URGING THE ARIZONA DEPARTMENT OF TRANSPORTATION TO DESIGNATE STATE
ROUTE 260 AS THE "DONALD J. TRUMP HIGHWAY".

(TEXT OF BILL BEGINS ON NEXT PAGE)

1 To the Arizona Department of Transportation:

2 Your memorialist respectfully represents:

3 Whereas, Donald J. Trump was the 45th duly elected President of the
4 United States; and

5 Whereas, President Donald J. Trump stood for a strong manufacturing
6 base and fair agreements for international trade; and

7 Whereas, President Trump steadfastly supported a strong military and
8 strengthening our national defense; and

9 Whereas, President Trump's energy plan included several ambitious
10 policy prescriptions designed to establish American energy dominance and
11 to remove regulatory burdens on using energy, while at the same time
12 ensuring meaningful environmental protection and continued progress toward
13 cleaner air and water; and

14 Whereas, President Trump helped pass \$3.2 trillion in historic tax
15 relief and reform the tax code; and

16 Whereas, President Donald J. Trump canceled United States
17 participation in the United Nations Paris Climate Agreement and ended all
18 payments of United States tax dollars to the United Nations Green Climate
19 Fund; and

20 Whereas, President Trump discontinued the use of "sue and settle"
21 lawsuits that had the effect of imposing government policy on behalf of
22 special interests without congressional authorization or input from the
23 states, other interested parties and the general public; and

24 Whereas, during his years in office, 4,000,000 jobs were created,
25 more than 400,000 of those in manufacturing, which was the fastest
26 manufacturing growth rate in more than three decades; and

27 Whereas, President Trump signed the Executive Order on Modernizing
28 the Regulatory Framework for Agricultural Biotechnology Products, which
29 helped bring innovative new technologies to market in American farming and
30 agriculture; and

31 Whereas, President Trump established the Governors' Initiative on
32 Regulatory Innovation to reduce outdated regulations at the state, local
33 and tribal levels; and

34 Whereas, President Trump suspended regulations that would have
35 slowed the response to COVID-19, including lifting restrictions on
36 manufacturers to more quickly produce ventilators; and

37 Whereas, President Trump helped achieve a record-setting economic
38 comeback during the COVID-19 pandemic by rejecting blanket lockdowns that
39 crush the economy and inflict countless public health harms; and

40 Whereas, during the third quarter of 2020, the economy grew at a
41 rate of 33.1%, the most rapid GDP growth ever recorded; and

42 Whereas, President Trump's administration launched Operation Warp
43 Speed to initiate an unprecedented drive to develop and make available an
44 effective COVID-19 vaccine; and

1 Whereas, Donald J. Trump's top priority as president was the best
2 interests of American workers and American families.
3 Wherefore your memorialist, the Senate of the State of Arizona, the House
4 of Representatives concurring, prays:
5 1. That the Arizona Department of Transportation designate State
6 Route 260 as the "Donald J. Trump Highway".
7 2. That the Arizona Department of Transportation approve, place and
8 maintain appropriate signage to identify the Donald J. Trump Highway.
9 3. That the Secretary of State transmit a copy of this Memorial to
