AN ACT

AMENDING SECTION 12-2293, ARIZONA REVISED STATUTES; RELATING TO PATIENT RECORDS.

(TEXT OF BILL BEGINS ON NEXT PAGE)

1 Be it enacted by the Legislature of the State of Arizona:

2 Section 1. Section 12-2293, Arizona Revised Statutes, is amended to
3 read:

4 12-2293. Release of medical records and payment records to
5 patients and health care decision makers;
6 definition

7 A. Except as provided in subsections B and C of this section, on
8 the written request of a patient or the patient's health care decision
9 maker for access to or copies of the patient's medical records and payment
10 records, the health care provider in possession of the **MEDICAL RECORD OR**
11 **PAYMENT** record shall provide access to or copies of the **MEDICAL RECORDS OR**
12 **PAYMENT** records to the patient or the patient's health care decision maker
13 **PROMPTLY AND WITHIN NOT MORE THAN SEVEN BUSINESS DAYS.**

14 B. A health care provider may deny a request for access to or
15 copies of medical records or payment records if a health professional
16 determines that either:

17 1. Access by the patient is reasonably likely to endanger the life
18 or physical safety of the patient or another person.

19 2. The **MEDICAL RECORDS OR PAYMENT** records make reference to a
20 person other than a health professional and access by the patient or the
21 patient's health care decision maker is reasonably likely to cause
22 substantial harm to that other person.

23 3. Access by the patient's health care decision maker is reasonably
24 likely to cause substantial harm to the patient or another person.

25 4. Access by the patient or the patient's health care decision
26 maker would reveal information obtained under a promise of confidentiality
27 with someone other than a health professional and access would be
28 reasonably likely to reveal the source of the information.

29 C. A health care provider may deny a request for access to or
30 copies of medical records or payment records if the health care provider
31 determines that either:

32 1. The information was created or obtained in the course of
33 clinical research and the patient or the patient's health care decision
34 maker agreed to the denial of access when consenting to participate in the
35 research and was informed that the right of access will be reinstated on
36 completion of the research.

37 2. A health care provider is a correctional institution or is
38 acting under the direction of a correctional institution and access by a
39 patient who is an inmate in the correctional institution would jeopardize
40 the health, safety, security, custody or rehabilitation of the patient or
41 other inmates or the safety of any officer, employee or other person at
42 the correctional institution or of a person who is responsible for
43 transporting the inmate.

1 D. If the health care provider denies a request for access to or
2 copies of the medical records or payment records, the health care provider
3 must note this determination in the patient's records and provide to the
4 patient or the patient's health care decision maker a written explanation
5 of the reason for the denial of access. The health care provider must
6 release the medical records or payment records information for which there
7 is not a basis to deny access under subsection B of this section.

8 E. For the purposes of this section, "health professional" has the
9 same meaning prescribed in section 32-3201.
