8 stabilization fund as provided by sections 35-313 and 35-314.02, and
9 monies earned from investment shall be credited to the budget
10 stabilization fund. Except as provided by this section:

11 1. Monies in the budget stabilization fund are exempt from the
12 provisions of section 35-190 relating to the reversion of monies to the
13 state general fund.

14 2. The monies in the fund are separate monies to be used only for
15 the purposes of the fund.

16 3. An amount sufficient to pay claims certified by the state
17 forester pursuant to section 37-1305, subsection E, paragraph 4 is
18 continuously appropriated from the fund to the state treasurer for payment

20 unreimbursed claims may be outstanding from the fund at any time from the
21 monies appropriated pursuant to this paragraph.

22 B. In a calendar year in which the annual growth rate exceeds the
23 trend growth rate, the excess growth when multiplied by total general fund
24 revenue of the fiscal year ending in the calendar year determines the
25 amount to be appropriated by the legislature to the budget stabilization
26 fund in the fiscal year in which the calendar year ends.

27 C. In a calendar year in which the annual growth rate is both less
28 than two percent and less than the trend growth rate, the difference
29 between the annual growth rate and the trend growth rate when multiplied
30 by the total general fund revenue of the fiscal year ending in the
31 calendar year determines the amount to be transferred by the legislature
32 from the budget stabilization fund to the state general fund at the end of
33 the fiscal year in which the calendar year ends. The transfer calculated
34 pursuant to this subsection shall not exceed the available balance in the
35 budget stabilization fund, nor shall the legislature transfer an amount

7 calendar quarter for the preceding calendar year. The economic estimates
8 commission shall determine the annual growth rate, the trend growth rate
9 and the required appropriation to or transfer from the budget
10 stabilization fund at its first meeting following the second calendar
11 quarter report of the United States department of commerce, but not later
12 than June 1. The commission shall certify and report its findings to the
13 governor, the state treasurer, the president of the senate, the speaker of
14 the house of representatives and the joint legislative budget committee.

15 G. The appropriation calculated pursuant to subsection B of this
16 section may be included in the general appropriations bill for that fiscal
17 year. Any additional appropriation calculated pursuant to subsection F of
18 this section shall be made by a separate act.

19 H. At the end of a fiscal year, the budget stabilization fund
20 balance shall not exceed ten percent of state general fund revenue for the
21 fiscal year. Any surplus monies above ten percent shall be transferred by
22 the state treasurer to the state general fund.

23 I. The state treasurer may temporarily divest monies in the budget
24 stabilization fund to avoid a negative cash balance in operating
25 monies. The amount divested shall not exceed the amount required to meet
26 immediate cash needs. The state treasurer may divest monies in the budget
27 stabilization fund only when the state general fund has a negative cash
28 balance.
