

Bill Number: H.C.R. 2060

Shamp Floor Amendment

Reference to: MILITARY AFFAIRS, PUBLIC SAFETY AND
BORDER SECURITY Committee amendment
Amendment drafted by: Leg. Council

FLOOR AMENDMENT EXPLANATION

1. Specifies that being a DACA recipient is not an affirmative defense to *illegal entry* if the program is cancelled or a federal court has issued a final order determining that the program is unlawful, and any appeals of the final order have been exhausted.
2. States that an alien lacks lawful presence if the alien was either:
 - a) paroled pursuant to a programmatic grant of parole, including under any parole program not created under notice-and-comment rulemaking under which an alien would be entitled to parole and that has been applied to more than 100 aliens during one calendar year; or
 - b) required to be detained under the Immigration and Nationality Act but was not detained and instead was paroled into the United States.
3. Removes the overturning or abrogation of S.B. 1070 as a possible enforceability trigger for the *illegal entry* provisions of the *Secure the Border Act*.
4. Specifies that any other state law similar to Texas' S.B. 4 being in effect for 60 consecutive days may also trigger the enforceability of *illegal entry* provisions of the *Secure the Border Act*.
5. Requires a person who is convicted of *illegal entry* to serve a term of incarceration as determined by the court, rather than serve at least 30 days of incarceration.
6. Requires, rather than allows, the Department of Corrections to accept persons who are convicted, or arrested, for illegal entry offenses, and specifies that such persons can be held at any state facility that has available capacity.

7. Reduces the penalty for a first offense of evading E-Verify requirements from a class 6 felony to a class 1 misdemeanor, and adds that anyone who commits a violation is not eligible for probation, pardon, commutation or suspension of sentence or release on any basis until the person has served the term of incarceration imposed by the court.
 8. Specifies that an order to return to a foreign nation may include an authorization that allows law enforcement to transport a person to any point of transfer into federal custody.
 9. Removes the requirement that an order to return to a foreign nation include the name of the law enforcement officer or state agency that is responsible for monitoring compliance with the order.
10. Modifies provisions relating to the right to legal intervention.
11. Updates the legislative statement of findings.
