13 section. A person in possession of information derived from voter
14 registration forms or precinct registers shall not distribute, post or
15 otherwise provide access to any portion of that information through the
16 internet except as authorized by subsection I of this section. Nothing in
17 this section shall preclude public inspection of voter registration records
18 at the office of the county recorder for the purposes prescribed by this
19 section, except that the month and day of birth date, the social security

3 G. The county recorder shall count the registered voters by
4 political party by precinct, legislative district and congressional

24 subsection G of this section. The report shall include completed
25 registration forms returned in accordance with section 16-134,
26 subsection B. The county recorder shall also provide the report in a
27 uniform electronic computer media format that shall be agreed on between
28 the secretary of state and all county recorders. The secretary of state
29 shall then prepare a summary report for the state and shall maintain that
30 report as a permanent record.

31 I. The county recorder and the secretary of state shall protect
32 access to voter registration information in an auditable format and method

1 specified in the secretary of state's electronic voting system instructions
2 and procedures manual that is adopted pursuant to section 16-452.

3 J. The secretary of state shall develop and administer a statewide
4 database of voter registration information that contains the name and
5 registration information of every registered voter in this state. The
6 statewide database is a matter of statewide concern and is not subject to
7 modification or further regulation by a political subdivision. The
8 database shall include an identifier that is unique for each individual
9 voter. The database shall provide for access by voter registration
10 officials and shall allow expedited entry of voter registration information
11 after it is received by county recorders. As a part of the statewide voter
12 registration database, county recorders shall provide for the electronic
13 transmittal of that information to the secretary of state on a real time
14 basis. The secretary of state shall provide for maintenance of the
15 database, including provisions regarding removal of ineligible voters that

20 removal of duplicate registrations and provisions to ensure that eligible
21 voters are not removed in error. For the purpose of maintaining compliance
22 with the help America vote act of 2002, each county voter registration
23 system is subject to approval by the secretary of state for compatibility
24 with the statewide voter registration database system.

25 K. Except as provided in subsection L of this section, for requests
26 for the use of registration forms and access to information as provided in
27 subsections E and F of this section, the county recorder shall receive and
28 respond to requests regarding federal, state and county elections.

29 L. Beginning January 1, 2008, recognized political parties shall
30 request precinct lists and access to information as provided in subsections
31 E and F of this section during the time periods prescribed in subsection C
32 or D of this section and the county recorder shall receive and respond to
33 those requests. If the county recorder does not provide the requested

1 materials within the applicable time prescribed for the county recorder
2 pursuant to subsection C or D of this section, a recognized political party
3 may request that the secretary of state provide precinct lists and access
4 to information as provided in subsections E and F of this section for
5 federal, state and county elections. The secretary of state shall not
6 provide access to precinct lists and information for recognized political
7 parties unless the county recorder has failed or refused to provide the
8 lists and materials as prescribed by this section. The secretary of state
9 may charge the county recorder a fee determined by rule for each name or
10 record produced.

11 M. For municipal registration information in those municipalities in
12 which the county administers the municipal elections, county and state
13 party chairmen shall request and obtain voter registration information and
14 precinct lists from the city or town clerk during the time periods
15 prescribed in subsection C or D of this section. If the city or town clerk
16 does not provide that information within the same time prescribed for
17 county recorders pursuant to subsection C or D of this section, the county
18 or state party chairman may request and obtain the information from the
19 county recorder. The county recorder shall provide the municipal voter
20 registration and precinct lists within the time prescribed in subsection C
21 or D of this section.

22 N. The county recorders and the secretary of state shall not
23 prohibit any person or entity prescribed in subsection C of this section
24 from distributing a precinct list to any person or entity that is deemed to
25 be using the precinct list in a lawful manner as prescribed in subsections
26 E and F of this section.

27 Sec. 2. Section 16-245, Arizona Revised Statutes, is amended to
28 read:

29 **16-245. Form and content of ballot**

30 A. Ballots and ballot labels for the presidential preference
31 election shall be printed on different colored paper or white paper with a
32 different colored stripe for each party represented on the presidential
33 preference election ballot. Only one party may be represented on each

1 ballot. At the top shall be printed "official ballot of the _____
2 party, presidential preference election (date), county of _____, state of
3 Arizona".

4 B. The order of the names of certified candidates on the ballot
5 shall be determined by lots drawn at a public meeting called by the
6 secretary of state for that purpose. Rotation of candidate names is
7 prohibited. The certified candidates shall be listed under the title
8 "_____ party candidates for president of the United
9 States". Immediately below shall be printed "vote for not more than
10 one". The ballot may also contain printed instructions to voters as
11 prescribed for other elections.

12 C. The officer in charge of elections shall provide a sample ballot
13 proof to the state committee chairman of each qualified candidate's state
14 committee no later than five days after receipt of the certification from
15 the secretary of state.

16 D. The officer in charge of elections shall mail one sample ballot
17 of each party represented on the presidential preference election ballot to
18 each household that contains a registered voter of that political party
19 unless that registered voter is on the ~~permanent~~ early voting list
20 established pursuant to section 16-544. The return address on the sample
21 ballot mailer shall not contain the name of any elected or appointed
22 official, and the name of an appointed or elected official shall not be
23 used to indicate who produced the sample ballot.

24 E. The mailing face of each sample ballot shall be imprinted with
25 the great seal of the state of Arizona with the words "official voting
26 materials--presidential preference election". The polling place for that
27 household may also be designated on the mailing face of the sample ballot.

28 Sec. 3. Section 16-411, Arizona Revised Statutes, is amended to
29 read:

30 16-411. Designation of election precincts and polling places;
31 voting centers; electioneering; wait times

32 A. The board of supervisors of each county, on or before October 1
33 of each year preceding the year of a general election, by an order, shall

1 establish a convenient number of election precincts in the county and
2 define the boundaries of the precincts. The election precinct boundaries
3 shall be so established as included within election districts prescribed by
4 law for elected officers of the state and its political subdivisions
5 including community college district precincts, except those elected
6 officers provided for in titles 30 and 48.

7 B. Not less than twenty days before a general or primary election,
8 and at least ten days before a special election, the board shall designate
9 one polling place within each precinct where the election shall be held,
10 except that:

11 1. On a specific finding of the board, included in the order or
12 resolution designating polling places pursuant to this subsection, that no
13 suitable polling place is available within a precinct, a polling place for
14 that precinct may be designated within an adjacent precinct.

15 2. Adjacent precincts may be combined if boundaries so established
16 are included in election districts prescribed by law for state elected
17 officials and political subdivisions including community college districts
18 but not including elected officials prescribed by titles 30 and 48. The
19 officer in charge of elections may also split a precinct for administrative
20 purposes. The polling places shall be listed in separate sections of the
21 order or resolution.

22 3. On a specific finding of the board that the number of persons who
23 are listed as ~~permanent~~ early voters pursuant to section 16-544 is likely
24 to substantially reduce the number of voters appearing at one or more
25 specific polling places at that election, adjacent precincts may be
26 consolidated by combining polling places and precinct boards for that
27 election. The board of supervisors shall ensure that a reasonable and
28 adequate number of polling places will be designated for that election.
29 Any consolidated polling places shall be listed in separate sections of the
30 order or resolution of the board.

31 4. On a specific resolution of the board, the board may authorize
32 the use of voting centers in place of or in addition to specifically
33 designated polling places. A voting center shall allow any voter in that

1 county to receive the appropriate ballot for that voter on election day
2 after presenting identification as prescribed in section 16-579 and to
3 lawfully cast the ballot. Voting centers may be established in
4 coordination and consultation with the county recorder, at other county
5 offices or at other locations in the county deemed appropriate.

6 5. On a specific resolution of the board of supervisors that is
7 limited to a specific election date and that is voted on by a recorded
8 vote, the board may authorize the county recorder or other officer in
9 charge of elections to use emergency voting centers as follows:

10 (a) The board shall specify in the resolution the location and the
11 hours of operation of the emergency voting centers.

12 (b) A qualified elector voting at an emergency voting center shall
13 provide identification as prescribed in section 16-579, except that
14 notwithstanding section 16-579, subsection A, paragraph 2, for any voting
15 at an emergency voting center, the county recorder or other officer in
16 charge of elections may allow a qualified elector to update the elector's
17 voter registration information as provided for in the secretary of state's
18 instructions and procedures manual adopted pursuant to section 16-452.

19 (c) If an emergency voting center established pursuant to this
20 section becomes unavailable and there is not sufficient time for the board
21 of supervisors to convene to approve an alternate location for that
22 emergency voting center, the county recorder or other officer in charge of
23 elections may make changes to the approved emergency voting center location
24 and shall notify the public and the board of supervisors regarding that
25 change as soon as practicable. The alternate emergency voting center shall
26 be as close in proximity to the approved emergency voting center location
27 as possible.

28 C. If the board fails to designate the place for holding the
29 election, or if it cannot be held at or about the place designated, the
30 justice of the peace in the precinct, two days before the election, by an
31 order, copies of which the justice of the peace shall immediately post in
32 three public places in the precinct, shall designate the place within the
33 precinct for holding the election. If there is no justice of the peace in

1 the precinct, or if the justice of the peace fails to do so, the election
2 board of the precinct shall designate and give notice of the place within
3 the precinct of holding the election. For any election in which there are
4 no candidates for elected office appearing on the ballot, the board may
5 consolidate polling places and precinct boards and may consolidate the
6 tabulation of results for that election if all of the following apply:

7 1. All affected voters are notified by mail of the change at least
8 thirty-three days before the election.

9 2. Notice of the change in polling places includes notice of the new
10 voting location, notice of the hours for voting on election day and notice
11 of the telephone number to call for voter assistance.

12 3. All affected voters receive information on early voting that
13 includes the application used to request an early voting ballot.

14 D. The board is not required to designate a polling place for
15 special district mail ballot elections held pursuant to article 8.1 of this
16 chapter, but the board may designate one or more sites for voters to
17 deposit marked ballots until 7:00 p.m. on the day of the election.

18 E. Except as provided in subsection F of this section, a public
19 school shall provide sufficient space for use as a polling place for any
20 city, county or state election when requested by the officer in charge of
21 elections.

22 F. The principal of the school may deny a request to provide space
23 for use as a polling place for any city, county or state election if,
24 within two weeks after a request has been made, the principal provides a
25 written statement indicating a reason the election cannot be held in the
26 school, including any of the following:

27 1. Space is not available at the school.

28 2. The safety or welfare of the children would be jeopardized.

29 G. The board shall make available to the public as a public record a
30 list of the polling places for all precincts in which the election is to be
31 held.

32 H. Except in the case of an emergency, any facility that is used as
33 a polling place on election day or that is used as an early voting site

1 during the period of early voting shall allow persons to electioneer and
2 engage in other political activity outside of the seventy-five foot limit
3 prescribed by section 16-515 in public areas and parking lots used by
4 voters. This subsection shall not be construed to permit the temporary or
5 permanent construction of structures in public areas and parking lots or
6 the blocking or other impairment of access to parking spaces for voters.
7 The county recorder or other officer in charge of elections shall post on
8 its website at least two weeks before election day a list of those polling
9 places in which emergency conditions prevent electioneering and shall
10 specify the reason the emergency designation was granted and the number of
11 attempts that were made to find a polling place before granting an
12 emergency designation. If the polling place is not on the website list of
13 polling places with emergency designations, electioneering and other
14 political activity shall be permitted outside of the seventy-five foot
15 limit. If an emergency arises after the county recorder or other officer
16 in charge of elections' initial website posting, the county recorder or
17 other officer in charge of elections shall update the website as soon as is
18 practicable to include any new polling places, shall highlight the polling
19 place location on the website and shall specify the reason the emergency
20 designation was granted and the number of attempts that were made to find a
21 polling place before granting an emergency designation.

22 I. For the purposes of this section, a county recorder or other
23 officer in charge of elections shall designate a polling place as an
24 emergency polling place and thus prohibit persons from electioneering and
25 engaging in other political activity outside of the seventy-five foot limit
26 prescribed by section 16-515 but inside the property of the facility that
27 is hosting the polling place if any of the following occurs:

- 28 1. An act of God renders a previously set polling place as unusable.
- 29 2. A county recorder or other officer in charge of elections has
30 exhausted all options and there are no suitable facilities in a precinct
31 that are willing to be a polling place unless a facility can be given an
32 emergency designation.

J. The secretary of state shall provide through the instructions and procedures manual adopted pursuant to section 16-452 the maximum allowable wait time for any election that is subject to section 16-204 and provide for a method to reduce voter wait time at the polls in the primary and general elections. The method shall consider at least all of the following for primary and general elections in each precinct:

1. The number of ballots voted in the prior primary and general elections.

2. The number of registered voters who voted early in the prior primary and general elections.

3. The number of registered voters and the number of registered voters who cast an early ballot for the current primary or general election.

4. The number of election board members and clerks and the number of rosters that will reduce voter wait time at the polls.

Sec. 4. Section 16-461, Arizona Revised Statutes, is amended to read:

16-461. Sample primary election ballots; submission to party
chairmen for examination; preparation, printing and
distribution of ballot

A. At least forty-five days before a primary election, the officer in charge of that election shall:

1. Prepare a proof of a sample ballot.

2. Submit the sample ballot proof of each party to the county chairman or in city or town primaries to the city or town chairman.

3. Mail a sample ballot proof to each candidate for whom a nomination paper and petitions have been filed.

B. Within five days after receipt of the sample ballot, the county chairman of each political party shall suggest to the election officer any change the chairman considers should be made in the chairman's party ballot, and if upon examination the election officer finds an error or omission in the ballot the officer shall correct it. The election officer shall cause the sample ballots to be printed and distributed as required by

1 law, shall maintain a copy of each sample ballot and shall post a notice
2 indicating that sample ballots are available on request. The official
3 sample ballot shall be printed on colored paper or white paper with a
4 different colored stripe for each party that is represented on that
5 ballot. For voters who are not registered with a party that is entitled to
6 continued representation on the ballot pursuant to section 16-804, the
7 election officer may print and distribute the required sample ballots in an
8 alternative format, including a reduced size format.

9 C. Not later than forty days before a primary election, the county
10 chairman of a political party may request one sample primary election
11 ballot of the chairman's party for each election precinct.

12 D. The board of supervisors shall have printed mailer-type sample
13 ballots for a primary election and shall mail at least eleven days before
14 the election one sample ballot of a political party to each household
15 containing a registered voter of that political party unless that
16 registered voter is on the ~~permanent~~ early voting list established pursuant
17 to section 16-544. Each sample ballot shall contain the following
18 statement: "This is a sample ballot and cannot be used as an official
19 ballot under any circumstances". A certified claim shall be presented to
20 the secretary of state by the board of supervisors for the actual cost of
21 printing, labeling and postage of each sample ballot actually mailed, and
22 the secretary of state shall direct payment of the authenticated claim from
23 funds of the secretary of state's office.

24 E. For city and town elections, the governing body of a city or town
25 may have printed mailer-type sample ballots for a primary election. If the
26 city or town has printed such sample ballots, the city or town shall
27 provide for the distribution of such ballots and shall bear the expense of
28 printing and distribution of such sample ballots.

29 F. The return address on the mailer-type sample ballots shall not
30 contain the name of an appointed or elected public officer nor may the name
31 of an appointed or elected public officer be used to indicate who produced
32 the sample ballot.

1 G. The great seal of the state of Arizona shall be imprinted along
2 with the words "official voting materials" on the mailing face of each
3 sample ballot. In county, city or town elections the seal of such
4 jurisdiction shall be substituted for the state seal.

5 Sec. 5. Section 16-510, Arizona Revised Statutes, is amended to
6 read:

7 16-510. Sample ballots; preparation and distribution

8 A. Before printing the sample ballots for the general election the
9 board of supervisors shall send to each candidate whose name did not appear
10 on the preceding primary election ballot a ballot proof of the sample
11 ballot for the candidate's review.

12 B. The board of supervisors shall print and distribute, for the
13 information of voters at each polling place, a number of sample ballots as
14 it deems necessary.

15 C. The board of supervisors shall have printed mailer-type sample
16 ballots for a general election and shall mail at least eleven days before
17 the election one such sample ballot to each household in the county
18 containing a registered voter unless that registered voter is on the
19 ~~permanent~~ early voting list established pursuant to section 16-544. Each
20 sample ballot shall contain the following statement: "This is a sample
21 ballot and cannot be used as an official ballot under any
22 circumstances". A certified claim shall be presented to the secretary of
23 state by the board of supervisors for the actual cost of printing, labeling
24 and postage of each such sample ballot actually mailed, and the secretary
25 of state shall direct payment of such authenticated claim from funds of his
26 office.

27 D. For city and town elections, the governing body of a city or town
28 may have printed mailer-type sample ballots for a general election. If the
29 city or town has printed such sample ballots, the city or town shall
30 provide for the distribution of such ballots and shall bear the expense of
31 printing and distributing such sample ballots.

32 E. For special district elections, the governing body of a special
33 district may have printed mailer-type sample ballots. If the special
