16 posed by an adult sex offender who suffers from a paraphilic disorder,
17 psychopathy or a personality disorder that makes the person more likely to
18 engage in sexually violent predatory offenses.

19 8. Research, either through direct evaluation or through a review

37 criteria and make recommendations, as appropriate, for measuring an adult
38 sex offender's progress in treatment. The recommended criteria shall
39 assist the court and the board of executive clemency in determining
40 whether an adult sex offender may appropriately be released from
41 incarceration, whether the adult sex offender's level of supervision may
42 be reduced or whether the adult sex offender may appropriately be
43 discharged from probation or parole. At a minimum, the recommended
44 criteria must be designed to assist the court and the board of executive
45 clemency in determining whether the adult sex offender could be

1 appropriately supervised in the community if the offender were released
2 from incarceration, released to a reduced level of supervision or
3 discharged from probation or parole.

4 10. In collaboration with the state department of corrections, the
5 judicial department, [THE ARIZONA COMMUNITY PROTECTION AND TREATMENT CENTER](#)

7 establishment of standards for community entities that provide supervision
8 and treatment specifically designed for adult sex offenders who have
9 developmental disabilities or who are deemed sexually violent persons. At

11 would provide adequate support and supervision to minimize any threat that
12 the adult sex offender may pose to the community.

20 offenders within the community, including shared living arrangements. At
21 a minimum, the board shall consider the safety issues raised by the
22 location of adult sex offender residences, especially in proximity to
23 public or private schools and child care facilities, and public
24 notification of the location of adult sex offender residences. The board
25 shall make recommendations for the adoption and revision, as appropriate,
26 of the guidelines as it deems appropriate regarding the living
27 arrangements for and location of adult sex offenders and adult sex
28 offender housing.
