30 Whereas, during his first term in office, President Trump
31 discontinued the use of "sue and settle" lawsuits that had the effect of
32 imposing government policy on behalf of special interests without
33 congressional authorization or input from the states, other interested
34 parties and the general public; and

35 Whereas, during his first term in office, 4,000,000 jobs were
36 created, more than 400,000 of those in manufacturing, which is the fastest
37 manufacturing growth rate in more than three decades; and

38 Whereas, during his first term in office, President Trump signed the
39 Executive Order on Modernizing the Regulatory Framework for Agricultural
40 Biotechnology Products, which helped bring innovative new technologies to
41 market in American farming and agriculture; and

42 Whereas, President Trump established the Governors' Initiative on
43 Regulatory Innovation to reduce outdated regulations at the state, local
44 and tribal levels; and

1 Whereas, during the third quarter of 2020, the economy grew at a
