(TEXT OF BILL BEGINS ON NEXT PAGE)

1 Be it enacted by the Legislature of the State of Arizona:  
2 Section 1. Section 11-251, Arizona Revised Statutes, is amended to  
3 read:

4 **11-251. Powers of board**

5 The board of supervisors, under such limitations and restrictions as  
6 are prescribed by law, may:

7 1. Supervise the official conduct of all county officers and  
8 officers of all districts and other subdivisions of the county charged  
9 with assessing, collecting, safekeeping, managing or disbursing the public  
10 revenues, see that the officers faithfully perform their duties and direct  
11 prosecutions for delinquencies, and, when necessary, require the officers  
12 to renew their official bonds, make reports and present their books and  
13 accounts for inspection.

14 2. Divide the counties into districts or precincts as required by  
15 law, change the districts or precincts and create others as convenience  
16 requires.

17 3. Establish, abolish and change election precincts, appoint  
18 inspectors and judges of elections, canvass election returns, declare the  
19 result and issue certificates thereof.

20 4. Lay out, maintain, control and manage public roads, ferries and  
21 bridges within the county and levy such tax for that purpose as may be  
22 authorized by law.

23 5. Provide for the care and maintenance of the sick of the county,  
24 erect and maintain hospitals for that purpose and, in its discretion,  
25 provide a farm in connection with the county hospital and adopt ordinances  
26 for working the farm.

27 6. Provide suitable rooms for county purposes.

28 7. Purchase, receive by donation or lease real or personal property  
29 necessary for the use of the county prison and take care of, manage and  
30 control the property, but a purchase of real property shall not be made  
31 unless the value has been previously estimated by three disinterested  
32 citizens of the county, appointed by the board for that purpose, and not  
33 more than the appraised value shall be paid for the property.

34 8. Cause to be erected and furnished a courthouse, jail and  
35 hospital and other buildings as necessary, and construct and establish a  
36 branch jail, when necessary, at a point distant from the county seat.

37 9. Sell at public auction, after thirty days' previous notice given  
38 by publication in a newspaper of the county, stating the time and place of  
39 the auction, and convey to the highest bidder, for cash or contract of  
40 purchase extending not more than ten years after the date of sale and on  
41 such terms and for such consideration as the board shall prescribe, any  
42 property belonging to the county that the board deems advantageous for the  
43 county to sell, or that the board deems unnecessary for use by the county,  
44 and shall pay the proceeds of the sale into the county treasury for use of  
45 the county, except that personal property need not be sold but may be used

1 as a trade-in on the purchase of personal property when the board deems  
2 this disposition of the personal property to be in the best interests of  
3 the county. If the property for sale is real property, the board shall  
4 have the property appraised by an appraiser who is licensed or certified  
5 pursuant to title 32, chapter 36. The appraiser shall establish a market  
6 value as defined in section 28-7091 for the property. The minimum  
7 acceptable bid for the purchase of the property shall be at least ninety  
8 percent of the market value, except that if the property has no market  
9 value or a net value as defined in section 28-7095, subsection F of  
10 \$10,000 or less, the value of the property may be justified by a market  
11 analysis that is based on comparable sales. The notice regarding the sale  
12 of real property shall be published in the county where the property is  
13 situated and may be published in one or more other counties, and shall  
14 contain, among other things, the market value, the minimum acceptable sale  
15 price, and the common and legal description of the real property.  
16 Notwithstanding the requirement for a sale at public auction prescribed in  
17 this paragraph, a county, with unanimous consent of the board and without  
18 a public auction, may sell or lease any county property to any other duly  
19 constituted governmental entity, including the state, cities, towns and  
20 other counties. A county, with unanimous consent of the board and without  
21 public auction, may grant an easement on county property for public  
22 purposes to a utility as defined in section 40-491. A county, with  
23 unanimous consent of the board and without public auction, may sell or  
24 lease any county property for a specific use to any solely charitable,  
25 social or benevolent nonprofit organization incorporated or operating in  
26 this state. A county may dispose of surplus equipment and materials that  
27 have little or no value or that are unauctionable in any manner authorized  
28 by the board.

29 10. Examine and exhibit the accounts and performance of all  
30 officers having the care, management, collection or disbursement of monies  
31 belonging to the county or appropriated by law or otherwise for the use  
32 and benefit of the county. The working papers and other audit files in an  
33 examination and audit of the accounts and performance of a county officer  
34 are not public records and are exempt from title 39, chapter 1. The  
35 information contained in the working papers and audit files prepared  
36 pursuant to a specific examination or audit is not subject to disclosure,  
37 except to the county attorney and the attorney general in connection with  
38 an investigation or action taken in the course of their official duties.

39 11. Examine, settle and allow all accounts legally chargeable  
40 against the county, order warrants to be drawn on the county treasurer for  
41 that purpose and provide for issuing the warrants.

42 12. Levy such tax annually on the taxable property of the county as  
43 may be necessary to defray the general current expenses thereof, including  
44 salaries otherwise unprovided for, and levy such other taxes as are  
45 required to be levied by law.

- 2       14. Direct and control the prosecution and defense of all actions
- 3       to which the county is a party, and compromise them.

- 9       county, and provide for the expenses thereof.
- 10      18. With the approval of the department of health services,

- 26      maintaining and conducting public aviation fields, purchase, receive by
- 27      donation or lease any property necessary for that purpose, lease, at a
- 28      nominal rental if desired, sell such aviation fields or property to the
- 29      United States or any department, or sell or lease such aviation fields to
- 30      a city, exchange lands acquired pursuant to this section for other lands,
- 31      or act in conjunction with the United States in maintaining, managing and
- 32      conducting all such property. If any such property or part of that
- 33      property is not needed for these purposes, it shall be sold by the board
- 34      and the proceeds shall be paid into the general fund of the county.
- 35      24. Acquire and hold property for the use of county fairs and
- 36      conduct, take care of and manage them.

- 39      persons charged with crime.
- 40      26. Contract for the transportation of insane persons to the state
- 41      hospital or direct the sheriff to transport such persons. The county is

- 44      27. Provide for the reasonable expenses of burial for deceased
- 45      indigents as provided in section 36-831 and maintain a permanent register

10 respective counties, including highways that pass through Indian  
11 reservations, with the government of the United States, acting through its  
12 duly authorized officers or agents pursuant to any act of Congress, except  
13 that the governing body of any Indian tribe whose lands are affected must  
14 consent to the use of its land, and any such agreements entered into  
15 before June 26, 1952 are validated and confirmed.

16 30. Do and perform all other acts and things necessary to the full  
17 discharge of its duties as the legislative authority of the county  
18 government, including receiving and accepting payment of monies by credit  
19 card or debit card, or both. Any fees or costs incurred by the use of the  
20 credit or debit card shall be paid by the person tendering payment unless  
21 the charging entity determines that the financial benefits of accepting

23 31. Make and enforce all local, police, sanitary and other  
24 regulations not in conflict with general law.

25 32. Budget for funds for foster home care during the school week

31 508), as amended.

32 34. Provide a plan or plans for its employees that provide tax  
33 deferred annuity and deferred compensation plans as authorized pursuant to  
34 title 26, United States Code. Such plans shall allow voluntary  
35 participation by all employees of the county. Participating employees  
36 shall authorize the board to make reductions in their remuneration as  
37 provided in an executed deferred compensation agreement.

39 commercial or public outdoor portable or permanent light fixtures in  
40 proximity to astronomical or meteorological laboratories.

4 other forms of hydrotherapy or any service of manual massage of the human  
5 body.

6       38. Provide pecuniary compensation as salary or wages for overtime

16 reasonable curfews in the entire unincorporated area or any area less than  
17 the entire unincorporated area of the county for minors and fines not to  
18 exceed the fine for a petty offense for violation of such ordinances.  
19 This paragraph does not require a request from an association or a  
20 majority of the residents of an area before the board may enact an  
21 ordinance applicable to the entire or any portion of the unincorporated  
22 area. An ordinance enacted pursuant to this paragraph shall provide that  
23 a minor is not violating a curfew if the minor is accompanied by a parent,  
24 a guardian or an adult having supervisorial custody, is on an emergency  
25 errand or has been specifically directed to the location on reasonable,  
26 legitimate business or some other activity by the parent, guardian or

29 curfew ordinance on the request or petition of either:

31 homeowners in the area covered by the association and to which the curfew  
32 would apply.

33       (b) A majority of the residents of the area to which the curfew  
34 would apply.

35      41. Lease or sublease personal property owned by the county to  
36 other political subdivisions of this state to be used for a public  
37 purpose.

38      42. In addition to the agreements authorized by section 11-651,  
39 enter into long-term agreements for the purchase of personal property,  
40 provided that the board may cancel any such agreement at the end of a  
41 fiscal year, at which time the seller may repossess the property and the  
42 agreement is deemed terminated.

43      43. Make and enforce necessary ordinances not in conflict with the  
44 laws of this state to regulate off-road recreational motor vehicles that  
45 are operated within the county on public lands without lawful authority or

1 on private lands without the consent of the lawful owner or that generate  
2 air pollution. For the purposes of this paragraph, "off-road recreational  
3 motor vehicle" means three and four wheel vehicles manufactured for  
4 recreational nonhighway all-terrain travel.

5 44. Acquire land for roads, drainage ways and other public purposes  
6 by exchange without public auction, except that notice shall be published

15 shall be made only on unanimous approval by the board of supervisors.

16 47. Make and enforce ordinances for the protection and disposition  
17 of domestic animals subject to inhumane, unhealthful or dangerous  
18 conditions or circumstances. An ordinance enacted pursuant to this  
19 paragraph shall not restrict or limit the authority of the game and fish  
20 commission to regulate the taking of wildlife. This paragraph does not  
21 limit or restrict the authority granted to cities, towns or counties  
22 pursuant to section 13-2910. For the purposes of this paragraph,  
23 "domestic animal" means an animal kept as a pet and not primarily for  
24 economic purposes.

25 48. If a part of a parcel of land is to be taken for roads,  
26 drainage, flood control or other public purposes and the board and the  
27 affected property owner determine that the remainder will be left in such  
28 a condition as to give rise to a claim or litigation concerning severance  
29 or other damage, acquire the whole parcel by purchase, donation,  
30 dedication, exchange, condemnation or other lawful means, and the  
31 remainder may be sold or exchanged for other properties needed for any  
32 public purpose.

33 49. Make and enforce necessary rules providing for the  
34 reimbursement of travel and subsistence expenses of members of county  
35 boards, commissions and advisory committees when acting in the performance

38 the members serve without compensation.

43 sick leave, personal leave, vacation and holiday pay and jury duty pay.

1       52. Make and enforce ordinances that are more restrictive than  
2 state requirements to reduce or encourage the reduction of carbon monoxide  
3 and ozone levels, provided an ordinance does not establish a standard for  
4 vehicular emissions, including ordinances to reduce or encourage the  
5 reduction of the commuter use of motor vehicles by employees of the county  
6 and employees whose place of employment is in unincorporated areas of the  
7 county.

8       53. Make and enforce ordinances to provide for the reimbursement of  
9 up to one hundred percent of the cost to county employees of public bus or  
10 van pool transportation to and from their place of employment.

11       54. Lease for public purposes any real property, improvements for  
12 real property and personal property under the same terms and conditions,  
13 to the extent applicable, as are specified in sections 11-651 and 11-653  
14 for lease-purchases.

15       55. Enact ordinances prescribing regulation of alarm systems and  
16 providing for civil penalties to reduce the incidence of false alarms at  
17 business and residential structures relating to burglary, robbery, fire  
18 and other emergencies not within the limits of an incorporated city or  
19 town.

20       56. In addition to paragraph 9 of this section, and notwithstanding  
21 section 23-504, sell or dispose of, at no less than market value, county  
22 personal property that the board deems no longer useful or necessary  
23 through a retail outlet or to another government entity if the personal  
24 property has a market value of not more than \$1,000, or by retail sale or  
25 private bid, if the personal property has a market value of not more than  
26 \$15,000. Notice of sales in excess of \$1,000 shall include a description  
27 and sale price of each item and shall be published in a newspaper of  
28 general circulation in the county, and for thirty days after notice other  
29 bids may be submitted that exceed the sale price by at least five percent.  
30 The county shall select the highest bid received at the end of the  
31 thirty-day period.

32       57. Sell services, souvenirs, sundry items or informational  
33 publications that are uniquely prepared for use by the public and by  
34 employees and license and sell information systems and intellectual  
35 property developed from county resources that the county is not obligated  
36 to provide as a public record.

37       58. On unanimous consent of the board of supervisors, license,  
38 lease or sell any county property pursuant to paragraphs 56 and 57 of this  
39 section at less than market value to any other governmental entity,  
40 including this state, cities, towns, public improvement districts or other  
41 counties within or outside of this state, or for a specific purpose to any  
42 charitable, social or benevolent nonprofit organization incorporated or  
43 operating in this state.

1       59. On unanimous consent of the board of supervisors, provide  
2 technical assistance and related services to a fire district pursuant to  
3 an intergovernmental agreement.

4       60. Adopt contracting procedures for the operation of a county  
5 health system pursuant to section 11-291. Before the adoption of  
6 contracting procedures the board shall hold a public hearing. The board  
7 shall publish one notification in a newspaper of general circulation in  
8 the county seat at least fifteen days before the hearing.

9       61. Enter into an intergovernmental agreement pursuant to chapter  
10 7, article 3 of this title for a city or town to provide emergency fire or  
11 emergency medical services pursuant to section 9-500.23 to a county island  
12 as defined in section 11-251.12. The board may charge the owners of  
13 record in the county island a fee to cover the cost of an  
14 intergovernmental agreement that provides fire and emergency medical  
15 services.

16       62. In counties that employ or have designated an animal control  
17 county enforcement agent pursuant to section 11-1005, enter into  
18 agreements with foundations or charitable organizations to solicit  
19 donations, property or services, excluding enforcement or inspection  
20 services, for use by the county enforcement agent solely to perform  
21 nonmandated services and to fund capital improvements for county animal  
22 control, subject to annual financial and performance audits by an  
23 independent party as designated by the county board of supervisors. For  
24 the purposes of this paragraph, nonmandated services are limited to low

27 support for volunteer programs.

28       63. Adopt and provide for the enforcement of ordinances prohibiting  
29 open fires and campfires on designated lands in the unincorporated areas  
30 of the county when a determination of emergency is issued by the county  
31 emergency management officer and the board deems it necessary to protect  
32 public health and safety on those lands.

33       64. Fix the amount of license fees to be paid by any person, firm,  
34 corporation or association for carrying on any game or amusement business  
35 in unincorporated areas of the county and prescribe the method of  
36 collection or payment of those fees, for a stated period in advance, and  
37 fix penalties for failure to comply by fine. This article does not  
38 authorize any county to require an occupational license or fee for any  
39 activity if state law precludes requiring such a license or fee.

40       65. Adopt and enforce ordinances for the prevention, abatement and  
41 removal of graffiti, providing that any restrictions on the retail display  
42 of potential graffiti tools be limited to any of the following, as  
43 determined by the retail business:

1       (a) In a place that is in the line of sight of a cashier or in the

26       41-1279.21. Powers and duties of auditor general relating to  
27 counties, school districts, community colleges  
28 and county treasurers

29       A. In addition to other powers and duties prescribed by law, the  
30 auditor general shall:

31       1. Conduct or cause to be conducted annual financial statement  
32 audits of financial transactions and accounts kept by or for all counties.  
33 For a county that is required to comply with the federal single audit  
34 requirements, audits shall include compliance audits of financial  
35 transactions and applicable accounts kept by or for the county. The  
36 audits shall be conducted in accordance with generally accepted  
37 governmental auditing standards and, accordingly, shall include tests of  
38 the accounting records and other auditing procedures as may be considered  
39 necessary under the circumstances. Each county shall provide financial  
40 information for inclusion in the annual audit that verifies that Arizona  
41 highway user revenue fund monies received by the county pursuant to title  
42 28, chapter 18, article 2 and any other dedicated state transportation  
43 revenues received by the county are being used solely for the authorized  
44 transportation purposes.

1       2. Perform procedural reviews for school districts that are not  
2 required to comply with the federal single audit requirements at times  
3 determined by the auditor general. These reviews may include evaluation  
4 of administrative and accounting internal controls and reports on such  
5 reviews.

6       3. Conduct or cause to be conducted annual financial statement  
7 audits of financial transactions and accounts kept by or for community  
8 college districts. For a community college district that is required to  
9 comply with the federal single audit requirements, audits shall include  
10 compliance audits of financial transactions and applicable accounts kept  
11 by or for the community college district. The audits shall be conducted  
12 in accordance with generally accepted governmental auditing standards and,  
13 accordingly, shall include tests of the accounting records and other  
14 auditing procedures as may be considered necessary under the  
15 circumstances.

16      4. Approve contracts for financial and compliance auditing services  
17 except if specific statutory authority is otherwise provided. The auditor  
18 general shall ensure that such contract audits are conducted in accordance  
19 with generally accepted governmental auditing standards and shall  
20 determine if such audits meet minimum audit standards prescribed by the  
21 auditor general. An audit shall not be accepted as meeting the  
22 requirements of this paragraph until it has been approved by the auditor  
23 general.

24      5. Order and enforce a correct and uniform system of accounting by  
25 county, community college district and school district officers and  
26 instruct them in the proper mode of keeping accounts of their offices.
