FACT SHEET FOR H.B. 2170

election mailings; third-party disclosures

Purpose

Requires any nongovernmental person or entity that provides an official election-related document by mail, email or a digital link to include the words *not from a government agency* on the envelope or in the message.

Background

The Secretary of State (SOS) and a county recorder or other officer in charge of elections are responsible for supplying voter registration forms to any qualified person requesting registration information. A county recorder may provide voter registration forms to groups and individuals that request forms for conducting voter registration drives ([A.R.S. § 16-131](#)). A candidate, political committee or other organization may distribute early ballot request forms to voters ([A.R.S. § 16-542](#)).

There is no anticipated fiscal impact to the state General Fund associated with this legislation.
