2 Section 1. Section 38-867, Arizona Revised Statutes, is amended to
3 read:

4 38-867. Contributions; member; employer; pickup

5 A. Each participant in the defined contribution plan shall
6 contribute the following percentage of the participant's gross pensionable
7 compensation by salary reduction that shall be deposited in the
8 participant's annuity account:

9 1. For a participant as defined in section 38-865, paragraph 7,
10 subdivision (a), item (ii), three percent.

11 2. For a participant as defined in section 38-865, paragraph 7,

15 B. A participant as defined in section 38-865 may make a onetime
16 irrevocable election, before the participant is eligible to participate in
17 any qualified plan of the employer, to contribute more than the percentage
18 of the participant's gross pensionable compensation specified in this
19 section, up to the amount allowable under section 415(c) of the internal
20 revenue code. A participant as defined in section 38-865, paragraph 7,
21 subdivision (b) may make a onetime irrevocable election, before the

28 participant's employment.

29 C. Although designated as employee contributions, all participant
30 contributions made to the defined contribution plan shall be picked up and
31 paid by the employer in lieu of contributions by the employee. The
32 contributions picked up by an employer may be made through a reduction in
33 the participant's compensation. A participant in the defined contribution
34 plan may not choose to receive the contributed amounts directly instead of
35 the employer paying the amounts to the defined contribution plan. All
36 participant contributions that are picked up by the employer as provided
37 in this subsection shall be treated as employer contributions under
38 section 414(h) of the internal revenue code, shall be excluded from the
39 participant's gross income for federal and state income tax purposes and
40 are includable in the gross income of the participant or the participant's
41 beneficiaries only in the taxable year in which they are distributed.

42 D. Each employer shall annually make a contribution equal to the

6 subdivision (b), five and one-half percent.

7 E. The pro rata share of the amount paid in subsection D of this
8 section shall be paid on each date that a participant contribution is made
9 and shall be credited to the participant's annuity account.

10 F. Each participant as defined in section 38-865, paragraph 7,
11 subdivision (a), item (i) and subdivision (b) and each employer shall
12 contribute:

17 specified in section 38-869 as determined by actuarial valuations reported
