28 Sec. 3. Legislative intent

29 The right to exclude others from entering and the right to direct
30 others to immediately vacate residential real property are the most
31 important real property rights. Existing laws in this state fail to
32 adequately protect the rights of property owners amidst the rampant
33 increase of unauthorized persons occupying residential real property and
34 fail to adequately discourage theft and vandalism. The legislature
35 intends to quickly restore possession of residential real property to the
36 lawful owner of the property when the property is being unlawfully
37 occupied and to thereby preserve property rights while limiting the
38 opportunity for criminal activity.
