AN ACT

AMENDING SECTION 15-1231, ARIZONA REVISED STATUTES; RELATING TO SCHOOL DISTRICT FUNDS.

(TEXT OF BILL BEGINS ON NEXT PAGE)
Be it enacted by the Legislature of the State of Arizona:

Section 1. Heading change

The article heading of title 15, chapter 10, article 9, Arizona Revised Statutes, is changed from "CAREER AND TECHNICAL EDUCATION AND VOCATIONAL EDUCATION PROJECTS FUND" to "CAREER AND TECHNICAL EDUCATION PROJECTS FUND".

Sec. 2. Section 15-1231, Arizona Revised Statutes, is amended to read:

15-1231. Career and technical education projects fund; use of monies; requirements

A. The governing board of a school district may establish a permanent career and technical education and vocational education projects fund in an amount of not to exceed one hundred thousand dollars. The fund shall consist of proceeds from the sale of items produced or services provided by career and technical education and vocational education programs. Monies in the fund may be used for any of the following purposes:

1. Purchase of materials for use by career and technical education pupils in an instructional program that produces a product or provides a service that may be sold by the school district.

2. Purchase of equipment, not to exceed five thousand dollars in any one fiscal year, for use by career and technical education pupils in an instructional program which produces a product or provides a service that may be sold by the school district.

3. Paying expenses directly related to the planning and design of career and technical education programs or services.

4. Paying expenses related to an approved department of education career and technical student organization, including costs associated with events, conferences or competitions.

B. Monies in the career and technical education projects fund may not be used to pay salaries, wages or employee fringe benefits.

C. All purchases made from the career and technical education projects fund must comply with chapter 2, article 1 of this title, including all provisions relating to procurement practices.

D. The career and technical education projects fund of a school district is a continuing fund, and monies in the career and technical education projects fund are not subject to reversion, except that all monies in the career and technical education projects fund in excess of one hundred thousand dollars that exceed $100,000 at the end of the fiscal year shall revert to the school plant maintenance and operation fund.
