

ARIZONA STATE SENATE
Fifty-Sixth Legislature, First Regular Session

FACT SHEET FOR S.B. 1733

state buildings; management; 2023-2024.

Purpose

Makes session law changes relating to the management of state buildings necessary to implement the FY 2024 state budget.

Background

The Arizona Constitution prohibits substantive law from being included in the general appropriations, capital outlay appropriations and supplemental appropriations bills. However, it is often necessary to make statutory and session law changes to effectuate the budget. Thus, separate bills called budget reconciliation bills (BRBs) are introduced to enact these provisions. Because BRBs contain substantive law changes, the Arizona Constitution provides that they become effective on the general effective date, unless an emergency clause is enacted.

S.B. 1733 contains a budget reconciliation provision for changes relating to state buildings.

Provisions

1. Continues to set the Capital Outlay Stabilization Fund square-footage rental rates for state-owned buildings at \$17.87 for office space and \$6.43 for storage space in FY 2024.
2. Becomes effective on the general effective date.
