### Purpose

Continues the Arizona State Board of Funeral Directors' and Embalmers' (Board) until March 31, 2023. Effective April 1, 2023, modifies definitions relating to the regulation of funeral directors, embalmers and cremationists to reflect the transfer of Board responsibilities to a funeral service regulating authority of Arizona and to redefine licensed persons as registered persons.

### Background

The Board licenses and registers funeral directors, embalmers, assistant funeral directors, embalmer's assistants, cremationists, funeral establishments and crematories ([A.R.S. Title 32, Chapter 12](#)). The Board consists of seven Governor-appointed members to serve staggered, four-year terms. Three members must be licensed, practicing funeral directors or embalmers and four must be public members ([A.R.S. § 32-1302](#)).

The Board must maintain records, investigate violations and adopt rules relating to: 1) administrative and investigative procedures; 2) records and advertising; 3) standards of practice; 4) consumer disclosure; 5) standard price disclosure and price list requirements; 6) the inspection of funeral establishments and crematories every five years; and 7) any other matters deemed necessary. The Board may: 1) employ professional, investigative and clerical positions; 2) appoint citizen advisory committees; 3) issue subpoenas regarding investigations or hearings; 4) contract with state or federal agencies; 5) charge reasonable fees for distribution of Board-printed materials; and 6) reasonably charge license or registration applicants for fingerprint background checks ([A.R.S. § 32-1307](#)).

The House Commerce Committee of Reference met on January 11, 2022, and the Senate Commerce Committee of Reference met on January 19, 2022, to conduct a review of the Board. Both committees of reference recommended the Board be continued for two years ([Board Sunset Report](#)). The Board is statutorily set to terminate on July 1, 2022, unless legislation is enacted for its continuation ([A.R.S. § 41-3022.22](#)).

There is no anticipated fiscal impact to the state General Fund associated with this legislation.
