

**ARIZONA STATE SENATE**  
*Fifty-Fifth Legislature, First Regular Session*

FACT SHEET FOR H.B. 2567

peace officers; investigator membership requirements

Purpose

Requires at least two-thirds of the membership of specified entities that investigate law enforcement officer (officer) misconduct to be Arizona Peace Officer Standards and Training (AZPOST) Board-certified officers.

Background

The AZPOST Board consists of 13 members appointed by the Governor ([A.R.S. § 41-1821](#)). The AZPOST Board is statutorily charged with prescribing minimum qualifications for officers. Further, the AZPOST Board establishes minimum courses of training and minimum standards for training facilities for officers ([A.R.S. § 41-1822](#)). Statute defines *law enforcement officer* as: 1) an individual, other than a probationary employee, who is certified by the AZPOST Board, other than a person employed by a multi-county water conservation district; 2) a detention or corrections officer, other than a probationary employee or juvenile detention officer, who is employed by Arizona or a political subdivision of Arizona; 3) a non-probationary regularly appointed and paid deputy sheriff of a county; or 4) a non-probationary regularly employed police officer in a city or town ([A.R.S. § 38-1101](#)).

There is no anticipated fiscal impact to the state General Fund associated with this legislation.

Provisions

1. Requires at least two-thirds of the voting membership of any government committee, board or entity to be AZPOST-Board-certified officers who are from the same department or agency as the officer who is the subject of an investigation or disciplinary action if the committee, board or entity:
  - a) investigates officer misconduct;
  - b) influences the conduct of, or certificates, officer misconduct investigations; or
  - c) recommends disciplinary actions for officer misconduct.
2. Prohibits, if the committee, board or entity consists of non-voting members, more than one-third of the members be non-voting members.
3. Allows, if a committee, board or entity does not meet the statutory requirements, a supervisor, department or agency head that supervises an officer to investigate and impose discipline for an officer's misconduct if the supervisor, department or agency head acts independently of the committee, board or entity.
