

**ARIZONA STATE SENATE**  
*Fifty-Fifth Legislature, First Regular Session*

**AMENDED**  
FACT SHEET FOR S.C.R. 1003

executive orders; emergencies; reauthorization; termination

Purpose

Subject to voter approval, constitutionally terminates a state of emergency proclaimed by the Governor after 30 days, unless extended by Concurrent Resolution of the Legislature. Requires the Governor to call a special session of the Legislature within 10 days of proclaiming a state of emergency.

Background

The Governor may declare a state of emergency if the Governor finds conditions of disaster or extreme peril to the safety of persons or property within the state caused by air pollution, fire, flood, epidemic, riot, earthquake or other causes that are likely to be beyond the control of any single county or municipality ([A.R.S. § 26-301](#)). During a state of emergency, the Governor has complete authority over all agencies of the state government and the right to exercise all police power vested in the state by the Constitution. Additionally, the Governor may direct all agencies to utilize and employ personnel, equipment and facilities for the performance of activities designed to prevent or alleviate actual or threatened damage due to the emergency. The Governor's state of emergency powers end when the state of emergency proclamation has been terminated by proclamation of the Governor or Concurrent Resolution of the Legislature ([A.R.S. § 26-303](#)).

There is no anticipated fiscal impact to the state General Fund associated with this legislation.
