8 shall sponsor charter schools to be online course providers or online
9 schools. The state board of education and state-approved charter
10 authorizers shall develop standards for the approval of online course
11 providers and online schools based on the following criteria:

12 1. The depth and breadth of curriculum choices.

13 2. The variety of educational methodologies employed by the school
14 and the means of addressing the unique needs and learning styles of
15 targeted pupil populations, including computer-assisted learning systems,
16 virtual classrooms, virtual laboratories, electronic field trips, ~~e-mail~~
17 EMAIL, virtual tutoring, online help desk, group chat sessions and
18 noncomputer-based activities performed under the direction of a

34 online instruction on a probationary status. After a new school that
35 provides online instruction has clearly demonstrated the academic
36 integrity of its instruction through the actual improvement of the
37 academic performance of its students, the school may apply to be removed
38 from probationary status. The state board of education or the
39 state-approved charter authorizer that sponsored the charter school shall
40 remove from Arizona online instruction any probationary school that fails
41 to clearly demonstrate improvement in academic performance within three
42 years measured against goals in the approved application and the state's
43 accountability system. All pupils who participate in Arizona online
44 instruction shall reside in this state. Pupils who participate in Arizona
45 online instruction are subject to the testing requirements prescribed in

15 E. Each school selected for Arizona online instruction shall ensure
16 that a daily log is maintained for each pupil who participates in Arizona
17 online instruction. The daily log shall describe the amount of time spent
18 by each pupil participating in Arizona online instruction pursuant to this
19 section on academic tasks. The daily log shall be used by the school
20 district or charter school to qualify the pupils who participate in
21 Arizona online instruction in the school's average daily attendance

23 F. If a pupil is enrolled in a school district or charter school
24 and also participates in Arizona online instruction, the sum of the
25 average daily membership, which includes enrollment as prescribed in
26 section 15-901, subsection A, paragraph 1, subdivisions (a) and (b) and
27 daily attendance as prescribed in section 15-901, subsection A, paragraph

31 online instruction and the sum of the daily membership or daily attendance
32 for that pupil is greater than 1.0, the sum shall be reduced to 1.0 and
33 shall be apportioned between the school district, unless the school
34 district is a career technical education district subject to the
35 apportionment requirements of section 15-393, or charter school and
36 Arizona online instruction based on the percentage of total time that the
37 pupil is enrolled or in attendance in the school district or charter

39 records shall include guidelines for the apportionment of the pupil
40 enrollment and attendance as provided in this subsection. Pupils in

42 subsection and may generate an average daily attendance of 1.0 for
43 attendance hours during any hour of the day, during any day of the week
44 and at any time between July 1 and June 30 of each fiscal year. For
45 kindergarten programs and grades one through eight, average daily

1 membership shall be calculated by dividing the instructional hours as
2 reported in the daily log required in subsection E of this section by the
3 applicable hourly requirements prescribed in section 15-901. For grades
4 nine through twelve, average daily membership shall be calculated by
5 dividing the instructional hours as reported in the daily log required in
6 subsection E of this section by nine hundred. The average daily
7 membership of a pupil who participates in online instruction shall not
8 exceed 1.0. Average daily membership shall not be calculated on the one
9 hundredth day of instruction for the purposes of this section. Funding
10 shall be determined as follows:

11 1. A pupil who is enrolled full-time in Arizona online instruction
12 shall be funded for online instruction at ninety-five percent of the base

14 enrolled as a full-time student in a school district or charter school
15 that does not participate in Arizona online instruction. Charter
16 additional assistance and district additional assistance shall be
17 calculated in the same manner they would be calculated if the student were

19 Arizona online instruction.

20 2. A pupil who is enrolled part-time in Arizona online instruction
21 shall be funded for online instruction at eighty-five percent of the base
22 support level that would be calculated for that pupil if that pupil were
23 enrolled as a part-time student in a school district or charter school
24 that does not participate in Arizona online instruction. Charter
25 additional assistance and district additional assistance shall be
26 calculated in the same manner they would be calculated if the student were
27 enrolled in a district or charter school that does not participate in
28 Arizona online instruction.

29 G. If the academic achievement of a pupil declines while the pupil
30 is participating in Arizona online instruction, the pupil's parents, the
31 pupil's teachers and the principal or head teacher of the school shall
32 confer to evaluate whether the pupil should be allowed to continue to
33 participate in Arizona online instruction.

34 H. To ensure the academic integrity of pupils who participate in
35 online instruction, Arizona online instruction shall include multiple
36 diverse assessment measures and the proctored administration of required
37 state standardized tests.

38 I. A school district or charter school may not charge a fee to a
39 pupil who takes an examination in a particular course to obtain academic
40 credit, pursuant to section 15-701.01, subsection I, from the school
41 district or charter school if the academic credit for a course was
42 previously earned in an Arizona online instruction course or at any public

 45 school day through the first one hundred days or two hundred days in

1 session, as applicable, for the current year. For the purposes of this
2 paragraph, "withdrawals" means students who are formally withdrawn from
3 schools or students who are absent for ten consecutive school days, except
4 for excused absences identified by the department of education. For
5 computation purposes, a student who is absent for nine or fewer
6 consecutive school days, including the last day of the school year, is not
7 a withdrawal and may not be subtracted from the total enrollment of
8 fractional students and full-time students. For the purposes of this
9 section, school districts and charter schools shall report student absence
10 data to the department of education at least once every sixty days in

8 an instructional program of one subject that meets at least one hundred
9 eighty hours for a one hundred eighty-day school year, or the
