(TEXT OF BILL BEGINS ON NEXT PAGE)

1 Be it enacted by the Legislature of the State of Arizona:

2 Section 1. Section 41-1520, Arizona Revised Statutes, is amended to
3 read:

4 41-1520. International operations center; utility relief;
5 certification; revocation; definitions

6 A. ~~From and after June 30, 2015,~~ Utility relief is allowed for the
7 owner or operator of an international operations center that is certified
8 pursuant to this section.

9 B. To qualify for the utility relief, the owner or operator must
10 submit to the authority an application in a form prescribed by the
11 authority that includes all of the following:

12 1. The owner's or operator's name, address and telephone number.

13 2. The address of the site where the facility is or will be
14 located, including, if applicable, information sufficient to identify the
15 specific portion or portions of the facility comprising the international
16 operations center.

17 C. Within sixty days after receiving a complete and correct
18 application, the authority shall review the application and either issue a
19 written certification that the international operations center qualifies
20 for the utility relief or provide written reasons for its denial. A
21 failure to approve or deny the application within sixty days after the
22 date of submittal constitutes certification of the international
23 operations center, and the authority shall issue written certification to
24 the owner or operator within fourteen days. The authority shall send a
25 copy of the certification to the department of revenue.

26 D. The owner or operator of the international operations center
27 must achieve both of the following investment requirements after taking
28 into account the combined investments made by the owner or operator:

29 1. A minimum annual investment of ~~one hundred million dollars~~
30 \$100,000,000 in new capital assets, including costs of land, buildings and
31 international operations center equipment in each of ten consecutive
32 taxable years of the owner or operator. Investments greater than ~~one~~
33 ~~hundred million dollars~~ \$100,000,000 in any taxable year may be carried
34 forward as a credit toward the investment requirement in future years.

35 2. On or before the tenth anniversary of certification, a minimum
36 investment of at least ~~one billion two hundred fifty million dollars~~
37 \$1,250,000,000 in new capital assets, including costs of land, buildings
38 and international operations center equipment.

39 E. Within thirty days after the end of each taxable year following
40 certification, and WITHIN THIRTY DAYS AFTER the tenth anniversary of
41 certification, the owner or operator shall furnish the authority written
42 information demonstrating whether the certified international operations
43 center has or has not satisfied the investment requirements prescribed in
44 subsection D of this section. Until the investment requirements
45 prescribed in subsection D of this section are met, the owner or operator

1 shall keep detailed records of all capital investment in the international
2 operations center, including costs of land, buildings and international
3 operations center equipment, and all utility relief directly received by
4 the owner or operator.

5 F. If the authority determines that the requirements of this
6 section have not been satisfied, the authority may revoke the
7 certification of the international operations center and notify the
8 department of revenue in writing. The owner or operator may appeal the
9 revocation. The authority may give special consideration or allow a
10 temporary exception if there is extraordinary hardship due to factors
11 beyond the owner's or operator's control. If certification is revoked,
12 the department of revenue shall order the owner or operator to forfeit
13 further entitlement to utility relief. If the owner or operator fails to
14 make a minimum capital investment of ~~one hundred million dollars~~
15 \$100,000,000 in a taxable year, taking into account any excess investment
16 amounts carried forward from previous years, the owner or operator may
17 avoid revocation of its certification by paying to the department of
18 revenue within sixty days after the end of the taxable year the amount of
19 the utility relief provided pursuant to this section in that year.

20 G. The authority and the department of revenue shall prescribe
21 forms and procedures as necessary for the purposes of this section.

22 H. Proprietary business information contained in the application
23 form described in subsection B of this section and the written notice
24 described in subsection F of this section are confidential and may not be
25 disclosed to the public, except that the information shall be transmitted
26 to the department of revenue. The authority or the department of revenue
27 may disclose the name of an international operations center that has been
28 certified pursuant to this section.

29 I. Except as provided in subsection F of this section, on
30 certification, the international operations center remains certified
31 unless ownership of the international operations center is sold, conveyed,
32 transferred or otherwise directly or indirectly disposed of to another
33 entity in which the original owner holds less than a controlling interest.
34 For the purposes of this subsection, "controlling interest" means at least
35 eighty percent of the voting shares of a corporation or of the interests
36 in a noncorporate entity.

37 J. An owner or operator may be ~~comprised~~ COMPOSED of a single
38 entity or affiliated entities.

39 K. For the purposes of this section:

40 1. "International operations center" means a facility that is
41 subject to the investment thresholds under subsection D of this section
42 and that self-consumes renewable energy from a qualified facility pursuant
43 to ~~section 43-1083.04, subsection C or~~ section 43-1164.05, subsection C.

44 2. "Utility relief" means the mitigation of the tax burden on the
45 retail purchaser of electricity or natural gas through the application of

1 section 42-5063, subsection C, paragraph 7, section 42-5159, subsection G,
2 paragraph 2 and section 42-6012, paragraph 2.

3 Sec. 2. Section 42-1108, Arizona Revised Statutes, is amended to
4 read:

5 42-1108. Audit; deficiency assessments; electronic filing

6 A. If a taxpayer fails to file a return required by this title or
7 title 43, or if the department is not satisfied with the return or payment
8 of the amount of tax required to be paid under either title, the
9 department may examine any return, including any books, papers, records or
10 memoranda relating to the return, to determine the correct amount of tax.
11 This examination must occur within the time periods prescribed by section
12 42-1104 and may be accomplished through a detailed review of transactions
13 or records or by a statistically valid sampling method.

14 B. The department shall give the taxpayer notice of its
15 determination of a deficiency by mail or as prescribed by subsection C of
16 this section, and the deficiency, plus penalties and interest, is final
17 forty-five days ~~from~~ AFTER the date of receipt of the notice to the
18 taxpayer unless an appeal is taken to the department. For individual
19 income tax, the period is ninety days ~~from~~ AFTER the date of mailing. In
20 the case of a joint income tax return, the notice may be a single joint
21 notice mailed to the last known address, but if either spouse notifies the
22 department that separate residences have been established, the department
23 shall mail duplicate originals of the joint notice to each spouse.

24 C. Except for individual income tax, the department may issue
25 notice of its determination of a deficiency under subsection B of this
26 section by using an electronic portal in lieu of mail, if all of the
27 requirements of this subsection are met, ~~for taxable periods beginning~~
28 ~~from and~~ after December 31, 2018 or when the department establishes the
29 electronic portal, whichever is later. The use of the electronic portal
30 in lieu of mail is subject to the following requirements and conditions:

31 1. The taxpayer shall provide an e-mail address to the department
32 to receive the ~~written~~ notice of its determination of a deficiency using
33 the electronic portal. The taxpayer shall notify the department of any
34 update to the taxpayer's e-mail address.

35 2. The department shall notify the taxpayer, using the taxpayer's
36 e-mail address, on the same day the notice of its determination of a
37 deficiency is posted to the electronic portal.

38 3. The date of receipt for a notice provided by electronic portal
39 is the later of the date the notice is posted to the electronic portal or
40 the date the notification is received by the taxpayer. A notification
41 sent by e-mail is considered to be received by the taxpayer on the day it
42 is sent by the department.

43 D. If a deficiency is determined and the assessment becomes final,
44 the department shall mail notice and demand to the taxpayer for the
45 payment of the deficiency. Notwithstanding section 42-1125, subsection E,

1 the deficiency assessed is due and payable at the expiration of ten days
2 ~~from~~ AFTER the date of the notice and demand.

3 E. A certificate by the department of the mailing or e-mailing of
4 the notices specified in this section is prima facie evidence of the
5 assessment of the deficiency and the giving of the notices.

6 F. Any amount of tax in excess of that disclosed by the return due
7 to a nonaudit adjustment, as listed in subsection G OR H of this section,
8 notice of which has been mailed to the taxpayer, is not a deficiency
9 assessment within the meaning of this section. The taxpayer may not
10 protest or appeal as in the case of a deficiency assessment, based on such
11 a notice, and the assessment or collection of the amount of tax
12 erroneously omitted in the return is not prohibited by this article.

13 G. An adjustment due to any of the following is considered a
14 nonaudit adjustment:

15 1. An addition, subtraction, multiplication, division or other
16 mathematical error shown on any return.

17 2. The failure of the taxpayer to properly compute the tax
18 liability based on the taxable income reported on the return.

19 3. An incorrect usage or selection of information for a filed
20 return from tax tables, schedules or similar documents provided by the
21 department if the incorrect usage is apparent from the existence of other
22 information on the return.

23 4. An entry on a return that is inconsistent with an entry on a
24 schedule, form, statement, list or other document filed with the return.

25 5. An omission of information required on the return to
26 substantiate an entry.

27 6. An entry on a return of a deduction or credit in an amount that
28 exceeds a statutory limit if the limit is a monetary figure, a percentage,
29 a ratio or a fraction and the items entered into the application of this
30 limit appear on the return, including claiming a deduction or credit that
31 is not authorized by statute for the taxable period.

32 7. Missing or incorrect taxpayer identification numbers for the
33 purposes of claiming personal exemptions, dependents or credits.

34 8. An entry of a credit or deduction that requires a preapproval if
35 the credit or deduction has not been preapproved or if the entry is for
36 more than the preapproved amount.

37 9. An entry of a credit or deduction amount carried forward from a
38 prior year that is outside of the statutory period allowed for the
39 carryforward or is for an amount that is inconsistent with the taxpayer's
40 prior year returns.

41 H. If a taxpayer that files its return electronically is allowed to
42 input the information from a document into the electronic filing program
43 instead of providing the actual document with the return, the department
44 may request a copy of the document from the taxpayer at any time. If the
45 taxpayer provides the document, the department may adjust the return to

1 reflect the amounts on the document. If the taxpayer does not provide the
2 requested document within the period provided by the department, the
3 department may deny any deduction, credit or withholding that the document
4 is intended to substantiate. AN ADJUSTMENT MADE PURSUANT TO THIS
5 SUBSECTION IS CONSIDERED A NONAUDIT ADJUSTMENT.

6 ~~I. For the purposes of this section, "electronic portal" means a~~
7 ~~secure location on a website established by the department that requires~~
8 ~~the taxpayer to enter a password to access.~~

9 Sec. 3. Section 42-1124, Arizona Revised Statutes, is amended to
10 read:

11 42-1124. Failure to affix stamps or pay or account for tax;
12 forfeiture of commodity; sale of forfeited
13 commodity; effect of seizure and sale; request for
14 administrative hearing; definitions

15 A. If the department or its authorized agents or representatives
16 discover any luxury subject to tax under chapter 3 of this title to which
17 official stamps have not been affixed as required or on which the tax has
18 not been paid or accounted for, the department or its agent or
19 representative may seize and take possession of the luxury, and it is
20 deemed forfeited to this state. Except as provided in subsection D or E
21 of this section, the department, within a reasonable time thereafter,
22 pursuant to a notice posted on the premises or by publication in a
23 newspaper of general circulation in the county where the sale is to take
24 place, not fewer than five days before the date of sale, shall offer for
25 sale and sell the forfeited luxuries. The department shall pay the
26 proceeds of the sale into the state general fund. The sale shall take
27 place in the county ~~which~~ THAT is most convenient and economical. The
28 department need not offer any property for sale if, in its opinion, the
29 probable cost of sale exceeds the value of the property.

30 B. The seizure and sale do not relieve any person from the
31 penalties provided for violating this title.

32 C. The department of revenue may enter into an interagency
33 agreement with the department of transportation for the purpose of
34 carrying out tobacco enforcement under chapter 3 of this title at ports of
35 entry.

36 D. All ~~cigarettes~~ TOBACCO PRODUCTS that are seized for violations
37 under this title shall be forfeited to this state. All ~~cigarettes~~ TOBACCO
38 PRODUCTS that are forfeited to this state pursuant to section 13-3711,
39 36-798.06 or 42-3461 or section 44-7111, section 6(b) shall be
40 destroyed. If a distributor defrauds this state by knowingly and
41 intentionally failing to keep or make any record, return, report or
42 inventory pertaining to ~~cigarettes~~ TOBACCO PRODUCTS, by refusing to pay
43 any luxury tax for ~~cigarettes~~ TOBACCO PRODUCTS subject to tax under
44 chapter 3 of this title or by attempting to evade or defeat any
45 requirement of this title, the distributor shall forfeit to this state all

1 fixtures, equipment and all other materials and personal property that are
2 located on the premises of the distributor. Alternatively, at the request
3 of the department, the distributor may be enjoined by an action commenced
4 by the attorney general or a county attorney in the name of the state from
5 engaging or continuing in any business for which a tax is imposed by this
6 chapter until the tax has been paid and until ~~such~~ THE person has complied
7 with this title.

8 E. The department may sell or otherwise dispose of any ~~cigarettes~~
9 TOBACCO PRODUCTS forfeited to this state on such conditions as it deems
10 most advantageous and just under the circumstances, unless ~~such cigarettes~~
11 THE TOBACCO PRODUCTS are forfeited pursuant to section 13-3711, 36-798.06
12 or 42-3461 or section 44-7111, section 6(b). The department shall deposit
13 the proceeds of any sales made pursuant to this subsection in the state
14 general fund.

15 F. The department shall give notice of the seizure and forfeiture
16 of ~~cigarettes~~ TOBACCO PRODUCTS described in this section by personal
17 service or by certified mail to all persons known by the department to
18 have any right, title or interest in the property. Notice shall include a
19 description of the ~~cigarettes~~ TOBACCO PRODUCTS seized, the reason for the
20 seizure and the time and place of the seizure. ~~The following apply to the~~
21 ~~notice under this subsection:~~

22 ~~1. Except as provided in paragraph 2 of this subsection FOR~~
23 ~~SEIZURES OF CIGARETTES OF MORE THAN SIXTY-ONE CARTONS OF TWO HUNDRED~~
24 ~~CIGARETTES EACH OR THE EQUIVALENT IN CIGARETTE COUNT, the department shall~~
25 ~~post and maintain an online notice of seizure and forfeiture on its~~
26 ~~website for a period of at least six months, beginning ~~no~~ NOT later than~~
27 ~~ten business days after the date of the personal service of the notice to~~
28 ~~a person or the date of the mailing of the notice. The online notice~~
29 ~~shall display the date on which the department posts the notice to the~~
30 ~~website, which shall serve as the date of publication of the notice.~~

31 ~~2. An online notice is not required if the amount of cigarettes~~
32 ~~seized is less than sixty-one cartons of two hundred cigarettes each.~~

33 G. Any person whose legal rights, duties or privileges are
34 determined by the notice of seizure and forfeiture may file a request for
35 an administrative hearing with the department on a form prescribed by the
36 department. The request for an administrative hearing shall contain a
37 statement of the petitioner's interest in the ~~cigarettes~~ TOBACCO PRODUCTS
38 and an explanation of why the release or recovery of the ~~cigarettes~~
39 TOBACCO PRODUCTS is warranted on the ground that the ~~cigarettes~~ TOBACCO
40 PRODUCTS were erroneously or illegally seized.

41 H. The seizure and forfeiture of ~~cigarettes or other~~ tobacco
42 products by the department is an appealable agency action as defined in
43 section 41-1092 and is governed by title 41, chapter 6, article 10 and
44 section 42-1251, except that:

1 1. A request for an administrative hearing that is filed under
 2 subsection G of this section is deemed to be timely filed if the request
 3 is filed with the department within ten days after the date of personal
 4 service on the petitioner or the date of mailing the notice to the
 5 petitioner. Any person not served personally or by mail shall file the
 6 request within ten days after the date of publication of the notice. The
 7 failure of a person to file a timely request constitutes a bar to that
 8 person's right to any interest in the ~~cigarettes or other~~ tobacco
 9 products, except insofar as the rights of that person may be established
 10 in an action filed by the department under this chapter.

11 2. If a request for an administrative hearing is not filed with the
 12 department at the expiration of ten days after the notice has been
 13 personally served, mailed or published, the department's determination is
 14 final. If a timely request for an administrative hearing has been filed
 15 with the department, the department shall request a hearing by the office
 16 of administrative hearings and the department shall suspend action until
 17 the final order of the department has been issued. An order that is
 18 issued by the office of administrative hearings ~~shall be~~ IS the final
 19 order of the department thirty days after the petitioner receives the
 20 decision unless a decision by the director is issued pursuant to section
 21 42-1251. If the director issues a decision, that decision is the final
 22 order of the department.

23 I. For the purposes of this section, "cigarette", ~~and~~ "distributor"
 24 AND "TOBACCO PRODUCTS" have the same meanings prescribed in section
 25 42-3001.

26 Sec. 4. Section 42-1125, Arizona Revised Statutes, is amended to
 27 read:

28 42-1125. Civil penalties; definition

29 A. If a taxpayer fails to make and file a return for a tax
 30 administered pursuant to this article on or before the due date of the
 31 return or the due date as extended by the department, unless it is shown
 32 that the failure is due to reasonable cause and not due to wilful neglect,
 33 four and one-half percent of the tax required to be shown on ~~such~~ THE
 34 return shall be added to the tax for each month or fraction of a month
 35 elapsing between the due date of the return and the date on which it is
 36 filed. The total penalty shall not exceed twenty-five percent of the tax
 37 found to be remaining due. The penalty so added to the tax is due and
 38 payable on notice and demand from the department. For the purpose of
 39 computing the penalty imposed under this subsection, the amount required
 40 to be shown as tax on a return shall be reduced by the amount of any part
 41 of the tax that is paid on or before the beginning of ~~such~~ THE month and
 42 by the amount of any credit against the tax that may be claimed on the
 43 return. If the amount required to be shown as tax on a return is less
 44 than the amount shown as tax on ~~such~~ THE return, the penalty described in
 45 this subsection shall be applied by substituting ~~such~~ THE lower amount.

1 B. If a taxpayer fails or refuses to file a return on notice and
 2 demand by the department, the taxpayer shall pay a penalty of twenty-five
 3 percent of the tax, which is due and payable on notice and demand by the
 4 department, in addition to any penalty prescribed by subsection A of this
 5 section, unless it is shown that the failure is due to reasonable cause
 6 and not due to wilful neglect. This penalty is payable on notice and
 7 demand from the department.

8 C. If a taxpayer fails or refuses to furnish any information
 9 requested in writing by the department, the department may add a penalty
 10 of twenty-five percent of the amount of any deficiency tax assessed by the
 11 department concerning the assessment of which the information was
 12 required, unless it is shown that the failure is due to reasonable cause
 13 and not due to wilful neglect.

14 D. If a person fails to pay the amount shown as tax on any return
 15 within the time prescribed, a penalty of one-half of one percent, not to
 16 exceed a total of ten percent, shall be added to the amount shown as tax
 17 for each month or fraction of a month during which the failure continues,
 18 unless it is shown that the failure is due to reasonable cause and not due
 19 to wilful neglect. If the department determines that the person's failure
 20 to pay was due to reasonable cause and not due to wilful neglect and that
 21 a payment agreement pursuant to section 42-2057 is appropriate, the
 22 department shall not impose the penalty unless the taxpayer fails to
 23 comply with the payment agreement. If the taxpayer is also subject to a
 24 penalty under subsection A of this section for the same tax period, the
 25 total penalties under subsection A of this section and this subsection
 26 shall not exceed twenty-five percent. For the purpose of computing the
 27 penalty imposed under this subsection:

28 1. The amount shown as tax on a return shall be reduced by the
 29 amount of any part of the tax that is paid on or before the beginning of
 30 that month and by the amount of any credit against the tax that may be
 31 claimed on the return.

32 2. If the amount shown as tax on a return is greater than the
 33 amount required to be shown as tax on that return, the penalty shall be
 34 applied by substituting the lower amount.

35 E. If a person fails to pay any amount required to be shown on any
 36 return that is not so shown within twenty-one calendar days after the date
 37 of notice and demand, a penalty of one-half of one percent, not to exceed
 38 a total of ten percent, shall be added to the amount of tax for each month
 39 or fraction of a month during which the failure continues, unless it is
 40 shown that the failure is due to reasonable cause and not due to wilful
 41 neglect. If the taxpayer is also subject to penalty under subsection A of
 42 this section for the same tax period, the total penalties under subsection
 43 A of this section and this subsection shall not exceed twenty-five
 44 percent. For the purpose of computing the penalty imposed under this
 45 subsection, any amount required to be shown on any return shall be reduced

1 by the amount of any part of the tax that is paid on or before the
 2 beginning of that month and by the amount of any credit against the tax
 3 that may be claimed on the return.

4 F. In the case of a deficiency, for which a determination is made
 5 of an additional amount due, that is due to negligence but without intent
 6 to defraud, the person shall pay a penalty of ten percent of the amount of
 7 the deficiency.

8 G. If part of a deficiency is due to fraud with intent to evade
 9 tax, fifty percent of the total amount of the tax, in addition to the
 10 deficiency, interest and other penalties provided in this section, shall
 11 be assessed, collected and paid as if it were a deficiency.

12 H. If the amount, whether determined by the department or the
 13 taxpayer, required to be withheld by the employer pursuant to title 43,
 14 chapter 4 is not paid to the department on or before the date prescribed
 15 for its remittance, the department may add a penalty of twenty-five
 16 percent of the amount required to be withheld and paid, unless it is shown
 17 that the failure is due to reasonable cause and not due to wilful neglect.

18 I. A person who, with or without intent to evade any requirement of
 19 this article or any lawful administrative rule of the department of
 20 revenue under this article, fails to file a return or to supply
 21 information required under this article or who, with or without such
 22 intent, makes, prepares, renders, signs or verifies a false or fraudulent
 23 return or statement or supplies false or fraudulent information shall pay
 24 a penalty of not more than ~~one thousand dollars~~ \$1,000. This penalty
 25 shall be recovered by the department of law in the name of this state by
 26 an action in any court of competent jurisdiction.

27 J. If the taxpayer files what purports to be a return of any tax
 28 administered pursuant to this article but that is frivolous or that is
 29 made with the intent to delay or impede the administration of the tax
 30 laws, that person shall pay a penalty of ~~five hundred dollars~~ \$500.

31 K. If any person who is required to file or provide an information
 32 return under this title or title 43 or who is required to file or provide
 33 a return or report under chapter 3 of this title fails to file the return
 34 or report at the prescribed time or in the manner required, or files a
 35 return or report that fails to show the information required, that person
 36 shall pay a penalty of ~~one hundred dollars~~ \$100 for each month or fraction
 37 of a month during which the failure continues unless it is shown that the
 38 failure is due to reasonable cause and not due to wilful neglect. The
 39 total penalties for each return or report under this subsection shall not
 40 exceed ~~five hundred dollars~~ \$500.

41 L. If it appears to the superior court that proceedings before it
 42 have been instituted or maintained by a taxpayer primarily for delay or
 43 that the taxpayer's position is frivolous or groundless, the court may
 44 award damages in an amount not to exceed ~~one thousand dollars~~ \$1,000 to
 45 this state. Damages so awarded shall be collected as a part of the tax.

1 M. A person who is required under section 43-413 to furnish a
2 statement to an employee and who wilfully furnishes a false or fraudulent
3 statement, or who wilfully fails to furnish a statement required by
4 section 43-413, is for each such failure subject to a penalty of ~~fifty~~
5 ~~dollars~~ \$50.

6 N. A person who is required to collect or truthfully account for
7 and pay a tax administered pursuant to this article, including any luxury
8 privilege tax, and who wilfully fails to collect the tax or truthfully
9 account for and pay the tax, or wilfully attempts in any manner to evade
10 or defeat the tax or its payment, is, in addition to other penalties
11 provided by law, liable for a penalty equal to the total amount of the tax
12 evaded, not collected or not accounted for and paid. Except as provided
13 in subsections U, V and W of this section, no other penalty under this
14 section relating to failure to pay tax may be imposed for any offense to
15 which this subsection applies.

16 O. For reporting periods beginning from and after February 28,
17 2011, if a taxpayer who is required under section 42-1129 to ~~make payment~~
18 ~~PAY~~ by electronic funds transfer fails to do so, that taxpayer shall pay a
19 penalty of five percent of the amount of the payment not made by
20 electronic funds transfer unless it is shown that the failure is due to
21 reasonable cause and not due to wilful neglect. For the reporting periods
22 beginning on July 1, 2015, the penalty in this subsection applies to any
23 taxpayer who is required under section 42-3053 to ~~make payment~~ ~~PAY~~ by
24 electronic funds transfer and fails to do so unless it is shown that the
25 failure is due to reasonable cause and not due to wilful neglect.

26 P. Unless due to reasonable cause and not to wilful neglect:

27 1. A person who fails to provide that person's taxpayer
28 identification number in any return, statement or other document as

32 42-1109, subsection B or the notice required by section 42-1108,
33 subsection B is received, or within such additional time as the department
34 may allow, for a hearing, correction or redetermination of the action

1 B. Except in the case of individual income taxes, at any time
2 during which an appeal to the department under subsection A of this
3 section is pending, a person that has conferred with a designated appeals
4 officer of the department to clarify any fact or legal issue in dispute

18 directly to the **STATE** board of tax appeals or bring an action in tax
19 court.

20 D. If the taxpayer does not file a petition for hearing,
21 correction, redetermination or appeal within the period provided by
22 subsection A, B or C of this section, the amount determined to be due
23 becomes final at the expiration of the period. The taxpayer is deemed to
24 have waived and abandoned the right to question the amount determined to

12 request.

13 7. An audit in which the taxpayer provides a written request to
14 extend the audit beyond the two-year period. A request for extension
15 under this paragraph is not a substitute for a waiver of the statute of

32 (a) The required filing of a tax return.

33 (b) A copy of the taxpayer's federal return.

34 (c) Required documents that the taxpayer failed to include with the
35 return.

36 (d) Documentation to resolve an inconsistency within the return or
37 a discrepancy between the return and other information that is received
38 from a third party or that is otherwise already in the department's
39 possession, if the adjustment of the return due to the inconsistency or
40 discrepancy would be considered a nonaudit adjustment under section
41 42-1108, subsection G OR H.

42 (e) Information that was left out of the taxpayer's return because
43 a submitted form was incomplete.

44 (f) Replacements for documents that are not legible.

24 the qualifications to be considered a multistate service provider and
25 renew the election for another five consecutive taxable years.
26 2. During the election period, the election may be terminated as
27 follows:
28 (a) Without the permission of the department on the acquisition or
29 merger of the taxpayer.
30 (b) With the permission of the department before the expiration of
31 five consecutive taxable years.
32 D. For a multistate service provider under subsection E, paragraph
33 3, subdivision (b) of this section, an election under subsection B of this
34 section is limited to the treatment of sales for educational services.
35 E. For the purposes of this section:
36 1. "Income-producing activity sales" means the total sales from
37 services that are sales in this state under subsection A of this section.
38 2. "Market sales" means the total sales from services AND SALES OF
39 INTANGIBLES, AS DEFINED IN PARAGRAPH 3, SUBDIVISION (a) OF THIS
40 SUBSECTION, for which the purchaser received the benefit of the service OR
41 INTANGIBLES in this state.
42 3. "Multistate service provider" means either:
43 (a) A taxpayer that derives more than eighty-five percent of its
44 TOTAL sales from services or sales from intangibles provided to purchasers
45 who receive the benefit of the service OR INTANGIBLES outside this state

1 in the taxable year of election, and includes all taxpayers required to
2 file a combined report pursuant to section 43-942 and all members of an
3 affiliated group included in a consolidated return pursuant to section
4 43-947. In calculating the eighty-five percent, sales to students
5 receiving educational services at campuses physically located in this
6 state shall be excluded from the calculation. For the purposes of this
7 subdivision, "sales from intangibles" means sales derived from credit and
8 charge card receivables, including fees, merchant discounts, interchanges,
9 interest and related revenue.

10 (b) A taxpayer that is a regionally accredited institution of
11 higher education with at least one university campus in this state that
12 has more than two thousand students residing on the campus, and includes
13 all taxpayers required to file a combined report pursuant to section
14 43-942 and all members of an affiliated group included in a consolidated
15 return pursuant to section 43-947.

16 4. "Received the benefit of the service in this state" means the
17 services are received by the purchaser in this state. If the state where
18 the services are received cannot be readily determined, the services are
19 considered to be received at the home of the customer or, in the case of a
20 business, the office of the customer from which the services were ordered
21 in the regular course of the customer's trade or business. If the
22 ordering location cannot be determined, the services are considered to be
23 received at the home or office of the customer to which the services were
24 billed.

25 5. "Sales for educational services" means tuition and fees required
26 for enrollment and fees required for courses of instruction, transcripts
27 and graduation.

28 Sec. 15. Section 43-1164.05, Arizona Revised Statutes, is amended
29 to read:

30 43-1164.05. Credit for renewable energy investment and
31 production for self-consumption by
32 international operations centers; definitions

33 A. A credit is allowed against the taxes imposed by this title for
34 investment in new renewable energy facilities that produce energy for
35 self-consumption using renewable energy resources if the power will be
36 used primarily for an international operations center.

37 B. The taxpayer is eligible for the credit if all of the following
38 apply:

39 1. The taxpayer invests at least ~~one hundred million dollars~~
40 **\$100,000,000** in one or more new renewable energy facilities in this state
41 that produce energy for self-consumption using renewable energy
42 resources. The minimum investment must be completed within a three-year
43 period beginning on the date the initial application is received or by
44 December 31, 2018, whichever is earlier.

1 2. A portion of the energy produced at each renewable energy
2 facility is used for self-consumption in this state. By the fifth year a
3 renewable energy facility is in operation, at least fifty-one percent of
4 the energy produced must be used for self-consumption in this state.
5 Self-consumption includes the power used by related entities if the
6 related entities are directly or indirectly under the same ownership
7 interests that collectively own more than eighty percent. Power that a
8 renewable energy facility transfers to a utility qualifies as
9 self-consumption if the utility is the same utility that provides power to
10 the owner's international operations center in this state.

11 3. The power that is used for self-consumption under paragraph 2 of
12 this subsection is used for an international operations center in this
13 state. A lessor of an international operations center facility that uses
14 power for self-consumption under paragraph 2 of this subsection satisfies
15 the requirements of this paragraph if the lessee is an international
16 operations center and the power is transferred as part of the lease to the
17 lessee.

18 C. Subject to subsection F of this section, the credit authorized
19 by this section is ~~five million dollars~~ \$5,000,000 per year for five years
20 for each renewable energy facility. The maximum credit allowed per
21 taxpayer per year is ~~five million dollars~~ \$5,000,000. The taxpayer,
22 including all affiliates of the taxpayer, may not cumulate tax credits
23 under this section over different taxable years exceeding, in the
24 aggregate, ~~twenty-five million dollars~~ \$25,000,000. The initial credit
25 for each facility is claimed in the year that the facility becomes
26 operational. A credit, other than carryovers allowed under subsection M
27 of this section, may not be claimed for any taxable year beginning after
28 December 31, 2025.

29 D. To qualify as a separate renewable energy facility for the
30 purposes of this section, a facility must be located at least one mile
31 from any other renewable energy facility for which the taxpayer is
32 claiming a credit under this section.

33 E. To be eligible for the credit under this section, the taxpayer
34 must apply to the department for certification of the credit on a form
35 prescribed by the department. The application shall include:

36 1. The name, address and social security number or federal employer
37 identification number of the applicant.

38 2. An estimate of the total investment the taxpayer will make, over
39 a three-year period beginning on the date the application is received, in
40 new renewable energy facilities in this state that produce energy for
41 self-consumption using renewable energy resources.

42 3. The expected location of each of the taxpayer's facilities that
43 comprise the total investment in paragraph 2 of this subsection and the
44 earliest date that each facility is expected to be operational.

1 4. A statement that the portion of the power generated by each
2 facility, as required by subsection B, paragraph 2 of this section, shall
3 be for self-consumption and shall be used for international operations
4 center use.

5 5. Any additional information that the department requires.

6 F. The department shall review each application under subsection E
7 of this section and preapprove the taxpayer for a specified amount of
8 credit that is authorized. Credits are allowed under this section ~~and~~
9 ~~section 43-1083.04~~ on a ~~first come, first served~~ FIRST-COME, FIRST-SERVED
10 basis. The department may not authorize tax credits under this section
11 ~~and section 43-1083.04~~ that exceed in the aggregate a total of ~~ten million~~
12 ~~dollars~~ \$10,000,000 for any calendar year. The portion of each year's
13 limit that is reserved for each taxpayer must be based on the year that
14 each credit is expected to be claimed using the dates provided in
15 subsection E, paragraph 3 of this section. If the year a facility is
16 completed is different from the estimated completion date provided in
17 subsection E, paragraph 3 of this section, the taxpayer must amend the
18 application with the new dates. If an application is received that, if
19 authorized, would require the department to exceed the ~~ten million dollar~~
20 \$10,000,000 limit, the department shall grant the applicant only the
21 remaining credit amount that would not exceed the ~~ten million dollar~~
22 \$10,000,000 limit. After the department authorizes ~~ten million dollars~~
23 \$10,000,000 in tax credits, the department shall deny any subsequent
24 applications that are received for that calendar year. The department may
25 not authorize any additional tax credits that exceed the ~~ten million~~
26 ~~dollar~~ \$10,000,000 limit even if the amounts that have been certified to
27 any taxpayer are not claimed or a taxpayer otherwise fails to meet the
28 requirements to claim the additional credit.

29 G. If a taxpayer fails to start construction within six months
30 after submitting the application under subsection E of this section, the
31 preapproval issued under subsection F of this section is void and all
32 monies reserved from the limits specified in subsection F of this section
33 revert back to the limit for the year for which they were reserved.

34 H. Each year after initial preapproval, on or before the
35 anniversary date of the application specified in subsection E of this
36 section, the taxpayer must submit to the department:

37 1. Documentation of the taxpayer's progress toward the investment
38 required by subsection B, paragraph 1 of this section. This documentation
39 is not required after the department receives a report stating that the
40 required investment threshold has been reached.

41 2. Documentation for each facility that demonstrates that the
42 required portion of the power generated by each renewable energy facility
43 is for self-consumption as required by subsection B, paragraph 2 of this
44 section.

1 3. If applicable, certification from the Arizona commerce authority
2 pursuant to section 41-1520.

3 I. The taxpayer must submit a request for final certification to
4 the department within thirty days after each of the renewable energy
5 facilities for which an authorization was given under subsection F of this
6 section becomes operational. Within thirty days after receiving a
7 completed request under this subsection, the department shall review the
8 request and either issue a final certification of the credit to the
9 taxpayer or issue a denial of the credit if it is determined that the
10 requirements of this section have not been met. Every final certification
11 issued under this subsection must include a facility code issued by the
12 department that is unique to each facility. To show that the facility has
13 been certified, the taxpayer shall include with the tax return the
14 facility code for each facility for which a credit is claimed. If the
15 taxpayer is the owner or operator of an international operations center,
16 the taxpayer must submit the request for final certification for each of
17 the renewable energy facilities for which capital investment will be
18 claimed towards the required investment threshold and must submit
19 additional evidence to the department within sixty days after the end of
20 the fifth year of operation of each facility that the requirements of
21 subsection B, paragraph 2 of this section have been met.

22 J. If the taxpayer fails to make the required investment in
23 renewable energy facilities within the time period required by subsection
24 B, paragraph 1 of this section or if the certification of an international
25 operations center has been revoked under section 41-1520 due to a failure
26 to make a ~~one billion two hundred fifty million dollar~~ **\$1,250,000,000**
27 investment in the center within ten years after certification or if the
28 taxpayer fails to receive final certification of the credit under
29 subsection I of this section, the taxpayer is not eligible and must cease
30 claiming any further credits under this section and shall reimburse the
31 amount of all credits previously received under this section. The
32 reimbursement must be made on the taxpayer's income tax return for the
33 taxable year in which it is first known that the required investment would
34 not be made within the required time or the taxable year in which the
35 certification was revoked. The department may give special consideration
36 or allow a temporary exemption from reimbursement if there is
37 extraordinary hardship due to factors beyond the taxpayer's control. If
38 the reimbursement is due to revocation of the certification of an
39 international operations center due to a failure to invest ~~one billion two~~
40 ~~hundred fifty million dollars~~ **\$1,250,000,000** in the center within ten
41 years after certification, the credits shall be reimbursed in inverse
42 proportion to the total capital investment made in the international
43 operations center divided by ~~one billion two hundred fifty million dollars~~
44 **\$1,250,000,000**. The department may require reimbursement before the tenth
45 anniversary of certification of an international operations center if the

1 facility has been closed or relocated or the taxpayer has otherwise
2 demonstrated that the ~~one billion two hundred fifty million dollar~~
3 **\$1,250,000,000** investment will not be timely made.

4 K. If a particular facility ceases to meet the requirements of this
5 section or if the facility is sold, the taxpayer may not claim any future
6 credits related to that facility.

7 L. Co-owners of a business, including corporate partners in a
8 partnership and **CORPORATE** members of a limited liability company **TREATED**
9 **AS A PARTNERSHIP**, may each claim the pro rata share of the credit allowed
10 under this section based on ownership interest. **ONLY CO-OWNERS THAT ARE**
11 **CORPORATIONS MAY CLAIM A SHARE OF THE CREDIT ALLOWED UNDER THIS SECTION.**
12 The total of the credits allowed all the owners of the business may not
13 exceed the amount that would have been allowed for a sole owner of the
14 business.

15 M. If the allowable tax credit for a taxpayer exceeds the taxes
16 otherwise due under this title on the claimant's income, or if there are
17 no taxes due under this title, the amount of the claim not used to offset
18 taxes under this title may be carried forward for not more than five
19 consecutive taxable years as a credit against subsequent years' income tax
20 liability.

21 N. A taxpayer may not claim a credit under this section and section
22 43-1164.03 regarding the same facilities.

23 O. The department shall adopt rules and publish and prescribe forms
24 and procedures as necessary to effectuate the purposes of this section.

25 P. For the purposes of this section:

26 1. "Biomass" means organic material that is available on a
27 renewable or recurring basis, including:

28 (a) Forest-related materials, including mill residues, logging
29 residues, forest thinnings, slash, brush, low-commercial value materials
30 or undesirable species, salt cedar and other phreatophyte or woody
31 vegetation removed from river basins or watersheds and woody material
32 harvested for the purpose of forest fire fuel reduction or forest health
33 and watershed improvement.

34 (b) Agricultural-related materials, including orchard trees,
35 vineyard, grain or crop residues, including straws and stover, aquatic
36 plants and agricultural processed coproducts and waste products, including
37 fats, oils, greases, whey and lactose.

38 (c) Animal waste, including manure and slaughterhouse and other
39 processing waste.

40 (d) Solid woody waste materials, including landscape or
41 right-of-way tree trimmings, rangeland maintenance residues, waste
42 pallets, crates and manufacturing, construction and demolition wood wastes
43 but excluding pressure-treated, chemically treated or painted wood wastes
44 and wood contaminated with plastic.

1 (e) Crops and trees planted for the purpose of being used to
2 produce energy.

3 (f) Landfill gas, wastewater treatment gas and biosolids, including
4 organic waste by-products generated during the wastewater treatment
5 process.

6 2. "International operations center" means a facility that is
7 certified by the Arizona commerce authority pursuant to section 41-1520.

8 3. "Renewable energy facility" means a facility in which the
9 taxpayer invested at least ~~thirty million dollars~~ \$30,000,000, that has at
10 least twenty megawatts generating capacity or a minimum typical annual
11 generation of forty thousand megawatt hours, that is located on land in
12 this state owned or leased by the taxpayer and that produces electricity
13 using a renewable energy resource.

14 4. "Renewable energy resource" means a resource that generates
15 electricity through the use of only the following energy sources:

16 (a) Solar light.

17 (b) Solar heat.

18 (c) Wind.

19 (d) Biomass, including fuel cells supplied directly or indirectly
20 with biomass generated fuels.

21 Sec. 16. Savings clause

22 The repeal of the income tax credit under this act does not affect
23 the continuing validity of any amount of the credit carried forward from
24 previous taxable years for application against subsequent tax liabilities
25 as allowed by prior law.
