14 except that a district may enter into a partnership with an entity,
15 including a charter school, another school district or a military base, to

28 district and sold by the board.

29 9. Purchase school sites when authorized by a vote of the district
30 at an election conducted as nearly as practicable in the same manner as
31 the election provided in section 15-481 and held on a date prescribed in
32 section 15-491, subsection E, but such authorization shall not necessarily
33 specify the site to be purchased and such authorization shall not be
34 necessary to exchange unimproved property as provided in section 15-342,
35 paragraph 23. A SCHOOL DISTRICT GOVERNING BOARD MAY NOT PURCHASE ANY
36 SCHOOL SITE PURSUANT TO THIS PARAGRAPH IF A CHARTER SCHOOL OR PRIVATE
37 SCHOOL IS OPERATING AT THE SCHOOL SITE.

38 10. Construct, improve and furnish buildings used for school
39 purposes when such buildings or premises are leased from the national park
40 service.

41 11. Purchase school sites or construct, improve and furnish school

45 CHARTER SCHOOL OR PRIVATE SCHOOL IS OPERATING AT THE SCHOOL SITE.

1 12. Hold pupils to strict account for disorderly conduct on school
2 property.

3 13. Discipline students for disorderly conduct on the way to and
4 from school.

5 14. Except as provided in section 15-1224, deposit all monies
6 received by the district as gifts, grants and devises with the county
7 treasurer who shall credit the deposits as designated in the uniform
8 system of financial records. If not inconsistent with the terms of the
9 gifts, grants and devises given, any balance remaining after expenditures
10 for the intended purpose of the monies have been made shall be used to
11 reduce school district taxes for the budget year, except that in the case
12 of accommodation schools the county treasurer shall carry the balance
13 forward for use by the county school superintendent for accommodation
14 schools for the budget year.

15 15. Provide that, if a parent or legal guardian chooses not to
16 accept a decision of the teacher as provided in paragraph 42 of this
17 subsection, the parent or legal guardian may request in writing that the
18 governing board review the teacher's decision. This paragraph does not
19 release school districts from any liability relating to a child's
20 promotion or retention.

21 16. Provide for adequate supervision over pupils in instructional
22 and noninstructional activities by certificated or noncertificated
23 personnel.

24 17. Use school monies received from the state and county school

38 20. Establish bank accounts in which the board during a month may
39 deposit miscellaneous monies received directly by the district. The board
40 shall remit monies deposited in the bank accounts at least monthly to the
41 county treasurer for deposit as provided in paragraph 19 of this
42 subsection and in accordance with the uniform system of financial records.

43 21. Prescribe and enforce policies and procedures for disciplinary
44 action against a teacher who engages in conduct that is a violation of the
45 policies of the governing board but that is not cause for dismissal of the

1 teacher or for revocation of the certificate of the teacher. Disciplinary
2 action may include suspension without pay for a period of time not to
3 exceed ten school days. Disciplinary action shall not include suspension
4 with pay or suspension without pay for a period of time longer than ten
5 school days. The procedures shall include notice, hearing and appeal
6 provisions for violations that are cause for disciplinary action. The
7 governing board may designate a person or persons to act on behalf of the
8 board on these matters.

9 22. Prescribe and enforce policies and procedures for disciplinary
10 action against an administrator who engages in conduct that is a violation
11 of the policies of the governing board regarding duties of administrators
12 but that is not cause for dismissal of the administrator or for revocation

14 suspension without pay for a period of time not to exceed ten school days.
15 Disciplinary action shall not include suspension with pay or suspension
16 without pay for a period of time longer than ten school days. The
17 procedures shall include notice, hearing and appeal provisions for
18 violations that are cause for disciplinary action. The governing board
19 may designate a person or persons to act on behalf of the board on these
20 matters. For violations that are cause for dismissal, the provisions of
21 notice, hearing and appeal in chapter 5, article 3 of this title apply.
22 The filing of a timely request for a hearing suspends the imposition of a
23 suspension without pay or a dismissal pending completion of the hearing.

24 23. Notwithstanding sections 13-3108 and 13-3120, prescribe and
25 enforce policies and procedures that prohibit a person from carrying or
26 possessing a weapon on school grounds unless the person is a peace officer
27 or has obtained specific authorization from the school administrator.

28 24. Prescribe and enforce policies and procedures relating to the
29 health and safety of all pupils participating in district-sponsored
30 practice sessions or games or other interscholastic athletic activities,
31 including:

32 (a) The provision of water.

33 (b) Guidelines, information and forms, developed in consultation
34 with a statewide private entity that supervises interscholastic
35 activities, to inform and educate coaches, pupils and parents of the
36 dangers of concussions and head injuries and the risks of continued
37 participation in athletic activity after a concussion. The policies and
38 procedures shall require that, before a pupil participates in an athletic
39 activity, the pupil and the pupil's parent sign an information form at
40 least once each school year that states that the parent is aware of the
41 nature and risk of concussion. The policies and procedures shall require
42 that a pupil who is suspected of sustaining a concussion in a practice
43 session, game or other interscholastic athletic activity be immediately
44 removed from the athletic activity and that the pupil's parent or guardian
45 be notified. A coach from the pupil's team or an official or a licensed

1 health care provider may remove a pupil from play. A team parent may also
2 remove the parent's own child from play. A pupil may return to play on
3 the same day if a health care provider rules out a suspected concussion at
4 the time the pupil is removed from play. On a subsequent day, the pupil
5 may return to play if the pupil has been evaluated by and received written
6 clearance to resume participation in athletic activity from a health care
7 provider who has been trained in evaluating and managing concussions and
8 head injuries. A health care provider who is a volunteer and who provides
9 clearance to participate in athletic activity on the day of the suspected
10 injury or on a subsequent day is immune from civil liability with respect
11 to all decisions made and actions taken that are based on good faith
12 implementation of the requirements of this subdivision, except in cases of
13 gross negligence or wanton or wilful neglect. A school district, school
14 district employee, team coach, official or team volunteer or a parent or
15 guardian of a team member is not subject to civil liability for any act,
16 omission or policy undertaken in good faith to comply with the
17 requirements of this subdivision or for a decision made or an action taken
18 by a health care provider. A group or organization that uses property or
19 facilities owned or operated by a school district for athletic activities
20 shall comply with the requirements of this subdivision. A school district
21 and its employees and volunteers are not subject to civil liability for
22 any other person or organization's failure or alleged failure to comply
23 with the requirements of this subdivision. This subdivision does not
24 apply to teams that are based in another state and that participate in an
25 athletic activity in this state. For the purposes of this subdivision,
26 athletic activity does not include dance, rhythmic gymnastics,
27 competitions or exhibitions of academic skills or knowledge or other
28 similar forms of physical noncontact activities, civic activities or
29 academic activities, whether engaged in for the purposes of competition or
30 recreation. For the purposes of this subdivision, "health care provider"
31 means a physician who is licensed pursuant to title 32, chapter 13, 14 or
32 17, an athletic trainer who is licensed pursuant to title 32, chapter 41,
33 a nurse practitioner who is licensed pursuant to title 32, chapter 15, and
34 a physician assistant who is licensed pursuant to title 32, chapter 25.

35 (c) Guidelines, information and forms that are developed in
36 consultation with a statewide private entity that supervises
37 interscholastic activities to inform and educate coaches, pupils and
38 parents of the dangers of heat-related illnesses, sudden cardiac death and
39 prescription opioid use. Before a pupil participates in any
40 district-sponsored practice session or game or other interscholastic
41 athletic activity, the pupil and the pupil's parent must be provided with
42 information at least once each school year on the risks of heat-related
43 illnesses, sudden cardiac death and prescription opioid addiction.

44 25. Establish an assessment, data gathering and reporting system as
45 prescribed in chapter 7, article 3 of this title.

1 26. Provide special education programs and related services
2 pursuant to section 15-764, subsection A to all children with disabilities
3 as defined in section 15-761.

4 27. Administer competency tests prescribed by the state board of
5 education for the graduation of pupils from high school.

6 28. Ensure that insurance coverage is secured for all construction
7 projects for purposes of general liability, property damage and workers'
8 compensation and secure performance and payment bonds for all construction
9 projects.

10 29. Collect and maintain information about each current and former
11 teacher's educational and teaching background and experience in a
12 particular academic content subject area. A school district shall either
13 post the information on the school district's website or make the
14 information available for inspection on request of parents and guardians
15 of pupils enrolled at a school. This paragraph does not require any
16 school to release personally identifiable information in relation to any
17 teacher, including the teacher's address, salary, social security number
18 or telephone number.

19 30. Report to local law enforcement agencies any suspected crime
20 against a person or property that is a serious offense as defined in
21 section 13-706 or that involves a deadly weapon or dangerous instrument or
22 serious physical injury and any conduct that poses a threat of death or
23 serious physical injury to employees, students or anyone on the property
24 of the school. This paragraph does not limit or preclude the reporting by
25 a school district or an employee of a school district of suspected crimes
26 other than those required to be reported by this paragraph. For the
27 purposes of this paragraph, "dangerous instrument", "deadly weapon" and
28 "serious physical injury" have the same meanings prescribed in section
29 13-105.

30 31. In conjunction with local law enforcement agencies and
31 emergency response agencies, develop an emergency response plan for each
32 school in the school district in accordance with minimum standards
33 developed jointly by the department of education and the division of
34 emergency management within the department of emergency and military
35 affairs. Any emergency response plan developed pursuant to this paragraph
36 must address how the school and emergency responders will communicate with
37 and provide assistance to students with disabilities.

38 32. Provide written notice to the parents or guardians of all
39 students enrolled in the school district at least ten days before a public
40 meeting to discuss closing a school within the school district. The
41 notice shall include the reasons for the proposed closure and the time and
42 place of the meeting. The governing board shall fix a time for a public
43 meeting on the proposed closure not less than ten days before voting in a
44 public meeting to close the school. The school district governing board
45 shall give notice of the time and place of the meeting. At the time and

1 place designated in the notice, the school district governing board shall
2 hear reasons for or against closing the school. The school district
3 governing board is exempt from this paragraph if the governing board
4 determines that the school shall be closed because it poses a danger to
5 the health or safety of the pupils or employees of the school. A
6 governing board may consult with the division of school facilities within
7 the department of administration for technical assistance and for
8 information on the impact of closing a school. The information provided
9 from the division of school facilities within the department of
10 administration shall not require the governing board to take or not take
11 any action.

12 33. Incorporate instruction on Native American history into
13 appropriate existing curricula.

14 34. Prescribe and enforce policies and procedures:

15 (a) Allowing pupils who have been diagnosed with anaphylaxis by a
16 health care provider licensed pursuant to title 32, chapter 13, 14, 17 or
17 25 or by a registered nurse practitioner licensed and certified pursuant
18 to title 32, chapter 15 to carry and self-administer emergency
19 medications, including epinephrine delivery systems, while at school and
20 at school-sponsored activities. The pupil's name on the prescription
21 label on the medication container or on the medication device and annual
22 written documentation from the pupil's parent or guardian to the school
23 that authorizes possession and self-administration is sufficient proof
24 that the pupil is entitled to possess and self-administer the
25 medication. The policies shall require a pupil who uses an epinephrine
26 delivery system while at school and at school-sponsored activities to
27 notify the nurse or the designated school staff person of the use of the
28 medication as soon as practicable. A school district and its employees
29 are immune from civil liability with respect to all decisions made and
30 actions taken that are based on good faith implementation of the
31 requirements of this subdivision, except in cases of wanton or wilful
32 neglect.

33 (b) For the emergency administration of epinephrine delivery
34 systems by a trained employee of a school district pursuant to section
35 15-157.

36 35. Allow the possession and self-administration of prescription
37 medication for breathing disorders in handheld inhaler devices by pupils
38 who have been prescribed that medication by a health care professional
39 licensed pursuant to title 32. The pupil's name on the prescription label
40 on the medication container or on the handheld inhaler device and annual
41 written documentation from the pupil's parent or guardian to the school
42 that authorizes possession and self-administration is sufficient proof
43 that the pupil is entitled to possess and self-administer the medication.
44 A school district and its employees are immune from civil liability with

1 respect to all decisions made and actions taken that are based on a good
2 faith implementation of the requirements of this paragraph.

3 36. Prescribe and enforce policies and procedures to prohibit
4 pupils from harassing, intimidating and bullying other pupils on school
5 grounds, on school property, on school buses, at school bus stops, at
6 school-sponsored events and activities and through the use of electronic
7 technology or electronic communication on school computers, networks,
8 forums and mailing lists that include the following components:

9 (a) A procedure for pupils, parents and school district employees
10 to confidentially report to school officials incidents of harassment,
11 intimidation or bullying. The school shall make available written forms
12 designed to provide a full and detailed description of the incident and
13 any other relevant information about the incident.

14 (b) A requirement that school district employees report in writing
15 suspected incidents of harassment, intimidation or bullying to the
16 appropriate school official and a description of appropriate disciplinary
17 procedures for employees who fail to report suspected incidents that are
18 known to the employee.

19 (c) A requirement that, at the beginning of each school year,
20 school officials provide all pupils with a written copy of the rights,
21 protections and support services available to a pupil who is an alleged
22 victim of an incident reported pursuant to this paragraph.

23 (d) If an incident is reported pursuant to this paragraph, a
24 requirement that school officials provide a pupil who is an alleged victim
25 of the incident with a written copy of the rights, protections and support
26 services available to that pupil.

27 (e) A formal process for documenting reported incidents of
28 harassment, intimidation or bullying and providing for the
29 confidentiality, maintenance and disposition of this documentation.
30 School districts shall maintain documentation of all incidents reported
31 pursuant to this paragraph for at least six years. The school shall not
32 use that documentation to impose disciplinary action unless the
33 appropriate school official has investigated and determined that the
34 reported incidents of harassment, intimidation or bullying occurred. If a
35 school provides documentation of reported incidents to persons other than
36 school officials or law enforcement, all individually identifiable
37 information shall be redacted.

38 (f) A formal process for the appropriate school officials to
39 investigate suspected incidents of harassment, intimidation or bullying,
40 including procedures for notifying the alleged victim and the alleged
41 victim's parent or guardian when a school official or employee becomes
42 aware of the suspected incident of harassment, intimidation or bullying.

43 (g) Disciplinary procedures for pupils who have admitted or been
44 found to have committed incidents of harassment, intimidation or bullying.

1 (h) A procedure that sets forth consequences for submitting false
2 reports of incidents of harassment, intimidation or bullying.

3 (i) Procedures designed to protect the health and safety of pupils
4 who are physically harmed as the result of incidents of harassment,
5 intimidation and bullying, including, if appropriate, procedures to
6 contact emergency medical services or law enforcement agencies, or both.

7 (j) Definitions of harassment, intimidation and bullying.

8 37. Prescribe and enforce policies and procedures regarding
9 changing or adopting attendance boundaries that include the following
10 components:

11 (a) A procedure for holding public meetings to discuss attendance
12 boundary changes or adoptions that allows public comments.

13 (b) A procedure to notify the parents or guardians of the students
14 affected, including assurance that, if that school remains open as part of
15 the boundary change and capacity is available, students assigned to a new
16 attendance area may stay enrolled in their current school.

17 (c) A procedure to notify the residents of the households affected
18 by the attendance boundary changes.

19 (d) A process for placing public meeting notices and proposed maps
20 on the school district's website for public review, if the school district
21 maintains a website.

22 (e) A formal process for presenting the attendance boundaries of
23 the affected area in public meetings that allows public comments.

24 (f) A formal process for notifying the residents and parents or
25 guardians of the affected area as to the decision of the governing board
26 on the school district's website, if the school district maintains a
27 website.

28 (g) A formal process for updating attendance boundaries on the
29 school district's website within ninety days after an adopted boundary
30 change. The school district shall send a direct link to the school
31 district's attendance boundaries website to the department of real estate.

32 38. If the state board of education determines that the school
33 district has committed an overexpenditure as defined in section 15-107,
34 provide a copy of the fiscal management report submitted pursuant to
35 section 15-107, subsection H on its website and make copies available to
36 the public on request. The school district shall comply with a request
37 within five business days after receipt.

38 39. Ensure that the contract for the superintendent is structured
39 in a manner in which up to twenty percent of the total annual salary
40 included for the superintendent in the contract is classified as
41 performance pay. This paragraph does not require school districts to
42 increase total compensation for superintendents. Unless the school
43 district governing board votes to implement an alternative procedure at a
44 public meeting called for this purpose, the performance pay portion of the
45 superintendent's total annual compensation shall be determined as follows:

(a) Twenty-five percent of the performance pay shall be determined based on the percentage of academic gain determined by the department of education of pupils who are enrolled in the school district compared to the academic gain achieved by the highest ranking of the fifty largest school districts in this state. For the purposes of this subdivision, the department of education shall determine academic gain by the academic growth achieved by each pupil who has been enrolled at the same school in a school district for at least five consecutive months measured against that pupil's academic results in the 2008-2009 school year. For the purposes of this subdivision, of the fifty largest school districts in this state, the school district with pupils who demonstrate the highest statewide percentage of overall academic gain measured against academic results for the 2008-2009 school year shall be assigned a score of 100 and the school district with pupils who demonstrate the lowest statewide percentage of overall academic gain measured against academic results for the 2008-2009 school year shall be assigned a score of 0.

(b) Twenty-five percent of the performance pay shall be determined by the percentage of parents of pupils who are enrolled at the school district who assign a letter grade of "A" to the school on a survey of parental satisfaction with the school district. The parental satisfaction survey shall be administered and scored by an independent entity that is selected by the governing board and that demonstrates sufficient expertise and experience to accurately measure the results of the survey. The parental satisfaction survey shall use standard random sampling procedures and provide anonymity and confidentiality to each parent who participates in the survey. The letter grade scale used on the parental satisfaction survey shall direct parents to assign one of the following letter grades:

- (i) A letter grade of "A" if the school district is excellent.
- (ii) A letter grade of "B" if the school district is above average.
- (iii) A letter grade of "C" if the school district is average.
- (iv) A letter grade of "D" if the school district is below average.
- (v) A letter grade of "F" if the school district is a failure.

(c) Twenty-five percent of the performance pay shall be determined by the percentage of teachers who are employed at the school district and who assign a letter grade of "A" to the school on a survey of teacher satisfaction with the school. The teacher satisfaction survey shall be administered and scored by an independent entity that is selected by the governing board and that demonstrates sufficient expertise and experience to accurately measure the results of the survey. The teacher satisfaction survey shall use standard random sampling procedures and provide anonymity and confidentiality to each teacher who participates in the survey. The letter grade scale used on the teacher satisfaction survey shall direct teachers to assign one of the following letter grades:

- (i) A letter grade of "A" if the school district is excellent.
- (ii) A letter grade of "B" if the school district is above average.

1 (iii) A letter grade of "C" if the school district is average.
2 (iv) A letter grade of "D" if the school district is below average.
3 (v) A letter grade of "F" if the school district is a failure.
4 (d) Twenty-five percent of the performance pay shall be determined
5 by other criteria selected by the governing board.
6 40. Maintain and store permanent public records of the school
7 district as required by law. Notwithstanding section 39-101, the
8 standards adopted by the Arizona state library, archives and public
9 records for the maintenance and storage of school district public records
10 shall allow school districts to elect to satisfy the requirements of this
11 paragraph by maintaining and storing these records either on paper or in
12 an electronic format, or a combination of a paper and electronic format.
13 41. Adopt in a public meeting and implement policies for principal
14 evaluations. Before adopting principal evaluation policies, the school
15 district governing board shall provide opportunities for public discussion
16 on the proposed policies. The governing board shall adopt policies that:
17 (a) Are designed to improve principal performance and improve
18 student achievement.
19 (b) Include the use of quantitative data on the academic progress
20 for all students, which shall account for between twenty percent and
21 thirty-three percent of the evaluation outcomes.
22 (c) Include four performance classifications, designated as highly
23 effective, effective, developing and ineffective.
24 (d) Describe both of the following:
25 (i) The methods used to evaluate the performance of principals,
26 including the data used to measure student performance and job
27 effectiveness.
28 (ii) The formula used to determine evaluation outcomes.
29 42. Prescribe and enforce policies and procedures that define the
30 duties of principals and teachers. These policies and procedures shall
31 authorize teachers to take and maintain daily classroom attendance, make
32 the decision to promote or retain a pupil in a grade in common school or
33 to pass or fail a pupil in a course in high school, subject to review by
34 the governing board in the manner provided in section 15-342,
35 paragraph 11.
36 43. Prescribe and enforce policies and procedures for the emergency
37 administration by an employee of a school district pursuant to section
38 36-2267 of naloxone hydrochloride or any other opioid antagonist approved
39 by the United States food and drug administration.
40 44. In addition to the notification requirements prescribed in
41 paragraph 36 of this subsection, prescribe and enforce reasonable and
42 appropriate policies to notify a pupil's parent or guardian if any person
43 engages in harassing, threatening or intimidating conduct against that
44 pupil. A school district and its officials and employees are immune from
45 civil liability with respect to all decisions made and actions taken that

1 are based on good faith implementation of the requirements of this
2 paragraph, except in cases of gross negligence or wanton or wilful
3 neglect. A person engages in threatening or intimidating if the person
4 threatens or intimidates by word or conduct to cause physical injury to
5 another person or serious damage to the property of another on school
6 grounds. A person engages in harassment if, with intent to harass or with
7 knowledge that the person is harassing another person, the person
8 anonymously or otherwise contacts, communicates or causes a communication
9 with another person by verbal, electronic, mechanical, telephonic or
10 written means in a manner that harasses on school grounds or substantially
11 disrupts the school environment.

12 45. Each fiscal year, provide to each school district employee a
13 total compensation statement that is broken down by category of benefit or
14 payment and that includes, for that employee, at least all of the
15 following:

- 16 (a) Base salary and any additional pay.
- 17 (b) Medical benefits and the value of any employer-paid portions of
- 18 insurance plan premiums.
- 19 (c) Retirement benefit plans, including social security.
- 20 (d) Legally required benefits.
- 21 (e) Any paid leave.
- 22 (f) Any other payment made to or on behalf of the employee.
- 23 (g) Any other benefit provided to the employee.

24 46. Develop and adopt in a public meeting policies to allow for
25 visits, tours and observations of all classrooms by parents of enrolled
26 pupils and parents who wish to enroll their children in the school
27 district unless a visit, tour or observation threatens the health and
28 safety of pupils and staff. These policies and procedures must be easily
29 accessible from the home page on each school's website.

30 B. Notwithstanding subsection A, paragraphs 7, 9 and 11 of this
31 section, the county school superintendent may construct, improve and
32 furnish school buildings or purchase or sell school sites in the conduct
33 of an accommodation school.

34 C. If any school district acquires real or personal property,
35 whether by purchase, exchange, condemnation, gift or otherwise, the
36 governing board shall pay to the county treasurer any taxes on the
37 property that were unpaid as of the date of acquisition, including
38 penalties and interest. The lien for unpaid delinquent taxes, penalties
39 and interest on property acquired by a school district:

40 1. Is not abated, extinguished, discharged or merged in the title
41 to the property.

42 2. Is enforceable in the same manner as other delinquent tax liens.

43 D. The governing board may not locate a school on property that is
44 less than one-fourth mile from agricultural land regulated pursuant to
45 section 3-365, except that the owner of the agricultural land may agree to

1 comply with the buffer zone requirements of section 3-365. If the owner
2 agrees in writing to comply with the buffer zone requirements and records
3 the agreement in the office of the county recorder as a restrictive
4 covenant running with the title to the land, the school district may
5 locate a school within the affected buffer zone. The agreement may
6 include any stipulations regarding the school, including conditions for
7 future expansion of the school and changes in the operational status of
8 the school that will result in a breach of the agreement.

9 E. A school district, its governing board members, its school
10 council members and its employees are immune from civil liability for the
11 consequences of adopting and implementing policies and procedures pursuant
12 to subsection A of this section and section 15-342. This waiver does not
13 apply if the school district, its governing board members, its school
14 council members or its employees are guilty of gross negligence or
15 intentional misconduct.

16 F. A governing board may delegate in writing to a superintendent,
17 principal or head teacher the authority to prescribe procedures that are
18 consistent with the governing board's policies.

19 G. Notwithstanding any other provision of this title, a school
20 district governing board shall not take any action that would result in a
21 reduction of pupil square footage unless the governing board notifies the
22 school facilities oversight board established by section 41-5701.02 of the
23 proposed action and receives written approval from the school facilities
24 oversight board to take the action. A reduction includes an increase in
25 administrative space that results in a reduction of pupil square footage
26 or sale of school sites or buildings, or both. A reduction includes a
27 reconfiguration of grades that results in a reduction of pupil square
28 footage of any grade level. This subsection does not apply to temporary
29 reconfiguration of grades to accommodate new school construction if the
30 temporary reconfiguration does not exceed one year. The sale of equipment
31 that results in a reduction that falls below the equipment requirements
32 prescribed in section 41-5711, subsection B is subject to commensurate
33 withholding of school district district additional assistance monies
34 pursuant to the direction of the school facilities oversight board.
35 Except as provided in section 15-342, paragraph 10, proceeds from the sale
36 of school sites, buildings or other equipment shall be deposited in the
37 school plant fund as provided in section 15-1102.

38 H. Subsections C through G of this section apply to a county board
39 of supervisors and a county school superintendent when operating and
40 administering an accommodation school.

41 I. A school district governing board may delegate authority in
42 writing to the superintendent of the school district to submit plans for
43 new school facilities to the school facilities oversight board for the
44 purpose of certifying that the plans meet the minimum school facility
45 adequacy guidelines prescribed in section 41-5711.

1 J. For the purposes of subsection A, paragraph 37 of this section,
2 attendance boundaries may not be used to require students to attend
3 certain schools based on the student's place of residence.

19 for a school purpose and receive reimbursement. Any expenditure for
20 travel and subsistence pursuant to this paragraph shall be as provided in
21 title 38, chapter 4, article 2. The designated post of duty referred to
22 in section 38-621 shall be construed, for school district governing board
23 members, to be the member's actual place of residence, as opposed to the
24 school district office or the school district boundaries. Such
25 expenditures shall be a charge against the budgeted school district funds.
26 The governing board of a school district shall prescribe procedures and
27 amounts for reimbursement of lodging and subsistence expenses.

8 section 15-491, ~~except that~~. A SCHOOL DISTRICT GOVERNING BOARD MAY NOT

26 board in which the school district agrees to sell the improved or
27 unimproved property and transfer the proceeds of the sale to the school
28 facilities oversight board in exchange for monies from the school
29 facilities oversight board for the acquisition of a more suitable school
30 site. For a sale of property acquired by a school district before July 9,
31 1998, a school district shall transfer to the school facilities oversight

40 property pursuant to a formally adopted plan and the school district uses
41 the proceeds of this sale to purchase other property that will be used for
42 similar purposes as the property that was originally sold if the sale
43 proceeds of the improved or unimproved property are used within two years
44 after the date of the original sale to purchase the replacement property.
45 If the sale proceeds of the improved or unimproved property are not used

1 within two years after the date of the original sale to purchase
2 replacement property, the sale proceeds shall be used toward paying any
3 outstanding bonded indebtedness. If any sale proceeds remain after paying
4 for outstanding bonded indebtedness, or if the district has no outstanding
5 bonded indebtedness, sale proceeds shall be used to reduce the district's
6 primary tax levy. A school district shall not use this subdivision unless
7 all of the following conditions exist:

31 meeting. If the review is conducted in executive session, the board shall
32 notify the teacher of the date, time and place of the review and shall
33 allow the teacher to be present at the review. If the teacher is not
34 present at the review, the board shall consult with the teacher before
35 making its decision. Any request, including the written request as

12 board directs the distribution of any monies pursuant to this subsection,
13 the school district shall demonstrate to the school facilities oversight
14 board that the facilities to be funded pursuant to section 41-5741,
15 subsection 0 meet the minimum adequacy standards prescribed in section
16 41-5711. If the cost to construct the school facility exceeds the amount
17 that the school district receives from the new school facilities fund, the

19 shall specify that, except as otherwise provided by the other party, any
20 such excess costs shall be the responsibility of the school district. The

34 this paragraph shall be distributed from the new school facilities fund
35 pursuant to section 41-5741. If a school district acquires land by

10 15-491. Elections on school property: exceptions

11 A. The governing board of a school district may, and on petition of
12 fifteen percent of the school electors as shown by the poll list at the
13 last preceding annual school election shall, call an election for the
14 following purposes:

15 1. To locate or change the location of school buildings.

16 2. To purchase or sell school sites or buildings or sell school
17 sites pursuant to section 15-342 or to build school buildings, but the
18 authorization by vote of the school district shall not necessarily specify
19 the site to be purchased. AN AUTHORIZATION PURSUANT TO THIS PARAGRAPH
20 DOES NOT ALLOW A SCHOOL DISTRICT GOVERNING BOARD TO PURCHASE A SCHOOL SITE
21 OR BUILDING IF THE PURCHASE IS PROHIBITED BECAUSE A CHARTER SCHOOL OR
22 PRIVATE SCHOOL IS OPERATING AT THE SCHOOL SITE OR IN THE SCHOOL BUILDING.

23 3. To decide whether the bonds of the school district shall be
24 issued and sold for the purpose of raising monies for purchasing or
25 leasing school lots, for building or renovating school buildings, for
26 supplying school buildings with furniture, equipment and technology, for
27 improving school grounds, for purchasing pupil transportation vehicles or
28 for liquidating any indebtedness already incurred for such purposes.
29 Bonds issued for furniture, equipment and technology, other than fixtures,
30 shall mature not later than the July 1 that follows the fifth year after
31 the bonds were issued. A school district shall not issue class B bonds
32 until the school district has obligated in contract the entire proceeds of
33 any class A bonds issued by the school district. The total amount of
34 class A and class B bonds issued by a school district shall not exceed the
35 debt limitations prescribed in article IX, sections 8 and 8.1,
36 Constitution of Arizona.

37 4. To lease for twenty or more years, as lessor or as lessee,
38 school buildings or grounds. Approval by a majority of the school
39 district electors voting authorizes the governing board to negotiate for
40 and enter into a lease. The ballot shall list the school buildings or
41 grounds for which a lease is sought. If the governing board does not
42 enter into a lease of twenty or more years of the school buildings or
43 grounds listed on the ballot within twenty years after the date of the
44 election and the board continues to seek such a lease, the governing board

1 shall call a special election to reauthorize the board to negotiate for
2 and to enter into a lease of twenty or more years.

3 5. To change the list of capital projects or the purposes
4 authorized by prior voter approval to issue bonds.

5 6. To extend from six to ten years the time period to issue class B
6 bonds authorized in 2009 or earlier. Elections pursuant to this paragraph
7 may not be held later than the sixth November after the election approving
8 the issuance of the bonds.

9 B. A petition is not required for holding the first election to be
10 held in a joint common school district for any of the purposes specified
11 in subsection A of this section. The certification of election results
12 required by section 15-493 shall be made to the board of supervisors of
13 the jurisdictional county.

14 C. When the election is called to determine whether or not bonds of
15 the school district shall be issued and sold for the purposes enumerated
16 in the call for the election, the question shall be submitted to the vote
17 of the qualified electors of the school district as defined in section
18 15-401 and subject to section 15-402.

19 D. The governing board shall order the election to be held and the
20 election notice and procedures to be conducted in the manner prescribed in
21 title 35, chapter 3, article 3. If a petition for an election has been
22 filed with the governing board as provided in subsection A of this
23 section, the board shall act on the petition within sixty days by ordering
24 the election to be held as provided in this subsection. If a school
25 district bond election is scheduled for the same date a school district
26 will hold an override election, the governing body shall deliver a copy of
27 the notice of election and ballot to the county school superintendent who
28 shall include the notice of election and ballot with the informational
29 pamphlet and ballot prepared for the override election. Mailing of the
30 information required for both the override and bond elections shall
31 constitute compliance with the notice provisions of this section.

32 E. The elections to be held pursuant to this section shall only be
33 held on dates prescribed by section 16-204, except that elections held
34 pursuant to this section to decide whether class B bonds shall be issued,
35 or any other obligation incurred that will require the assessment of
36 secondary property taxes, shall only be held on the first Tuesday after
37 the first Monday of November.

38 F. Subsection A, paragraph 2 of this section does not apply to the
39 sale of school property if the market value of the school property is less
40 than \$50,000.

41 G. Bond counsel fees, financial advisory fees, printing costs and
42 paying agent and registrar fees for bonds issued pursuant to an election
43 under this section shall be paid from either the amount authorized by the
44 qualified electors of the school district or current operating funds.
45 Bond election expenses shall be paid from current operating funds only.

2 be issued pursuant to this section:

28 with this section. If the director of the Arizona legislative council
29 determines that the proposed ballot language does not comply with this
30 section, the director, within ten calendar days after receiving the
31 proposed ballot language, shall notify the school district and the county
32 school superintendent of the director's objections, and the school
33 district shall resubmit revised ballot language to the director for
34 approval.

35 5. Not later than thirty-five days before a class B bond election
