

**ARIZONA STATE SENATE**  
*Fifty-Fifth Legislature, First Regular Session*

FACT SHEET FOR S.B. 1254

website; adoption information; task force

Purpose

Beginning February 1, 2022, directs the Department of Health Services (DHS) to include outlined information regarding adoption on the DHS website. Establishes the Adoption Promotion Task Force (Task Force) and prescribes Task Force membership and duties.

Background

DHS provides and coordinates public health services and programs for Arizona. Responsibilities of DHS include: 1) protecting and improving public health; 2) implementing prevention and control programs for diseases and disabilities; 3) licensing and regulating health care institutions, child care facilities and various health care providers; 4) providing personnel and administrative services such as budgeting, information systems and facilities management for DHS; 5) administering radiation control programs; 6) operating the Arizona State Hospital; 7) overseeing the State Laboratory; 8) administering a statewide system of emergency medical services, trauma care and a trauma registry; 9) collecting and maintaining vital records, including birth and death certificates; and 10) publishing public health statistics on a variety of public health measures and trends (A.R.S. §§ [36-104](#) and [36-132](#)).

There is no anticipated fiscal impact to the state General Fund associated with this legislation.

Provisions

1. Requires DHS, beginning February 1, 2022, to include the following information, in both English and Spanish, on the DHS website home page:
  - a) a list of agencies and services available to assist a woman through pregnancy, on childbirth and while her child is dependent; and
  - b) each agency's services, physical address, telephone number and website address.
2. Requires DHS, beginning February 1, 2022, to include the following information and separate links that are accessible from [adoptionoption.az.gov](http://adoptionoption.az.gov), in both English and Spanish, on the DHS website home page:
  - a) public and nonprofit adoption agencies that are not affiliated with an abortion provider and that are arranged geographically;
  - b) easily comprehensible first steps to assist pregnant women seeking to confidentially explore adoption placement options;
  - c) whether an adoption agency allows the woman to select the adoptive parents; and
  - d) agencies that offer free obstetric ultrasounds and confidential counseling to women considering adoption placement.
