SENATE AMENDMENTS TO S.C.R. 1018
(Reference to printed resolution)

1 Page 1, before line 1, insert:

2 "Whereas, service to others is a hallmark of the American character
3 and is central to how we meet our challenges; and

4 Whereas, the novel coronavirus (COVID-19) pandemic is a global health
5 emergency that has led to unprecedented economic disruption; and

6 Whereas, it is recognized that some employees are essential and must
7 continue to work in person to protect the strength and well-being of our
8 communities, regardless of the circumstances that we are presented with;
9 and

10 Whereas, employees in health care, grocery stores, post offices,
11 social services, law enforcement, emergency services, emergency
12 communications and many other professions and occupations have been
13 considered essential workers during the pandemic; and

14 Whereas, the widespread implementation of stay-at-home measures and
15 restrictions on many categories of businesses produced a surge in demand
16 for delivery services, with its effects felt at every link in the supply
17 chain; and

18 Whereas, essential workers are keeping the critical parts of our
19 economy running during the fight against COVID-19; and

20 Whereas, while many workers have been told to stay home, these
21 essential workers have a responsibility during the outbreak to continue
22 operations, putting them at greater risk of contracting the virus.

23 Therefore"

24 Strike everything after the resolving clause and insert:
