C. The county recorder or other officer in charge of elections may establish on-site early voting locations at the office of the county recorder or at other locations in the county deemed necessary or appropriate by the recorder. Signed statements received pursuant to this subsection are not subject to inspection pursuant to title 39, chapter 1, article 2.

Sec. 4.  Section 16-411, Arizona Revised Statutes, is amended to read:

16-411.  Designation of election precincts and polling places; voting centers; electioneering; wait times

A. The board of supervisors of each county, on or before October 1 of each year preceding the year of a general election, by an order, shall establish a convenient number of election precincts in the county and define the boundaries of the precincts. The election precinct boundaries shall be established so as to be included within election districts prescribed by law for elected officers of the state and its political subdivisions including community college district precincts, except those elected officers provided for in titles 30 and 48. THE BOARD OF SUPERVISORS AND ANY OFFICER IN CHARGE OF ELECTIONS SHALL NOT AUTHORIZE, ESTABLISH OR USE A VOTING CENTER AT WHICH A VOTER WHO IS A REGISTERED VOTER AND RESIDENT ANYWHERE IN THAT COUNTY IS ALLOWED TO RECEIVE THE APPROPRIATE BALLOT FOR THAT SPECIFIC VOTER AND MAY ONLY USE POLLING PLACES LOCATED IN ELECTION DISTRICTS.

B. At least twenty days before a general or primary election, and at least ten days before a special election, the board shall designate one polling place within each precinct where the election shall be held, except that:

1. On a specific finding of the board, included in the order or resolution designating polling places pursuant to this subsection, that no suitable polling place is available within a precinct, a polling place for that precinct may be designated within an adjacent precinct.

2. Adjacent precincts may be combined if boundaries so established are included in election districts prescribed by law for state elected officials and political subdivisions including community college districts but not including elected officials prescribed by titles 30 and 48. The officer in charge of elections may also split a precinct for administrative purposes. The polling places shall be listed in separate sections of the order or resolution.

3. On a specific finding of the board that the number of persons who are listed as early voters pursuant to section 16-544 is likely to substantially reduce the number of voters appearing at one or more specific polling places at that election, adjacent precincts may be consolidated by combining polling places and precinct boards for that election. The board of supervisors shall ensure that a reasonable and adequate number of polling places will be designated for that election. Any consolidated polling places shall be listed in separate sections of the order or resolution of the board.

4. On a specific resolution of the board, the board may authorize the use of voting centers in place of or in addition to specifically designated polling places. A voting center shall allow any voter in that county to receive the appropriate ballot for that voter on election day.
after presenting identification as prescribed in section 16-579 and to lawfully cast the ballot. Voting centers may be established in coordination and consultation with the county recorder, at other county offices or at other locations in the county deemed appropriate.

5. On a specific resolution of the board of supervisors that is limited to a specific election date and that is voted on by a recorded vote, the board may authorize the county recorder or other officer in charge of elections to use emergency voting centers as follows:

(a) The board shall specify in the resolution the location and the hours of operation of the emergency voting centers.

(b) A qualified elector voting at an emergency voting center shall provide identification as prescribed in section 16-579, except that notwithstanding section 16-579, subsection A, paragraph 2, for any voting at an emergency voting center, the county recorder or other officer in charge of elections may allow a qualified elector to update the elector’s voter registration information as provided for in the secretary of state’s instructions and procedures manual adopted pursuant to section 16-452.

(c) If an emergency voting center established pursuant to this section becomes unavailable and there is not sufficient time for the board of supervisors to convene to approve an alternate location for that emergency voting center, the county recorder or other officer in charge of elections may make changes to the approved emergency voting center location and shall notify the public and the board of supervisors regarding that change as soon as practicable. The alternate emergency voting center shall be as close in proximity to the approved emergency voting center location as possible.

C. If the board fails to designate the place for holding the election, or if it cannot be held at or about the place designated, the justice of the peace in the precinct, two days before the election, by an order, copies of which the justice of the peace shall immediately post in three public places in the precinct, shall designate the place within the precinct for holding the election. If there is no justice of the peace in the precinct, or if the justice of the peace fails to do so, the election board of the precinct shall designate and give notice of the place within the precinct of holding the election. For any election in which there are no candidates for elected office appearing on the ballot, the board may consolidate polling places and precinct boards and may consolidate the tabulation of results for that election if all of the following apply:

1. All affected voters are notified by mail of the change at least thirty-three days before the election.

2. Notice of the change in polling places includes notice of the new voting location, notice of the hours for voting on election day and notice of the telephone number to call for voter assistance.
3. All affected voters receive information on ELIGIBILITY FOR early voting that includes the application used to request an early voting ballot.

D. The board is not required to designate a polling place for special district mail ballot elections held pursuant to article 8.1 of this chapter, but the board may designate one or more sites for voters to deposit marked ballots until 7:00 p.m. on the day of the election.

E. Except as provided in subsection F of this section, a public school shall provide sufficient space for use as a polling place for any city, county or state election when requested by the officer in charge of elections.

F. The principal of the school may deny a request to provide space for use as a polling place for any city, county or state election if, within two weeks after a request has been made, the principal provides a written statement indicating a reason the election cannot be held in the school, including any of the following:
   1. Space is not available at the school.
   2. The safety or welfare of the children would be jeopardized.

G. The board shall make available to the public as a public record a list of the polling places for all precincts in which the election is to be held.

H. Except in the case of an emergency, any facility that is used as a polling place on election day or that is used as an early voting site during the period of early voting shall allow persons to electioneer and engage in other political activity outside of the seventy-five foot limit prescribed by section 16-515 in public areas and parking lots used by voters. This subsection does not allow the temporary or permanent construction of structures in public areas and parking lots or the blocking or other impairment of access to parking spaces for voters. The county recorder or other officer in charge of elections shall post on its website at least two weeks before election day a list of those polling places in which emergency conditions prevent electioneering and shall specify the reason the emergency designation was granted and the number of attempts that were made to find a polling place before granting an emergency designation. If the polling place is not on the website list of polling places with emergency designations, electioneering and other political activity shall be allowed outside of the seventy-five foot limit. If an emergency arises after the county recorder or other officer in charge of elections' initial website posting, the county recorder or other officer in charge of elections shall update the website as soon as is practicable to include any new polling places, shall highlight the polling place location on the website and shall specify the reason the emergency designation was granted and the number of attempts that were made to find a polling place before granting an emergency designation.
I. For the purposes of this section, a county recorder or other officer in charge of elections shall designate a polling place as an emergency polling place and thus prohibit persons from electioneering and engaging in other political activity outside of the seventy-five foot limit prescribed by section 16-515 but inside the property of the facility that is hosting the polling place if any of the following occurs:

1. An act of God renders a previously set polling place as unusable.

2. A county recorder or other officer in charge of elections has exhausted all options and there are no suitable facilities in a precinct that are willing to be a polling place unless a facility can be given an emergency designation.

J. The secretary of state shall provide through the instructions and procedures manual adopted pursuant to section 16-452 the maximum allowable wait time for any election that is subject to section 16-204 and provide for a method to reduce voter wait time at the polls in the primary and general elections. The method shall consider at least all of the following for primary and general elections in each precinct:

1. The number of ballots voted in the prior primary and general elections.

2. The number of registered voters who voted early in the prior primary and general elections.

3. The number of registered voters and the number of registered voters who cast an early ballot for the current primary or general election.

4. The number of election board members and clerks and the number of rosters that will reduce voter wait time at the polls.

Sec. 5. Section 16-461, Arizona Revised Statutes, is amended to read:

16-461. Sample primary election ballots; submission to party chairman for examination; preparation, printing and distribution of ballot

A. At least forty-five days before a primary election, the officer in charge of that election shall:

1. Prepare a proof of a sample ballot.

2. Submit the sample ballot proof of each party to the county chairman or in city or town primaries to the city or town chairman.

3. Mail a sample ballot proof to each candidate for whom a nomination paper and petitions have been filed.

The election officer shall cause PRINT AND DISTRIBUTE the sample ballots to be printed and
distributed as required by law, shall maintain a copy of each sample
ballot and shall post a notice indicating that sample ballots are
available on request. The official sample ballot shall be printed on

party that is represented on that ballot. For voters who are not
registered with a party that is entitled to continued representation on
the ballot pursuant to section 16-804, the election officer may print and
distribute the required sample ballots in an alternative format, including
a reduced size format.

C. Not later than forty days before a primary election, the county
chairman of a political party may request one sample primary election
ballot of the chairman's party for each election precinct.

D. The board of supervisors shall have printed mailer-type sample
ballots for a primary election and shall mail at least eleven days before
the election one sample ballot of a political party to each household
containing a registered voter of that political party unless that
registered voter is on the active early voting list established pursuant
to section 16-544. Each sample ballot shall contain the following
statement: "This is a sample ballot and cannot be used as an official
ballot under any circumstances". A certified claim shall be presented to
the secretary of state by the board of supervisors for the actual cost of
printing, labeling and postage of each sample ballot actually mailed, and
the secretary of state shall direct payment of the authenticated claim
from funds of the secretary of state's office.

E. For city and town elections, the governing body of a city or
town may have printed mailer-type sample ballots for a primary election.
If the city or town has printed such sample ballots, the city or town
shall provide for the distribution of such ballots and shall bear the
expense of printing and distributing of such sample ballots.

F. The return address on the mailer-type sample ballots shall not
contain the name of an appointed or elected public officer nor may the
name of an appointed or elected public officer be used to indicate who
produced the sample ballot.

G. The great seal of the state of Arizona shall be imprinted along
with the words "official voting materials" on the mailing face of each
sample ballot. In county, city or town elections the seal of such
jurisdiction shall be substituted for the state seal.

read:

16-510. Sample ballots; preparation and distribution

A. Before printing the sample ballots for the general election the
board of supervisors shall send to each candidate whose name did not
appear on the preceding primary election ballot a ballot proof of the
sample ballot for the candidate's review.
B. The board of supervisors shall print and distribute, for the information of voters at each polling place, a number of sample ballots as it deems necessary.

C. The board of supervisors shall have printed mailer-type sample ballots for a general election and shall mail at least eleven days before the election one such sample ballot to each household in the county containing a registered voter unless that registered voter is on the active early voting list established pursuant to section 16-544. Each sample ballot shall contain the following statement: “This is a sample ballot and cannot be used as an official ballot under any circumstances”. A certified claim shall be presented to the secretary of state by the board of supervisors for the actual cost of printing, labeling and postage of each sample ballot actually mailed, and the secretary of state shall direct payment of the authenticated claim from funds of the secretary of state’s office.

D. For city and town elections, the governing body of a city or town may have printed mailer-type sample ballots for a general election. Voters having cast their ballots shall promptly move outside the seventy-five foot limit.

No person shall be allowed to remain inside these limits while the polls are open, except for the purpose of voting, and except the election officials, one representative at any one
time of each political party represented on the ballot who has
been appointed by the county chairman of such political party,
and the challengers allowed by law. Voters having cast their
ballots shall at once retire without the seventy-five foot
limit. A person violating any provision of this notice is
guilty of a class 2 misdemeanor.

C. A minor voting in a simulated election at a polling place is
subject to the same seventy-five foot limit restrictions prescribed for a
voter. Persons supervising or working in a simulated election in which
minors vote may remain within the seventy-five foot limit of the polling
place. The inspector for the polling place shall exercise authority over
all election and simulated election related activities at the polling
place.

D. For an election that is held by an Indian tribe and that is held
at a polling place at the same time and on the same date as any other
election, the following apply:

1. A person who is voting is subject to the same seventy-five foot
limit restrictions prescribed for other voters.

2. An election official for the tribal election may remain within
the seventy-five foot limit for the polling place.

E. With the permission of the voter, a minor may enter and remain
within the seventy-five foot limit in order to accompany a voter into a
polling place, an on-site early voting facility and a voting booth while
the voter is voting.

F. Notwithstanding any other law, an election official, a
representative of a political party who has been appointed by the county
chairman of that political party or a challenger who is authorized by law
to be within the seventy-five foot limit as prescribed by this section

photographs or videos while within the seventy-five foot limit.

H. Any person violating this section is guilty of a class 2
misdemeanor.

I. For the purposes of this section, electioneering occurs when an
individual knowingly, intentionally, by verbal expression and in order to
induce or compel another person to vote in a particular manner or to
refrain from voting expresses support for or opposition to a candidate who
appears on the ballot in that election, a ballot question that appears on
the ballot in that election or a political party with one or more
candidates who appear on the ballot in that election.
Sec. 8. Section 16-531, Arizona Revised Statutes, is amended to read:

16-531. Appointment of election boards; qualifications
A. When an election is ordered, and not less than twenty days before a general or primary election, the board of supervisors shall appoint for each election precinct, voting center or other voting location one inspector, one marshal, two judges and as many clerks of election as deemed necessary. The inspector, marshal, judges and clerks shall be qualified voters of the precinct for which appointed, except if there is not a sufficient number of persons available to provide the number of appointments required, the inspector, marshal, judges and clerks shall be qualified voters of this state. The inspector, marshal and judges shall not have changed their political party affiliation or their no party preference affiliation since the last preceding general election, and if they are members of the two political parties that cast the highest number of votes in the state at the last preceding general election, they shall be divided equally between these two parties. There shall be an equal number of inspectors in the various precincts in the county who are members of the two largest political parties. In each precinct where the inspector is a member of one of the two largest political parties, the marshal in that precinct shall be a member of the other of the two largest political parties. Whenever possible, any person appointed as an inspector shall have had previous experience as an inspector, judge, marshal or clerk of elections. If there is no qualified person in a given precinct, the appointment of an inspector may be made from names provided by the county party chairman. If not less than ninety days before the election the chairman of the county committee of either of the parties designates qualified voters of the precinct, or of another precinct if there are not sufficient members of that party available in the precinct to provide the necessary representation on the election board as judge, such designated qualified voters shall be appointed. The judges, together with the inspector, shall constitute the board of elections. Any registered voter in the election precinct, or in another election precinct if there are not sufficient persons available in the election precinct for which the clerks are being appointed, may be appointed as clerk.

B. If the election precinct consists of fewer than three hundred qualified electors, the board of supervisors may appoint not fewer than one inspector and two judges. The board of supervisors shall give notice of election precincts consisting of fewer than three hundred qualified electors to the county chairmen of the two largest political parties not later than thirty days before the election. The inspector and judges shall be appointed in the same manner by party as provided in subsection A of this section.

C. If a nonpartisan election is ordered, not less than twenty days before the election the governing board holding the election shall
appoint, without consideration for political party, a minimum of at least three election workers for each polling place. The election workers shall consist of at least one inspector and two judges. Whenever possible, they shall be qualified electors of the precinct located within the district, without consideration for political party.

D. For election boards established pursuant to subsection B of this section, the inspector and two judges shall be appointed to provide as equal as practicable representation of members of the two largest political parties on the board in the same manner as provided for the election boards prescribed by subsection A of this section. Any registered voter in the election precinct, or in another election precinct if there are not sufficient persons available in the election precinct for which the clerks are being appointed, may be appointed as clerk. No United States, state, county or precinct officer, nor a candidate for office at the election, other than a precinct committeeman or a candidate for the office of precinct committeeman, is qualified to act as judge, inspector, marshal or clerk.

E. If an electronic voting system is in use the write-in ballots shall be tallied by a board of elections consisting of one inspector and two judges who are appointed in the same manner by party as provided in subsection A of this section.

F. Notwithstanding any other law, the board of supervisors may appoint to an election board to serve as a clerk of election a person who is not eligible to vote if all of the following conditions are met:

1. The person is a minor who will be at least sixteen years of age at the time of the election for which the person is named to the election board.

H. A school district or charter school shall not count any pupil's absence from one or more instructional programs as a result of the pupil's service on an election board pursuant to subsection F of this section against any mandatory attendance requirements for the pupil.
I. This section does not prevent the board of supervisors or governing body from refusing for cause to reappoint, or from removing for cause, an election board member.

Sec. 9. Section 16-541, Arizona Revised Statutes, is amended to read:

16-541. Early voting; elector eligibility
A. Any election called pursuant to the laws of this state shall provide for early voting. Any qualified elector WHO MEETS THE CRITERIA ESTABLISHED BY THIS SECTION may vote by early ballot.

For any partisan primary election, if the elector is not registered as a member of a political party that is entitled to continued representation on the ballot pursuant to section 16-804, the elector shall designate the ballot of only one of the political parties that is entitled to continued representation on the ballot and the elector may receive and vote the ballot of only that one political party, which also shall include any nonpartisan offices and ballot questions, or the elector shall designate the ballot for nonpartisan offices and ballot questions only and the

The county recorder or other officer in charge of elections shall process any request for an early ballot for a municipal election pursuant to this subsection. The county recorder may establish on-site early voting locations at the recorder's office, which shall be open and available for use beginning the same day that a county begins to send out the early ballots. The county recorder may also establish any other early voting locations in the county the recorder deems necessary. Any on-site early voting location or other early voting location shall require each elector to present identification as prescribed in section 16-579 before receiving a ballot. subsection are not subject to inspection pursuant to title 39, chapter 1,

penalty of up to three times the cost of the production and distribution
of the request.

received by a candidate, political committee or other organization shall
