SENATE BILL 1377

AN ACT

AMENDING SECTION 32-1909, ARIZONA REVISED STATUTES; RELATING TO THE
ARIZONA STATE BOARD OF PHARMACY.

(TEXT OF BILL BEGINS ON NEXT PAGE)

1 Be it enacted by the Legislature of the State of Arizona:

2 Section 1. Section 32-1909, Arizona Revised Statutes, is amended to
3 read:

4 32-1909. Donated medicine; donors; authorized recipients;
5 requirements; immunity; definitions

6 A. A donor may donate medicine to an authorized recipient, and an
7 authorized recipient may receive donated medicine from donors. Before a
8 donor may make its first donation to an authorized recipient, the
9 authorized recipient must verify and record all the following:

10 1. That the donor is legally authorized to possess the medicine.

11 2. The donor's name, address and telephone number and permit or
12 license number, if applicable.

13 3. That the donor will remove or redact any patient names and
14 prescription numbers on donated medicine or will otherwise maintain
15 patient confidentiality by executing a confidentiality agreement with the
16 authorized recipient.

17 B. Notwithstanding any other law, an authorized recipient may
18 transfer donated medicine to another authorized recipient or to an entity
19 participating in a drug donation program operated by another state.
20 Medicine transferred pursuant to this section may be transferred only
21 once.

22 C. An authorized recipient may accept into inventory only donated
23 medicine that meets all of the following:

24 1. Is in unopened, tamper-evident packaging or that has been
25 repackaged under this section.

26 2. Is not adulterated or misbranded.

27 3. Has been maintained in accordance and in compliance with the
28 United States food and drug administration risk evaluation and mitigation
29 strategies pursuant to 21 United States Code section 355-1, if applicable.

30 4. Is accompanied by an attestation from the donor stating that the
31 medicine being donated has been kept in a temperature-controlled
32 environment and has not been adulterated.

33 D. An authorized recipient may accept into inventory a donated
34 biologic only if the donated biologic meets the requirements of subsection
35 C of this section and is donated by a health care professional or an
36 entity legally authorized to ~~posses~~ POSSESS the biologic.

37 E. Donated medicine that does not meet the requirements of
38 subsection C of this section must be disposed of by returning it to the
39 donor, destroying it in an incinerator, medical waste hauler or other
40 lawful method or transferring it to a returns processor. A record of
41 disposed medicine shall contain a description of the disposal method, the
42 date of disposal and the name, strength and quantity of each medicine
43 disposed of. No other record of disposal is required.

44 F. A drug manufacturer, repackager, dispenser or wholesaler, other
45 than a returns processor, that participates in this program shall comply

1 with the requirements of 21 United States Code sections 360eee-1 through
2 360eee-4 relating to drug supply chain security.

3 G. All donated medicine received by an authorized recipient but not
4 yet accepted into inventory shall be kept in a separate designated area.
5 Before or when accepting a donation or transfer into inventory, the
6 authorized recipient shall maintain a written or electronic inventory of
7 the donation consisting of the name, strength and quantity of each
8 accepted medicine and the name, address and telephone number of the donor.
9 This record is not required if the donor and authorized recipient are
10 under common ownership or common control. No other record of donation is
11 required.

12 H. An authorized recipient must store and maintain donated medicine
13 physically or electronically separated from other inventory and in a
14 secure and temperature-controlled environment that meets the drug
15 manufacturers' recommendations and United States pharmacopeia standards.

16 I. Repackaged medicine shall be labeled with the drug's name,
17 strength and expiration date and shall be kept in a separate designated
18 area until inspected and initialed by a health care professional. If
19 multiple packaged donated medicines with varied expiration dates are
20 repackaged together, the earliest expiration date shall be used.

21 J. An authorized recipient may administer or dispense only donated
22 medicine that meets all of the following:

23 1. ~~Meets~~ The requirements of subsection C of this section based on
24 an inspection by a health care professional.

25 2. If dispensed to an eligible patient, is repackaged into a new
26 container or has all previous patient information on the donated container
27 redacted or removed.

28 3. Is properly labeled in accordance with board rules.

29 4. Has an expiration or beyond-use date brought forward from the
30 donated medicine that will not expire before the medicine is completely
31 used by the eligible patient based on the prescribing practitioner's
32 directions for use or, for over-the-counter medicine, on the package's
33 label.

34 K. An authorized recipient may dispense or administer donated
35 medicine to an eligible patient only if otherwise allowed by law. Donated
36 medicine may be dispensed or administered only to eligible patients
37 pursuant to a valid prescription order and must have patient-specific
38 written or electronic records maintained in accordance with board rules.

39 L. Donated medicine may not be dispensed or administered to an
40 eligible patient if the prescriber writes or clearly displays on the face
41 of the prescription form "DAW", "dispense as written" or any other
42 language that indicates a substitution is not allowed.

43 M. The donation, transfer, receipt or facilitation of donated
44 medicine pursuant to this section is not considered wholesale distribution
45 and does not require licensing as a wholesale distributor.

1 N. Medicine donated under this section may not be resold and is
2 considered nonsaleable. Charging a handling, dispensing or administrative
3 fee under this section is not reselling a donated medicine. The board
4 shall prescribe in rule the limits on the fees that an authorized
5 recipient may charge under this section considering the medicine's retail
6 cost for a monthly supply.

7 O. When performing any action under this section or otherwise
8 processing donated medicine for tax, manufacturer or other credit, an
9 authorized recipient is considered to be acting as a returns processor and
10 shall comply with all recordkeeping requirements for nonsaleable returns
11 under federal law.

12 P. An authorized recipient shall retain all records required by
13 this section in a physical or electronic format for a period of at least
14 seven years. A donor and authorized recipient may contract with each
15 other or a third party to create or maintain records on each other's
16 behalf. An identifier, such as a serial number or barcode, may be used in
17 place of any information required to be in a record or on a label pursuant
18 to this section if the identifier allows for such information to be
19 readily retrievable. On request by the board, the identifier used for
20 requested records shall be replaced with the original information. An
21 identifier may not be used on patient labels when dispensing or
22 administering a donated medicine.

23 Q. A donation or other transfer of possession or control is not a
24 change of ownership unless it is specified as such by the authorized
25 recipient. If a record of the donation's transaction information or
26 history is required, the history must begin with the donor of the medicine
27 and include all prior donations and, if the medicine was previously
28 dispensed, must include only drug information required to be on the
29 patient label in accordance with board rules.

30 R. A donor or authorized recipient shall make all records available
31 for audit by the board within five business days after the request.

32 S. The following are not subject to civil liability, criminal
33 liability or professional disciplinary action if acting in good faith
34 under this section:

35 1. A person involved in the supply chain of donated medicine,
36 including a donor, authorized recipient, manufacturer, repackager,
37 wholesaler or pharmacy.

38 2. A person, including any employee, officer, volunteer, owner,
39 partner, member, director, contractor or other person or entity associated
40 with the person, that in compliance with this section prescribes, donates,
41 receives, dispenses, administers, transfers, replenishes or repackages
42 medicine, or facilitates any of the above pursuant to this section.

43 T. This section does not prohibit otherwise legal activities
44 related to nonprescription drugs.

1 U. EACH OF THE FOLLOWING ENTITIES MAY POST ON THE ENTITY'S PUBLIC
2 WEBSITE INFORMATION REGARDING WHERE AND HOW DONORS MAY DONATE MEDICINE,
3 WHO QUALIFIES AS AN ELIGIBLE PATIENT AND HOW AN ELIGIBLE PATIENT MAY
4 ACCESS DONATED MEDICINE:
