AN ACT

AMENDING SECTIONS 38-884 AND 41-1822, ARIZONA REVISED STATUTES; RELATING TO THE ARIZONA PEACE OFFICER STANDARDS AND TRAINING BOARD.

(TEXT OF BILL BEGINS ON NEXT PAGE)

1 Be it enacted by the Legislature of the State of Arizona:

2 Section 1. Section 38-884, Arizona Revised Statutes, is amended to  
3 read:

4 38-884. Membership of retirement plan; termination; credited  
5 service; redemption; reemployment

6 A. Each employee of a participating employer is a member of the  
7 plan unless the employee is receiving a pension from the plan. A person  
8 employed shall undergo a medical examination performed by a designated  
9 physician or a physician working in a clinic that is appointed by the  
10 local board or, in the case of a state correctional officer who is  
11 employed by the state department of corrections, complete a physical  
12 examination pursuant to section 41-1822, subsection ~~B~~ D. For the  
13 purposes of subsection B of this section, the designated physician or a  
14 physician working in a clinic that is appointed by the local board may be  
15 the employer's regular employee or contractor.

16 B. The purpose of the medical examination authorized by this  
17 section is to identify a member's physical or mental condition or injury  
18 that existed or occurred before the member's date of membership in the  
19 plan. Any employee who fails or refuses to submit to the medical  
20 examination prescribed in this section is deemed to waive all rights to  
21 disability benefits under this article. Medical examinations conducted  
22 under this article shall be conducted by a physician and shall not be  
23 conducted or used for purposes of hiring, advancing, discharging, job  
24 training or other terms, conditions and privileges of employment unrelated  
25 to receipt or qualification for pension benefits or service credits from  
26 the fund. This subsection does not affect or impair the right of an  
27 employer to prescribe medical or physical standards for employees or  
28 prospective employees.

29 C. If a member who becomes a member of the plan before January 1,  
30 2012 ceases to be an employee for any reason other than death or  
31 retirement, within twenty days after filing a completed application with  
32 the board, the member is entitled to receive the following amounts, less  
33 any benefit payments the member has received and any amount the member may  
34 owe to the plan:

35 1. If the member has less than five years of credited service with  
36 the plan, the member may withdraw the member's accumulated contributions  
37 from the plan.

38 2. If the member has five or more years of credited service with  
39 the plan, the member may withdraw the member's accumulated contributions  
40 plus an amount equal to the amount determined as follows:

41 (a) 5.0 to 5.9 years of credited service, twenty-five percent of  
42 all member contributions deducted from the member's salary pursuant to  
43 section 38-891, subsection B.

1 (b) 6.0 to 6.9 years of credited service, forty percent of all  
2 member contributions deducted from the member's salary pursuant to section  
3 38-891, subsection B.

4 (c) 7.0 to 7.9 years of credited service, fifty-five percent of all  
5 member contributions deducted from the member's salary pursuant to section  
6 38-891, subsection B.

7 (d) 8.0 to 8.9 years of credited service, seventy percent of all  
8 member contributions deducted from the member's salary pursuant to section  
9 38-891, subsection B.

10 (e) 9.0 to 9.9 years of credited service, eighty-five percent of  
11 all member contributions deducted from the member's salary pursuant to  
12 section 38-891, subsection B.

13 (f) 10.0 or more years of credited service, one hundred percent of  
14 all member contributions deducted from the member's salary pursuant to  
15 section 38-891, subsection B.

16 D. If a member who becomes a member of the plan before January 1,  
17 2012 has more than ten years of credited service with the plan, leaves the  
18 monies prescribed in subsection C of this section on account with the plan  
19 for more than thirty days after termination of employment and after that  
20 time period requests a refund of those monies, the member is entitled to  
21 receive the amount prescribed in subsection C of this section plus  
22 interest at a rate determined by the board for each year computed from and  
23 after the member's termination of employment.

24 E. The accumulated member contributions of a member who ceases to  
25 be an employee for a reason other than death or retirement and who becomes  
26 a member of the plan:

27 1. On or after January 1, 2012 and before July 1, 2018 shall be  
28 paid to the member plus interest at a rate determined by the board as of  
29 the date of termination within twenty days after filing with the plan a  
30 written application for payment.

31 2. For a member who has less than ten years of credited service  
32 with the plan, on or after July 1, 2018 shall be paid to the member plus  
33 interest at a rate determined by the board as of the date of termination  
34 within twenty days after filing with the plan a written application for  
35 payment.

36 F. If the refund includes monies that are an eligible rollover  
37 distribution and the member elects to have the distribution paid directly  
38 to an eligible retirement plan or individual retirement account or annuity  
39 and specifies the eligible retirement plan or individual retirement  
40 account or annuity to which the distribution is to be paid, the  
41 distribution shall be made in the form of a direct trustee-to-trustee  
42 transfer to the specified eligible retirement plan. The distribution  
43 shall be made in the form and at the time prescribed by the board.

44 G. For distributions occurring from and after December 31, 2007, a  
45 member or a member's beneficiary, including a nonspouse designated

1 beneficiary to the extent allowed under subsection H of this section, may  
2 roll over an eligible rollover distribution as defined in section  
3 402(c)(4) of the internal revenue code to a Roth individual retirement  
4 account, if, for distributions occurring before January 1, 2010, the  
5 member or the member's beneficiary satisfies the requirements for making a  
6 Roth individual retirement account contribution under section  
7 408A(c)(3)(B) of the internal revenue code, as in effect on the date of  
8 the rollover. Any amount rolled over to a Roth individual retirement  
9 account is included in the gross income of the member or the member's  
10 beneficiary to the extent the amounts would have been included in gross  
11 income if not rolled over as required under section 408A(d)(3)(A) of the  
12 internal revenue code. For the purposes of this subsection, the  
13 administrator is not responsible for ensuring the member or the member's  
14 beneficiary is eligible to make a rollover to a Roth individual retirement  
15 account.

16 H. For distributions made from and after December 31, 2009, a  
17 nonspouse designated beneficiary as defined in section 401(a)(9)(E) of the  
18 internal revenue code may elect to directly roll over an eligible rollover  
19 distribution to an individual retirement account under section 408(a) of  
20 the internal revenue code or an individual retirement annuity under  
21 section 408(b) of the internal revenue code that is established on behalf  
22 of the designated beneficiary and that will be treated as an inherited  
23 individual retirement plan pursuant to section 402(c)(11) of the internal  
24 revenue code. In order to be able to roll over the distribution, the  
25 distribution otherwise must satisfy the definition of an eligible rollover  
26 distribution as defined in section 402(c)(4) of the internal revenue  
27 code. In applying this subsection, a nonspouse rollover is subject to the  
28 direct rollover requirements under section 401(a)(31) of the internal  
29 revenue code, the rollover notice requirements under section 402(f) of the  
30 internal revenue code and the mandatory withholding requirements under  
31 section 3405(c) of the internal revenue code.

32 I. For plan years occurring before January 1, 2007, the period for  
33 providing the rollover notice as required under section 402(f) of the  
34 internal revenue code is not less than thirty days and not more than  
35 ninety days before the date of distribution and, for plan years beginning  
36 from and after December 31, 2006, the period for providing the rollover  
37 notice as required under section 402(f) of the internal revenue code is  
38 not less than thirty days and not more than one hundred eighty days before  
39 the date of distribution.

40 J. Service shall be credited to a member's individual credited  
41 service account in accordance with rules the local board prescribes. In  
42 no case shall more than twelve months of credited service be credited on  
43 account of all service rendered by a member in any one year. In no case  
44 shall service be credited for any period during which the member is not

1 employed in a designated position, except as provided by sections 38-921  
2 and 38-922.

3 K. Credited service is forfeited if the amounts prescribed in  
4 subsection C, D or E of this section are paid or are transferred in  
5 accordance with this section.

6 L. If a former member becomes reemployed with the same employer  
7 within two years after the former member's termination date, a member may  
8 have forfeited credited service attributable to service rendered during a  
9 prior period of service as an employee restored on satisfaction of each of  
10 the following conditions:

11 1. The member files with the plan a written application for  
12 reinstatement of forfeited credited service within ninety days after again  
13 becoming an employee.

14 2. The retirement fund is paid the total amount previously  
15 withdrawn pursuant to subsection C, D or E of this section plus compound  
16 interest from the date of withdrawal to the dates of repayment. Interest  
17 shall be computed at the rate of nine percent for each year compounded  
18 each year from the date of withdrawal to the date of repayment. Forfeited  
19 credited service shall not be restored until complete payment is received  
20 by the fund.

21 3. The required payment is completed within one year after  
22 returning to employee status.

23 M. If a member who receives a severance refund on termination of  
24 employment pursuant to subsection C, D or E of this section is  
25 subsequently reemployed by an employer, the member's prior service credits  
26 are cancelled, and the board shall credit service only from the date the  
27 member's most recent reemployment period commenced. A present active  
28 member of the plan who received a refund of accumulated contributions from  
29 the plan pursuant to subsection C, D or E of this section, forfeited  
30 credited service pursuant to subsection K of this section and becomes  
31 reemployed with the same employer two years or more after the member's  
32 termination date or becomes reemployed with another employer may elect to  
33 redeem any part of that forfeited credited service by paying into the plan  
34 any amounts required pursuant to this subsection. A present active member  
35 who elects to redeem any part of forfeited credited service for which the  
36 member is deemed eligible by the board shall pay into the plan the amounts  
37 previously paid or transferred as a refund of the member's accumulated  
38 contributions plus an amount, computed by the plan's actuary that is  
39 necessary to equal the increase in the actuarial present value of  
40 projected benefits resulting from the redemption calculated using the  
41 actuarial methods and assumptions prescribed by the plan's actuary. On  
42 satisfaction of this obligation, the board shall reinstate the member's  
43 prior service credits.

44 N. A retired member may become employed by the employer from which  
45 the employee retired in a designated position and continue to receive a

1 pension if the employment occurs at least six months after retirement.  
2 The retired member shall not contribute to the fund and shall not accrue  
3 credited service. If a retired member becomes employed by the employer  
4 from which the employee retired in a designated position, including in a  
5 contracted or leased position, before six months after retirement, the  
6 following apply:

7 1. Payment of the retired member's pension shall be suspended until  
8 the retired member again ceases to be an employee. The amount of pension  
9 shall not be changed on account of service as an employee subsequent to  
10 retirement.

11 2. The retired member shall not contribute to the fund and shall  
12 not accrue credited service.

13 3. Any pension payments received by a retired member, who retired  
14 on or after July 1, 2009, during a period of reemployment are considered  
15 overpayments pursuant to section 38-899. If the board determines in the  
16 board's sole discretion, for a member who retired on or after July 1,  
17 2009, that the retired member's reemployment during the six-month period  
18 and the failure of the employer or the local board to suspend the member's  
19 pension were not intentional to circumvent the requirements of this  
20 subsection, the pension payments received by the retired member during  
21 reemployment are subject to repayment up to only the amount received  
22 between the date of the member's reemployment and the expiration of the  
23 six-month period.

24 4. If a retired member who retired on or after July 1, 2009 and who  
25 is reemployed terminates employment, the retired member may be  
26 subsequently reemployed with the employer from which the member retired in  
27 a designated position and resume receiving pension payments after a period  
28 of six months, less the period of time the retired member was not  
29 reemployed by the employer from which the member retired in a designated  
30 position after retirement, if at least sixty days of the six months are  
31 consecutive.

32 0. Notwithstanding any other provision of this article, a member  
33 who retires having met all of the qualifications for retirement and who  
34 subsequently becomes an elected official, by election or appointment, is  
35 not considered reemployed by the same employer.

36 Sec. 2. Section 41-1822, Arizona Revised Statutes, is amended to  
37 read:

19 peace officer cadets only if a cadet meets the minimum qualifications  
20 established by paragraph 3 of this subsection. Training shall include:

28           (c) Medical information on unexplained infant death for first

42 health support systems to enhance recovery from grief.

43           5. Recommend curricula for advanced courses and seminars in law  
44 enforcement and intelligence training in universities, colleges and

1 community colleges, in conjunction with the governing body of the  
2 educational institution.

3 6. Make inquiries to determine whether this state or political  
4 subdivisions of this state are adhering to the standards for recruitment,  
5 appointment, retention and training established pursuant to this article.  
6 The failure of this state or any political subdivision to adhere to the  
7 standards shall be reported at the next regularly scheduled meeting of the  
8 board for action deemed appropriate by that body.

24 evidence of a violation of the qualifications established pursuant to  
25 subsection A, paragraph 3 of this section. If the board finds that the  
26 law enforcement agency refused to investigate or made findings that  
27 contradicted prima facie evidence of a violation of the qualifications  
28 established pursuant to subsection A, paragraph 3 of this section, the  
29 board shall conduct an independent investigation to determine whether the  
30 officer is in compliance with the qualifications established pursuant to  
31 subsection A, paragraph 3 of this section and provide a letter of the
