

Bill Number: S.B. 1167

Barto Floor Amendment

Reference to: printed bill

Amendment drafted by: Leg Council

FLOOR AMENDMENT EXPLANATION

- 1. Prohibits the state's official health information exchange organization from using or redisclosing confidential child immunization and communicable disease information.**
- 2. Stipulates that the state's official health information exchange organization may receive confidential child immunization and communicable disease information only with the opt-in informed consent of the individual or a parent or guardian if the individual is a minor child.**
- 3. Prohibits the nonprofit health information organization from using or disclosing identifying information from the system for purposes of inclusion in a federal vaccine database or for any purpose that serves to discriminate against individuals based on their vaccination status.**
