FACT SHEET FOR S.B. 1040

public schools; restrooms; reasonable accommodations

Purpose

Requires a public school to provide access to a single-occupancy or employee restroom or changing facility to a person who is unwilling or unable to use a multi-occupancy restroom or changing facility designated for the person's sex or multi-occupancy sleeping quarters. Grants a private cause of action, against the public school, to a person who encounters a person of the opposite sex in specified areas. Designates this legislation as the *Arizona Accommodations for All Children Act (Act)*.

Background

A school district governing board, charter school governing body, the Arizona State Schools for the Deaf and the Blind and, for an accommodation school, the county school superintendent must ensure that a school provides restrooms or bathrooms that are clean and have specified equipment and supplies. A school-provided shower room must also be clean and must meet certain requirements ([A.A.C. R9-8-703](#)).

A *public school* is any public institution established to offer instruction to pupils in preschool programs for children with disabilities, kindergarten programs, elementary grades or secondary grades ([A.R.S. § 15-101](#)).

There is no anticipated fiscal impact to the state General Fund associated with this legislation.

 - b) the public school requires to share sleeping quarters with a person of the opposite sex, unless the persons are of the same family.
