36           1. The actuarial accrued liability shall equal the sum of the plan

40 actuarial valuation performed immediately preceding the nonparticipating

23 associated with the fund. These expenses shall be paid directly by the  
24 nonparticipating employer or included in the employer's liability for the  
25 purposes of determining the employer's contribution rate.

26                  **F.** After establishing the nonparticipating employer's separate

4 used to determine the contribution requirements for the nonparticipating  
5 employer under subsection ~~F~~ E of this section. Notwithstanding section  
6 38-737, the contribution for the nonparticipating employer may not be  
7 determined as a percentage of compensation due to the anticipated decline  
8 of compensation for employees of the nonparticipating employer  
9 participating in ASRS. The nonparticipating employer shall certify on  
10 each payroll the amount to be contributed and shall remit that amount to  
11 ASRS at a rate that is consistent with the rate paid by the participating  
12 employers. Each fiscal year, amounts that are not remitted through  
13 payroll contributions pursuant to this section shall be invoiced to the  
14 employer and shall be paid within the same fiscal year the

18 ~~I.~~ H. For the purposes of calculating an employer's liability  
19 under this section, members who are active, inactive, retired or on

24 section is not eligible to participate in ASRS after the employer's  
25 nonparticipation date.~~
