7 instruction in the technical, legal and administrative aspects of
8 conducting elections within this state.

9 D. On or before December 31 of each year of a general election, the
10 secretary of state shall submit an election officer education, training
11 and certification plan to ~~the election officer education, training and~~
12 ~~certification advisory committee and to~~ the president of the senate and

30 Sec. 4. Section 16-411, Arizona Revised Statutes, is amended to
31 read:

32 16-411. Designation of election precincts and polling places;
33 voting centers; electioneering; wait times

34 A. ~~Except as prescribed by subsection J of this section,~~ The board
35 of supervisors of each county, on or before December 1 of each year
36 preceding the year of a general election, by an order, shall establish a
37 convenient number of election precincts in the county and define the
38 boundaries of the precincts. The election precinct boundaries shall be so
39 established as included within election districts prescribed by law for
40 elected officers of the state and its political subdivisions including
41 community college district precincts, except those elected officers
42 provided for in titles 30 and 48.

43 B. Not less than twenty days before a general or primary election,
44 and at least ten days before a special election, the board shall designate

1 one polling place within each precinct where the election shall be held,
2 except that:

3 1. On a specific finding of the board, included in the order or
4 resolution designating polling places pursuant to this subsection, that no
5 suitable polling place is available within a precinct, a polling place for
6 that precinct may be designated within an adjacent precinct.

7 2. Adjacent precincts may be combined if boundaries so established
8 are included in election districts prescribed by law for state elected
9 officials and political subdivisions including community college districts
10 but not including elected officials prescribed by titles 30 and 48. The
11 officer in charge of elections may also split a precinct for
12 administrative purposes. The polling places shall be listed in separate
13 sections of the order or resolution.

14 3. On a specific finding of the board that the number of persons
15 who are listed as permanent early voters pursuant to section 16-544 is
16 likely to substantially reduce the number of voters appearing at one or
17 more specific polling places at that election, adjacent precincts may be
18 consolidated by combining polling places and precinct boards for that
19 election. The board of supervisors shall ensure that a reasonable and
20 adequate number of polling places will be designated for that election.
21 Any consolidated polling places shall be listed in separate sections of
22 the order or resolution of the board.

23 4. On a specific resolution of the board, the board may authorize
24 the use of voting centers in place of or in addition to specifically
25 designated polling places. A voting center shall allow any voter in that
26 county to receive the appropriate ballot for that voter on election day
27 and lawfully cast the ballot. Voting centers may be established in
28 coordination and consultation with the county recorder, at other county
29 offices or at other locations in the county deemed appropriate.

30 C. If the board fails to designate the place for holding the
31 election, or if it cannot be held at or about the place designated, the
32 justice of the peace in the precinct, two days before the election, by an
33 order, copies of which the justice of the peace shall immediately post in
34 three public places in the precinct, shall designate the place within the
35 precinct for holding the election. If there is no justice of the peace in
36 the precinct, or if the justice of the peace fails to do so, the election
37 board of the precinct shall designate and give notice of the place within
38 the precinct of holding the election. For any election in which there are
39 no candidates for elected office appearing on the ballot, the board may
40 consolidate polling places and precinct boards and may consolidate the
41 tabulation of results for that election if all of the following apply:

42 1. All affected voters are notified by mail of the change at least
43 thirty-three days before the election.

1 2. Notice of the change in polling places includes notice of the
2 new voting location, notice of the hours for voting on election day and
3 notice of the telephone number to call for voter assistance.

4 3. All affected voters receive information on early voting that
5 includes the application used to request an early voting ballot.

6 D. The board is not required to designate a polling place for
7 special district mail ballot elections held pursuant to article 8.1 of
8 this chapter, but the board may designate one or more sites for voters to
9 deposit marked ballots until 7:00 p.m. on the day of the election.

10 E. Except as provided in subsection F of this section, a public
11 school shall provide sufficient space for use as a polling place for any
12 city, county or state election when requested by the officer in charge of
13 elections.

14 F. The principal of the school may deny a request to provide space
15 for use as a polling place for any city, county or state election if,
16 within two weeks after a request has been made, the principal provides a
17 written statement indicating a reason the election cannot be held in the
18 school, including any of the following:

- 19 1. Space is not available at the school.
20 2. The safety or welfare of the children would be jeopardized.

21 G. The board shall make available to the public as a public record
22 a list of the polling places for all precincts in which the election is to
23 be held ~~including identification of polling place changes that were~~
24 ~~submitted to the United States department of justice for approval.~~

25 H. Except in the case of an emergency, any facility that is used as
26 a polling place on election day or that is used as an early voting site
27 during the period of early voting shall allow persons to electioneer and
28 engage in other political activity outside of the seventy-five foot limit
29 prescribed by section 16-515 in public areas and parking lots used by
30 voters. This subsection shall not be construed to permit the temporary or
31 permanent construction of structures in public areas and parking lots or
32 the blocking or other impairment of access to parking spaces for
33 voters. The county recorder or other officer in charge of elections shall
34 post on its website at least two weeks before election day a list of those
35 polling places in which emergency conditions prevent electioneering and
36 shall specify the reason the emergency designation was granted and the
37 number of attempts that were made to find a polling place before granting
38 an emergency designation. If the polling place is not on the website list
39 of polling places with emergency designations, electioneering and other
40 political activity shall be permitted outside of the seventy-five foot
41 limit. If an emergency arises after the county recorder or other officer
42 in charge of elections' initial website posting, the county recorder or
43 other officer in charge of elections shall update the website as soon as
44 is practicable to include any new polling places, shall highlight the
45 polling place location on the website and shall specify the reason the

1 emergency designation was granted and the number of attempts that were
2 made to find a polling place before granting an emergency designation.

3 I. For the purposes of this section, a county recorder or other
4 officer in charge of elections shall designate a polling place as an
5 emergency polling place and thus prohibit persons from electioneering and
6 engaging in other political activity outside of the seventy-five foot
7 limit prescribed by section 16-515 but inside the property of the facility
8 that is hosting the polling place if any of the following occurs:

9 1. An act of God renders a previously set polling place as
10 unusable.

11 2. A county recorder or other officer in charge of elections has
12 exhausted all options and there are no suitable facilities in a precinct
13 that are willing to be a polling place unless a facility can be given an
14 emergency designation.

15 J. The secretary of state shall provide through the instructions
16 and procedures manual adopted pursuant to section 16-452 the maximum
17 allowable wait time for any election that is subject to section 16-204 and
18 provide for a method to reduce voter wait time at the polls in the primary
19 and general elections. The method shall consider at least all of the
20 following for primary and general elections in each precinct:

21 1. The number of ballots voted in the prior primary and general
22 elections.

23 2. The number of registered voters who voted early in the prior
24 primary and general elections.

25 3. The number of registered voters and the number of registered
26 voters who cast an early ballot for the current primary or general
27 election.

28 4. The number of election board members and clerks and the number
29 of rosters that will reduce voter wait time at the polls.

30 ~~K. The board of supervisors of a county shall not change precinct~~
31 ~~times during the period after July 31, 2008 and before January 1, 2011.~~
32 ~~The board of supervisors may subdivide an election precinct for~~
33 ~~administrative purposes or may provide for more than one polling place~~
34 ~~within the boundaries of the election precincts established for use in~~
35 ~~voting in elections held after July 31, 2008 and before January 1, 2011.~~
36 ~~In providing for multiple polling places within a precinct, the board of~~
37 ~~supervisors shall consider the particular population characteristics of~~
38 ~~each precinct in order to provide the voters the most reasonable access to~~
39 ~~the polls possible.~~

7 ~~election board, immediately upon receipt of the early ballots, shall, as~~
8 ~~provided by this section, cast separately for each precinct the early~~
9 ~~ballots which have been received.~~ In a jurisdiction that uses optical
10 scan ballots, the officer in charge of elections may use the procedure
11 prescribed by this section or may request approval from the secretary of
12 state for a different method for processing early ballots. The request
13 shall be made in writing at least ninety days before the election for
14 which the procedure is intended to be used. After the election official
15 has confirmed with the secretary of state that all election equipment
16 passes the logic and accuracy test, the election official may begin to
17 count early ballots. No early ballot results may be released except as
18 prescribed by section 16-551.

19 B. The early election board shall check the voter's affidavit on
20 the envelope containing the early ballot. If it is found to be
21 sufficient, the vote shall be allowed. If the affidavit is insufficient,
22 the vote shall not be allowed.

23 C. The county chairman of each political party represented on the
24 ballot ~~may~~, by written appointment addressed to the early election board,
25 ~~MAY~~ designate party representatives and alternates to act as early ballot
26 challengers for the party. No party may have more than the number of such

28 each political party to be present at one time. If such agreement cannot
29 be reached, the number of representatives shall be limited to one for each
30 political party.

31 D. An early ballot may be challenged on any grounds set forth in
32 section 16-591. All challenges shall be made in writing with a brief
33 statement of the grounds ~~prior to~~ ~~BEFORE~~ the early ballot ~~being~~ ~~IS~~ placed
34 in the ballot box. A record of all challenges and resulting proceedings
35 shall be kept in substantially the same manner as provided in section
36 16-594. If an early ballot is challenged, it shall be set aside and
37 retained in the possession of the early election board or other officer in
38 charge of early ballot processing until a time that the early election
39 board sets for determination of the challenge, subject to the procedure in
40 subsection E of this section, at which time the early election board
41 shall hear the grounds for the challenge and shall decide what disposition
42 shall be made of the early ballot by majority vote. If the early ballot
43 is not allowed, it shall be handled pursuant to subsection G of this
44 section.

1 E. Within twenty-four hours of receipt of a challenge, the early

15 shall provide the voter with an informal opportunity to make, or to
16 submit, brief statements regarding the challenge. The board may decline
17 to permit comments, either in person or in writing, by anyone other than
18 the voter, the challenger and the party representatives. The burden of
19 proof is on the challenger to show why the voter should not be permitted
20 to vote. The fact that the voter fails to appear shall not be deemed to
21 be an admission of the validity of the challenge. The early election
22 board or other officer in charge of early ballot processing is not
23 required to provide the notices described in this subsection if the
24 written challenge fails to set forth at least one of the grounds listed in
25 section 16-591 as a basis for the challenge. In that event, the challenge
26 will be summarily rejected at the meeting of the board. Except for
27 election contests pursuant to section 16-672, the board's decision is
28 final and may not be appealed.

29 F. If the vote is allowed, the board shall open the envelope
30 containing the ballot in such a manner that the affidavit thereon is not
31 destroyed, take out the ballot without unfolding it or permitting it to be
32 opened or examined and show by the records of the election that the
33 elector has voted.

34 G. If the vote is not allowed, the affidavit envelope containing
35 the early ballot shall not be opened and the board shall mark across the
36 face of such envelope the grounds for rejection. The affidavit envelope
37 and its contents shall then be deposited with the opened affidavit
38 envelopes and shall be preserved with official returns. If the voter does
39 not enter an appearance, the board shall send the voter a notice stating
40 whether the early ballot was disallowed and, if disallowed, providing the
41 grounds for the determination. The notice shall be mailed by first class
42 mail to the voter's mailing address as shown on the registration rolls
43 within three days after the board's determination.

44 H. Party representatives and alternates may be appointed as

3 challenged shall be presented to the early election board for decision
4 under the provisions of this section.
