25 (ii) Being issued, presentable and payable at a federal home loan  
26 bank in United States dollars. Presentation may be made by the  
27 beneficiary submitting the original letter of credit, including any  
28 amendments, and the demand in writing, by overnight delivery.

29 (iii) If the letter of credit is for purposes of chapter 10,  
30 article 1 of this title, containing a statement that identifies the  
31 statewide collateral pool administrator as the beneficiary.

32 (iv) Containing an issue date and a date of expiration.

33 (c) For the purposes of chapter 10, article 1 of this title, the  
34 eligible depository, if notified by the statewide collateral pool  
35 administrator, is not allowed to use new letters of credit issued by a  
36 federal home loan bank if that federal home loan bank fails to pay a draw  
37 request as provided for in the letters of credit or fails to properly  
38 complete a confirmation of such letters of credit.

39 H. The securities, instruments or safekeeping receipt for the  
40 securities and instruments shall be accepted at market value if not above  
41 par, and, if at any time their market value becomes less than the deposit  
42 liability to that treasurer, additional securities or instruments required  
43 to guarantee deposits shall be deposited immediately with the treasurer  
44 who made the deposit and deposited by the eligible depository in which the  
45 deposit was made.

I. The condition of the surety bond, or the deposit of securities, instruments or a safekeeping receipt, must be such that the eligible depository will promptly pay to the parties entitled public monies in its custody, on lawful demand, and will, when required by law, pay the monies to the treasurer making the deposit.

J. Notwithstanding the requirements of this section, any institution qualifying as an eligible depository may accept deposits of public monies to the total then authorized insurance of accounts, insured by federal deposit insurance, without depositing a surety bond or securities in lieu of the surety bond.

K. An eligible depository shall report monthly to the treasurer the total deposits of that treasurer and the par value and the market value of any pledged collateral securing those deposits.

L. When a security or instrument pledged as collateral matures or is called for redemption, the cash received for the security or instrument shall be held in place of the security until the depository has obtained a written release or provided substitute securities or instruments.

M. The surety bond, securities, instruments or safekeeping receipt of an eligible depository shall be deposited with the treasurer making the deposit, and the treasurer is the custodian of the bond, securities, instruments or safekeeping receipt. The treasurer may then deposit with the depository public monies then in the treasurer's possession in accordance with this article, but not in an amount of more than the surety bond, securities, instruments or safekeeping receipt deposited, except for federal deposit insurance.

N. The following restrictions on investments apply:

1. Public operating fund monies shall not be invested for a maturity of longer than five years.

2. The board of deposit may order the treasurer to sell any of the securities, and any order shall specifically describe the securities and fix the date on which they are to be sold. Securities so ordered to be sold shall be sold for cash by the treasurer on the date fixed in the order, at the then-current market price. The treasurer and the members of the board are not accountable for any loss occasioned by sales of securities at prices lower than their cost. Any loss or expense shall be charged against earnings received from investment of public monies.

3. Investments shall not be made in companies identified pursuant to section 35-392, subsection A, paragraph 1.

O. If the total amount of subdivision monies available for deposit at any time is less than the maximum coverage amount of the federal deposit insurance corporation, the subdivision board of deposit shall award the deposit of the monies to an eligible depository in accordance with an ordinance or resolution of the governing body of the subdivision. Deposits of less than the maximum coverage amount of the federal deposit insurance corporation are not subject to the requirements of this chapter.
