of this section, notice of which has been mailed to the taxpayer, is not a deficiency assessment within the meaning of this section. The taxpayer may not protest or appeal as in the case of a deficiency assessment, based on such A notice, and the assessment or collection of the amount of tax erroneously omitted in the return is not prohibited by this article.

G. An adjustment due to any of the following is considered a nonaudit adjustment:
1. An addition, subtraction, multiplication, division or other mathematical error shown on any return.

2. The failure of the taxpayer to properly compute the tax liability based on the taxable income reported on the return.

3. An incorrect usage or selection of information for a filed return from tax tables, schedules or similar documents provided by the department if the incorrect usage is apparent from the existence of other information on the return.

4. An entry on a return that is inconsistent with an entry on a schedule, form, statement, list or other document filed with the return.

5. An omission of information required on the return to substantiate an entry.

6. An entry on a return of a deduction or credit in an amount that exceeds a statutory limit if the limit is a monetary figure, a percentage, a ratio or a fraction and the items entered into the application of this limit appear on the return, including claiming a deduction or credit that is not authorized by statute for the taxable period.

7. Missing or incorrect taxpayer identification numbers for the purposes of claiming personal exemptions, dependents or credits.

8. An entry of a credit or deduction that requires a preapproval if the credit or deduction has not been preapproved or if the entry is for more than the preapproved amount.

9. An entry of a credit or deduction amount carried forward from a prior year that is outside of the statutory period allowed for the carryforward or is for an amount that is inconsistent with the taxpayer's prior year returns.

I. FOR THE PURPOSES OF THIS SECTION, "ELECTRONIC PORTAL" MEANS A SECURE LOCATION ON A WEBSITE ESTABLISHED BY THE DEPARTMENT THAT REQUIRES THE TAXPAYER TO ENTER A PASSWORD TO ACCESS.

Sec. 16. Section 42-1111, Arizona Revised Statutes, is amended to read:

42-1111. Jeopardy assessments

A. If the department believes that the collection of any assessment or deficiency of any tax administered pursuant to this article will be jeopardized by delay, it shall, whether or not the time otherwise prescribed by law for making a return and paying the tax has expired and
notwithstanding other provisions of law, THE DEPARTMENT SHALL immediately 1
mail, SEND ELECTRONICALLY or issue notice of its finding and the 2
information on which the finding is based to the taxpayer and demand 3
immediate payment of the tax or deficiency declared to be in jeopardy, 4
including interest, penalties and additions.

B. Jeopardy assessments are immediately due and payable, and the 5
department may immediately begin proceedings for collection. The 6	
taxpayer, however, may stay collection and prevent the jeopardy assessment 7
from becoming final by filing, within ten days after the date of mailing 8
or delivery of the notice of jeopardy assessment, or within such 9
additional time as the department may allow, a bond or other security in 10
such amounts as the department may deem necessary, not exceeding the 11
amount of the assessment including interest and penalties as to which the 12
stay is desired. The taxpayer may then proceed to appeal the assessment 13
as provided in article 6 of this chapter.

C. If a bond or other security is not filed within the period 14
prescribed by subsection B of this section, the department may treat the 15
assessment as final for purposes of any collection proceedings. The 16

prescribed by this section.

B. If a taxpayer owes an agency, political subdivision or court a

identification of the taxpayer with taxpayers who qualify for refunds
under section 42-1118 and SHALL:

F. In addition, the taxpayer shall receive notice that if the refund is intercepted in error through no fault of the taxpayer, the taxpayer is entitled to the full refund plus interest and penalties from the agency, political subdivision or court as provided by subsection O of this section.

H. If, within thirty days of AFTER the PHYSICAL OR ELECTRONIC mailing of the notice, the taxpayer requests a review by the agency or political subdivision or provides the agency or political subdivision with proof that an appeal has been taken to the appropriate court, the agency or political subdivision shall immediately notify the department and the setoff procedure shall be stayed pending resolution of the review or appeal.

L. A revolving fund is established to recover and pay the cost of operating the setoff program under this section. The department may prescribe a fee to be collected from each agency, political subdivision or court utilizing the setoff procedure or from the taxpayer, and the amount shall be deposited in the fund. The amount of the fee shall reasonably reflect the actual cost of the service provided. Monies in the revolving fund are subject to legislative appropriation.

M. If agencies, political subdivisions or courts have two or more delinquent accounts for the same taxpayer, the refund may be apportioned among them pursuant to rules prescribed by the department of revenue, except that a setoff to the department of economic security for overdue support has priority over all other setoffs.

N. If the refund is insufficient to satisfy the entire debt, the remainder of the debt may be collected by the agency, political subdivision or court as provided by law or resubmitted for setoff against subsequent refunds.

O. In the case of a refund that is intercepted in error through no fault of the taxpayer under this section, the taxpayer shall be reimbursed by the agency, political subdivision or court with interest pursuant to section 42-1123. In addition, if all or part of a refund is intercepted in error due to an agency, political subdivision or court incorrectly identifying a taxpayer as a debtor through no fault of the taxpayer, the agency, political subdivision or court shall also pay the taxpayer a penalty as follows:

an agreement with a debtor for:
1. The assignment of any prospective refund to the agency,
   political subdivision or court in satisfaction of the debt.
2. Payment of the debt if the debt has been confirmed to the
department for setoff under subsection C, paragraph 2 of this section.

S. If a tax refund is based on a joint income tax return and the
department of economic security receives a written claim from the
nonobligated spouse within forty-five days after the notice of a setoff
for overdue child support, the setoff only applies to that portion of the
refund due to the obligor. The nonobligated spouse shall provide to the
department of economic security copies of both the obligated and
nonobligated spouse's federal W-2 forms and evidence of estimated tax
payments supporting the proportionate share of each spouse's payment of

and January 31 for the preceding calendar quarter. If such amount exceeded one thousand five hundred dollars in each of the preceding four

on a monthly basis, the department shall notify the employer that it is
out of compliance with this section. Notwithstanding section 42-1125, the
department shall not assess a penalty against an employer for failing to
make a timely monthly payment if the employer had filed and remitted all
taxes due on a quarterly basis and brings all filings and payments into
current compliance within thirty days after being notified by the
department.

1. Within fifteen days after the end of each calendar quarter, the employer must pay the entire amount of the reduction in withholding tax for that quarter to the designated charitable organization, school tuition organization or public school.
