5 A. On or before March 1 of each year, each authorized domestic  
6 insurer, each other insurer and each formerly authorized insurer referred  
7 to in section 20-206, subsection B shall file with the director a report  
8 in a form prescribed by the director showing total direct premium income  
9 including policy membership and other fees and all other considerations  
10 for insurance from all classes of business whether designated as a premium  
11 or otherwise received by it during the preceding calendar year on account  
12 of policies and contracts covering property, subjects or risks located,  
13 resident or to be performed in this state, after deducting from such total  
14 direct premium income applicable cancellations, returned premiums, the  
15 amount of reduction in or refund of premiums allowed to industrial life  
16 policyholders for payment of premiums direct to an office of the insurer  
17 and all policy dividends, refunds, savings coupons and other similar  
18 returns paid or credited to policyholders within this state and not  
19 reapplied as premiums for new, additional or extended insurance. No  
20 deduction shall be made of the cash surrender values of policies or  
21 contracts. Considerations received on annuity contracts, as well as the  
22 unabsorbed portion of any premium deposit, shall not be included in total  
23 direct premium income, and neither shall be subject to tax. The report  
24 shall separately indicate the total direct fire insurance premium income  
25 received from property located in the incorporated cities and towns  
26 certified by the office of the state fire marshal pursuant to section  
27 9-951, subsection B, as procuring the services of a private fire company.

5 shall be deducted from the tax payable pursuant to subsection B of this  
6 section. Each insurer shall reflect the cost savings attributable to the  
7 lower tax in fire insurance premiums charged on property located in an  
8 incorporated city or town certified by the office of the state fire  
9 marshal pursuant to section 9-951, subsection B, as procuring the services  
10 of a private fire company. No insurer shall be liable to the state or to

12 the calculation or submittal of fire insurance premium taxes based in good  
13 faith on the office of the state fire marshal's certification.

26           D. A dealer or authorized third party who issues a special ninety

4 nonresident registration permit, a motor vehicle dealer or authorized

18 Sec. 9. Section 41-1520, Arizona Revised Statutes, is amended to  
19 read:

20 41-1520. International operations centers; utility relief;  
21 certification; revocation; definitions

22 A. Utility relief is allowed for the owner or operator of an  
23 international operations center that is certified pursuant to this  
24 section.

25 B. To qualify for the utility relief, the owner or operator must  
26 submit to the authority an application in a form prescribed by the  
27 authority that includes all of the following:

28 1. The owner's or operator's name, address and telephone number.

29 2. The address of the site where the facility is or will be  
30 located, including, if applicable, information sufficient to identify the  
31 specific portion or portions of the facility comprising the international  
32 operations center.

33 3. An estimate of the total investment the owner or operator or an  
34 affiliated entity, including investments made by a third-party entity on  
35 behalf of and for the benefit of the owner, operator or affiliated entity,  
36 will make, over a three-year period beginning on the date the application  
37 is received, in new renewable energy facilities in this state that produce  
38 energy for self-consumption by the international operations center using  
39 renewable energy resources.

40 4. The expected location of each of the renewable energy facilities  
41 that comprise the total investment estimated in paragraph 3 of this  
42 subsection and the earliest date that each facility is expected to be  
43 operational.

44 5. A statement that a portion of the power generated by each  
45 renewable energy facility, as required by subsection D, paragraph 4 of

1 this section, is for self-consumption and will be used for international  
2 operations center use.

3 C. Within sixty days after receiving a complete and correct  
4 application, the authority shall review the application and either issue a  
5 written certification that the international operations center qualifies  
6 for the utility relief or provide written reasons for its denial. A  
7 failure to approve or deny the application within sixty days after the  
8 date of submittal constitutes certification of the international  
9 operations center, and the authority shall issue written certification to  
10 the owner or operator within fourteen days. The authority shall send a  
11 copy of the certification to the department of revenue.

12 D. The owner or operator of the international operations center  
13 must achieve all of the following requirements after taking into account  
14 the combined investments made by the owner or operator:

15 1. A minimum annual investment of \$100,000,000 in new capital  
16 assets, including costs of land, buildings and international operations  
17 center equipment in each of ten consecutive taxable years of the owner or  
18 operator. Investments greater than \$100,000,000 in any taxable year may be  
19 carried forward as a credit toward the investment requirement in future  
20 years.

21 2. On or before the tenth anniversary of certification, a minimum  
22 investment of at least \$1,250,000,000 in new capital assets, including  
23 costs of land, buildings and international operations center equipment.

24 3. An investment by the owner or operator or an affiliated entity,  
25 or a third-party entity on behalf of or for the direct benefit of the  
26 owner, operator or affiliated entity, of at least \$100,000,000 in one or  
27 more new renewable energy facilities in this state that produce energy for  
28 self-consumption using renewable energy resources. The minimum investment  
29 must be completed within a three-year period beginning on the date the  
30 initial application is received or by December 31, 2030, whichever is  
31 earlier. Construction of the renewable energy facilities shall begin not  
32 later than six months after the receipt of the application.

33 4. The use of a portion of the energy produced at each renewable  
34 energy facility for self-consumption in this state. By the fifth year a  
35 renewable energy facility is in operation, at least fifty-one percent of  
36 the energy produced must be used for self-consumption in this state.  
37 Self-consumption includes the power used by related entities if the  
38 related entities are directly or indirectly under the same ownership  
39 interests that collectively own more than eighty percent. Power that a  
40 renewable energy facility transfers to a utility qualifies as  
41 self-consumption if the utility is the same utility that provides power to  
42 the owner's or operator's international operations center in this state,  
43 regardless of whether the owner or operator or an affiliated entity owns  
44 or leases the renewable energy facility or the land on which it is located  
45 at the time of transfer.

1           5. The use of power for self-consumption under paragraph 4 of this  
2 subsection is for an international operations center in this state. A  
3 lessor of an international operations center facility that uses power for  
4 self-consumption under paragraph 4 of this subsection satisfies the  
5 requirements of this paragraph if the lessee is an international  
6 operations center and the power is transferred as part of the lease to the  
7 lessee.

8           E. Within thirty days after the end of each taxable year following  
9 certification, and within thirty days after the tenth anniversary of  
10 certification, the owner or operator shall furnish the authority written

12 are required by section 42-5032.02. Information disclosed by the  
13 department under this subsection:

14 1. May be used only by the city, town or county for internal  
15 purposes.

16 2. May not be disclosed to the public in any manner that does not  
17 comply with confidentiality standards established by the department. The  
18 city, town or county must agree with the department in writing that any  
19 release of confidential information that violates the confidentiality  
20 standards will result in the immediate suspension of any rights of the  
21 city, town or county to receive information under this subsection.

22 ~~W.~~ W. Notwithstanding any other provision of this section, the  
23 department may not disclose information provided by an online lodging

33 Sec. 13. Section 42-5009, Arizona Revised Statutes, is amended to  
34 read:

35 42-5009. Certificates establishing deductions; liability for  
36 making false certificate; tax exclusion;  
37 definitions

38 A. A person who conducts any business classified under article 2 of  
39 this chapter may establish entitlement to the allowable deductions from  
40 the tax base of that business by both:

41 1. Marking the invoice for the transaction to indicate that the  
42 gross proceeds of sales or gross income derived from the transaction was  
43 deducted from the tax base.

44 2. Obtaining a certificate executed by the purchaser indicating the  
45 name and address of the purchaser, the precise nature of the business of

1 the purchaser, the purpose for which the purchase was made, the necessary  
2 facts to establish the appropriate deduction and the tax license number of  
3 the purchaser to the extent the deduction depends on the purchaser  
4 conducting business classified under article 2 of this chapter and a  
5 certification that the person executing the certificate is authorized to  
6 do so on behalf of the purchaser. The certificate may be disregarded if  
7 the seller has reason to believe that the information contained in the  
8 certificate is not accurate or complete.

9 B. A person who does not comply with subsection A of this section  
10 may establish entitlement to the deduction by presenting facts necessary  
11 to support the entitlement, but the burden of proof is on that person.

12 C. The department may prescribe a form for the certificate  
13 described in subsection A of this section. Under such rules as it may  
14 prescribe, the department may also describe transactions with respect to  
15 which a person is not entitled to rely solely on the information contained  
16 in the certificate provided for in subsection A of this section but must  
17 instead obtain such additional information as required by the rules in  
18 order to be entitled to the deduction.

19 D. If a seller is entitled to a deduction by complying with  
20 subsection A of this section, the department may require the purchaser  
21 that caused the execution of the certificate to establish the accuracy and  
22 completeness of the information required to be contained in the  
23 certificate that would entitle the seller to the deduction. If the  
24 purchaser cannot establish the accuracy and completeness of the  
25 information, the purchaser is liable in an amount equal to any tax,  
26 penalty and interest that the seller would have been required to pay under  
27 this article if the seller had not complied with subsection A of this  
28 section. Payment of the amount under this subsection exempts the  
29 purchaser from liability for any tax imposed under article 4 of this  
30 chapter. The amount shall be treated as tax revenues collected from the  
31 seller in order to designate the distribution base for purposes of section  
32 42-5029.

33 E. If a seller is entitled to a deduction by complying with  
34 subsection B of this section, the department may require the purchaser to  
35 establish the accuracy and completeness of the information provided to the  
36 seller that entitled the seller to the deduction. If the purchaser cannot  
37 establish the accuracy and completeness of the information, the purchaser  
38 is liable in an amount equal to any tax, penalty and interest that the  
39 seller would have been required to pay under this article if the seller  
40 had not complied with subsection B of this section. Payment of the amount  
41 under this subsection exempts the purchaser from liability for any tax  
42 imposed under article 4 of this chapter. The amount shall be treated as  
43 tax revenues collected from the seller in order to designate the  
44 distribution base for purposes of section 42-5029.

1 F. The department may prescribe a form for a certificate used to  
 2 establish entitlement to the deductions described in section 42-5061,  
 3 subsection A, paragraph 46 and section 42-5063, subsection B, paragraph 3.  
 4 Under rules the department may prescribe, the department may also require  
 5 additional information for the seller to be entitled to the deduction. If  
 6 a seller is entitled to the deductions described in section 42-5061,  
 7 subsection A, paragraph 46 and section 42-5063, subsection B, paragraph 3,  
 8 the department may require the purchaser who executed the certificate to  
 9 establish the accuracy and completeness of the information contained in  
 10 the certificate that would entitle the seller to the deduction. If the  
 11 purchaser cannot establish the accuracy and completeness of the  
 12 information, the purchaser is liable in an amount equal to any tax,  
 13 penalty and interest that the seller would have been required to pay under  
 14 this article. Payment of the amount under this subsection exempts the  
 15 purchaser from liability for any tax imposed under article 4 of this  
 16 chapter. The amount shall be treated as tax revenues collected from the  
 17 seller in order to designate the distribution base for purposes of section  
 18 42-5029.

19 G. If a seller claims a deduction under section 42-5061,  
 20 subsection A, paragraph 25 and establishes entitlement to the deduction  
 21 with an exemption letter that the purchaser received from the department  
 22 and the exemption letter was based on a contingent event, the department  
 23 may require the purchaser that received the exemption letter to establish  
 24 the satisfaction of the contingent event within a reasonable time. If the  
 25 purchaser cannot establish the satisfaction of the event, the purchaser is  
 26 liable in an amount equal to any tax, penalty and interest that the seller  
 27 would have been required to pay under this article if the seller had not  
 28 been furnished the exemption letter. Payment of the amount under this  
 29 subsection exempts the purchaser from liability for any tax imposed under  
 30 article 4 of this chapter. The amount shall be treated as tax revenues  
 31 collected from the seller in order to designate the distribution base for  
 32 purposes of section 42-5029. For the purposes of this subsection,  
 33 "reasonable time" means a time limitation that the department determines  
 34 and that does not exceed the time limitations pursuant to section 42-1104.

35 H. The department shall prescribe forms for certificates used to  
 36 establish the satisfaction of the criteria necessary to qualify the sale  
 37 of a motor vehicle for the deductions described in section 42-5061,  
 38 subsection A, paragraphs 14, 28 and 44 and subsection ~~V~~ U. Except as  
 39 provided in subsection J of this section, to establish entitlement to  
 40 these deductions, a motor vehicle dealer shall retain:

41 1. A valid certificate as prescribed by this subsection completed  
 42 by the purchaser and obtained before the issuance of the nonresident  
 43 registration permit authorized by section 28-2154.

44 2. For the purposes of the deductions provided by section 42-5061,  
 45 subsection A, paragraph 14, subdivision (b) and section 42-5061,

1 subsection ~~V~~ U, a copy of the nonresident registration permit authorized  
2 by section 28-2154.

3 3. A legible copy of a current valid driver license issued to the  
4 purchaser by another state or foreign country that indicates an address  
5 outside of this state. For the sale of a motor vehicle to a nonresident  
6 entity, the entity's representative must have a current valid driver  
7 license issued by the same jurisdiction as that in which the entity is  
8 located.

9 4. For the purposes of the deduction provided by section 42-5061,  
10 subsection A, paragraph 14, subdivision (a), a certificate documenting the  
11 delivery of the motor vehicle to an out-of-state location.

12 I. Notwithstanding subsection A, paragraph 2 of this section, if a  
13 motor vehicle dealer has established entitlement to a deduction by  
14 complying with subsection H of this section, the department may require  
15 the purchaser who executed the certificate to establish the accuracy and  
16 completeness of the information contained in the certificate that entitled  
17 the motor vehicle dealer to the deduction. If the purchaser cannot  
18 establish the accuracy and completeness of the information, the purchaser  
19 is liable in an amount equal to any tax, penalty and interest that the  
20 motor vehicle dealer would have been required to pay under this article  
21 and under articles IV and V of the model city tax code as defined in  
22 section 42-6051. Payment of the amount under this subsection exempts the  
23 purchaser from liability for any tax imposed under article 4 of this  
24 chapter and any tax imposed under article VI of the model city tax code as  
25 defined in section 42-6051. The amount shall be treated as tax revenues  
26 collected from the motor vehicle dealer in order to designate the  
27 distribution base for purposes of section 42-5029.

28 J. To establish entitlement to the deduction described in section  
29 42-5061, subsection A, paragraph 44, a public consignment auction dealer  
30 as defined in section 28-4301 shall retain a copy of the certificate  
31 prescribed by subsection H of this section for its records.

32 K. Notwithstanding any other law, compliance with subsection H of  
33 this section by a motor vehicle dealer entitles the motor vehicle dealer  
34 to the exemption provided in section 42-6004, subsection A, paragraph 4.

35 L. The department shall prescribe a form for a certificate to be  
36 used by a person that is not subject to tax under section 42-5075 when the  
37 person is engaged by a contractor that is subject to tax under section  
38 42-5075 for a project that is taxable under section 42-5075. The  
39 certificate permits the person purchasing tangible personal property to be  
40 incorporated or fabricated by the person into any real property,  
41 structure, project, development or improvement to provide documentation to  
42 a retailer that the sale of tangible personal property qualifies for the  
43 deduction under section 42-5061, subsection A, paragraph 27,  
44 subdivision (b). A prime contractor shall obtain the certificate from the  
45 department and shall provide a copy to any such person working on the

1 project. The prime contractor shall obtain a new certificate for each  
2 project to which this subsection applies. For the purposes of this  
3 subsection, the following apply:

4 1. The person that is not subject to tax under section 42-5075 may  
5 use the certificate issued pursuant to this subsection only with respect  
6 to tangible personal property that will be incorporated into a project for  
7 which the gross receipts are subject to tax under section 42-5075.

8 2. The department shall issue the certificate to the prime  
9 contractor on receiving sufficient documentation to establish that the  
10 prime contractor meets the requirements of this subsection.

11 3. If any person uses the certificate provided under this  
12 subsection to purchase tangible personal property to be used in a project  
13 that is not subject to tax under section 42-5075, the person is liable in  
14 an amount equal to any tax, penalty and interest that the seller would  
15 have been required to pay under this article if the seller had not  
16 complied with subsection A of this section. Payment of the amount under  
17 this section exempts the person from liability for any tax imposed under  
18 article 4 of this chapter. The amount shall be sourced under section  
19 42-5040, subsection A, paragraph 2.

20 M. Notwithstanding any other law, compliance with subsection L of  
21 this section by a person that is not subject to tax under section 42-5075  
22 entitles the person to the exemption allowed by section 465,  
23 subsection (k) of the model city tax code when purchasing tangible  
24 personal property to be incorporated or fabricated by the person into any  
25 real property, structure, project, development or improvement.

26 N. The requirements of subsections A and B of this section do not  
27 apply to owners, proprietors or tenants of agricultural lands or farms who  
28 sell livestock or poultry feed that is grown or raised on their lands to  
29 any of the following:

30 1. Persons who feed their own livestock or poultry.

31 2. Persons who are engaged in the business of producing livestock  
32 or poultry commercially.

33 3. Persons who are engaged in the business of feeding livestock or  
34 poultry commercially or who board livestock noncommercially.

35 O. A vendor who has reason to believe that a certificate prescribed  
36 by this section is not accurate or complete will not be relieved of the  
37 burden of proving entitlement to the exemption. A vendor that accepts a  
38 certificate in good faith will be relieved of the burden of proof and the  
39 purchaser may be required to establish the accuracy of the claimed  
40 exemption. If the purchaser cannot establish the accuracy and  
41 completeness of the information provided in the certificate, the purchaser  
42 is liable for an amount equal to the transaction privilege tax, penalty  
43 and interest that the vendor would have been required to pay if the vendor  
44 had not accepted the certificate.

1 P. Notwithstanding any other law, an online lodging operator, as  
2 defined in section 42-5076, shall be entitled to an exclusion from any  
3 applicable taxes for any online lodging transaction, as defined in section  
4 42-5076, facilitated by an online lodging marketplace, as defined in  
5 section 42-5076, for which the online lodging operator has obtained from  
6 the online lodging marketplace written notice that the online lodging  
7 marketplace is registered with the department to collect applicable taxes  
8 for all online lodging transactions facilitated by the online lodging  
9 marketplace, and transaction history documenting tax collected by the  
10 online lodging marketplace, pursuant to section 42-5005, subsection L.

11 Q. The department shall prescribe the form of a certificate to be  
12 used by a person purchasing an aircraft to document eligibility for a  
13 deduction pursuant to section 42-5061, subsection B, paragraph 8,  
14 subdivision (a), item (v) or an exemption pursuant to section 42-5159,  
15 subsection B, paragraph 8, subdivision (a), item (v), relating to  
16 aircraft. The person must provide this certificate and documentation  
17 confirming that the operational control of the aircraft has been  
18 transferred or will be transferred immediately after the purchase to one  
19 or more persons described in section 42-5061, subsection B, paragraph 8,  
20 subdivision (a), item (i), (ii), (iii) or (iv) or section 42-5159,  
21 subsection B, paragraph 8, subdivision (a), item (i), (ii), (iii) or (iv).  
22 Operational control of the aircraft must be transferred for at least fifty  
23 percent of the aircraft's flight hours. If such operational control is  
24 not transferred for at least fifty percent of the aircraft's flight hours  
25 during the recapture period, the owner of the aircraft is liable for an  
26 amount equal to any tax that the seller or purchaser would have been  
27 required to pay under this chapter at the time of the sale, plus penalty  
28 and interest. The recapture period begins on the date that operational  
29 control of the aircraft is first transferred and ends on the later of the  
30 date the aircraft is fully depreciated for federal income tax purposes or  
31 five years after operational control was first transferred. For the  
32 purposes of this subsection, operational control of the aircraft must be  
33 within the meaning of federal aviation administration operations  
34 specification A008, or its successor, except that:

35 1. If it is determined that operational control has been  
36 transferred for less than fifty percent but more than forty percent of the  
37 aircraft's flight hours, the owner of the aircraft is liable for an amount  
38 equal to any tax that the seller or purchaser would have been required to  
39 pay under this chapter at the time of the sale, plus interest.

40 2. If the aircraft is sold during the recapture period, the seller  
41 is not liable for the amount determined pursuant to this subsection unless  
42 the operational control of the aircraft had not been transferred for at  
43 least fifty percent of the aircraft's flight hours at the time of the  
44 sale.

1 R. Notwithstanding any other law, a shared vehicle owner is  
2 entitled to an exclusion from any applicable taxes for a shared vehicle  
3 transaction that is facilitated by a peer-to-peer car sharing program and  
4 for which the peer-to-peer car sharing program has collected and remitted  
5 applicable taxes.

6 S. A qualifying community health center, qualifying health care  
7 organization or qualifying hospital or any other entity that is recognized  
8 as nonprofit under section 501(c) of the United States internal revenue  
9 code and that is required to obtain an exemption letter from the  
10 department shall:

11 1. Apply to the department for the exemption letter and fully  
12 answer any eligibility questions required by the department for the  
13 purposes of the exemption letter. If the department approves the  
14 exemption letter application, the exemption letter is valid until the  
15 entity is no longer qualified for the exemption letter.

16 2. Notify the department in writing if the entity no longer  
17 qualifies for the exemption letter. Regardless of whether the entity  
18 notifies the department as required by this paragraph, if the entity no  
19 longer qualifies for the exemption letter, the entity is liable in an  
20 amount equal to any tax, penalty and interest that the seller would have  
21 been required to pay under this article if the seller had not been  
22 furnished the exemption letter. Payment of the amount under this  
23 paragraph exempts the entity from liability for any tax imposed under  
24 article 4 of this chapter. The amount shall be treated as tax revenues  
25 collected from the seller in order to designate the distribution base for  
26 the purposes of section 42-5029.

27 T. For the purposes of this section, "peer-to-peer car sharing  
28 program", "shared vehicle owner" and "shared vehicle transaction" have the  
29 same meanings prescribed in section 28-9601.

4 estimated tax clearing account and each month shall transfer all monies in  
5 the estimated tax clearing account to a fund designated as the transaction  
6 privilege and severance tax clearing account. The department shall credit  
7 all other payments to the transaction privilege and severance tax clearing

9 base under sections 42-5010, 42-5164 and 42-5205. Each month the  
10 department shall report to the state treasurer the amount of monies  
11 collected pursuant to this article and articles 4, 5 and 8 of this  
12 chapter.

13           C. On notification by the department, the state treasurer shall  
14 distribute the monies deposited in the transaction privilege and severance  
15 tax clearing account in the manner prescribed by this section and by  
16 sections 42-5164 and 42-5205, after deducting warrants drawn against the  
17 account pursuant to sections 42-1118 and 42-1254.

18           D. Of the monies designated as distribution base, the department  
19 shall:

21 municipalities in this state in proportion to their population to be used  
22 by the municipalities for any municipal purpose, except a municipality

39           (i) The proportion that the assessed valuation used to determine  
40 secondary property taxes of each county, after deducting that part of the  
41 assessed valuation that is exempt from taxation at the beginning of the  
42 month for which the amount is to be paid, bears to the total assessed  
43 valuations used to determine secondary property taxes of all the counties  
44 after deducting that portion of the assessed valuations that is exempt  
45 from taxation at the beginning of the month for which the amount is to be

1 paid. Property of a city or town that is not within or contiguous to the

2 exceed \$4,000 per beneficiary.

3 20. The portion of the net operating loss carryforward that would  
4 have been allowed as a deduction in the current year pursuant to section

7 43-1041. Optional standard deduction

8 A. A taxpayer may elect to take a standard deduction ~~as follows:~~

9 ~~1. In the case of a single person or a married person filing~~  
10 ~~separately, the standard deduction is \$12,200, subject to subsection H of~~  
11 ~~this section.~~

13 ~~standard deduction is \$18,350, subject to subsection H of this section.~~

14 ~~3. In the case of a married couple filing a joint return, the~~  
15 ~~standard deduction is \$24,400, subject to subsection H of this section.~~

16 THE AMOUNT OF THE STANDARD DEDUCTION IS THE AMOUNT OF THE FEDERAL BASIC  
17 STANDARD DEDUCTION DETERMINED PURSUANT TO SECTION 63 OF THE INTERNAL  
18 REVENUE CODE FOR THE TAXPAYER'S FILING STATUS.

19 B. The standard deduction provided for in subsection A of this  
20 section is in lieu of all itemized deductions allowed by section 43-1042,  
21 which are to be subtracted from Arizona adjusted gross income in computing  
22 taxable income.

23 C. The standard deduction is allowed if the taxpayer so  
24 elects. The election is made by the taxpayer claiming on the tax return  
25 the amount provided for in this section in lieu of the itemized deductions  
26 allowed under section 43-1042. Electing to file a short form return or a  
27 simplified return that does not allow itemized deductions to be claimed is  
28 considered to be an election to claim the standard deduction.

29 D. In the case of a husband and wife, the standard deduction  
30 provided for in subsection A of this section is not allowed to either if  
31 the taxable income of one of the spouses is determined without regard to  
32 the standard deduction.

33 E. The standard deduction provided for by subsection A of this  
34 section is not allowed in the case of a taxable year of less than twelve  
35 months on account of a change in the accounting period.

36 F. Except as provided in subsection G of this section, a change of  
37 an election to take, or not to take, the standard deduction for any  
38 taxable year may be made after the filing of the return for that year.

39 G. A taxpayer is not allowed to change an election to take, or not  
40 to take, the standard deduction if:

41 1. The spouse of the taxpayer filed a separate return for any  
42 taxable year corresponding, for the purposes of subsection D of this  
43 section, to the taxable year of the taxpayer unless both of the following  
44 apply:

1 (a) The spouse makes a change of election with respect to the  
2 standard deduction for the taxable year covered in the separate return  
3 consistent with the change of election sought by the taxpayer.

4 (b) The taxpayer and spouse consent in writing to the assessment,  
5 within such a period as may be agreed on with the department, of any  
6 deficiency, to the extent attributable to the change of election, even  
7 though at the time of filing the consent the assessment of the deficiency  
8 would otherwise be prevented by the operation of any law or rule of law.

9 2. The tax liability of the taxpayer or the taxpayer's spouse for  
10 the taxable year has been compromised.

11 ~~H. For each taxable year beginning from and after December 31,  
12 2019, the department shall adjust the dollar amounts prescribed by  
13 subsection A, paragraphs 1, 2 and 3 of this section for inflation in the  
14 same manner in which the federal basic standard deduction is adjusted for  
15 inflation pursuant to section 63 of the internal revenue code.~~

16 ~~I. For taxable years beginning from and after December 31, 2018,~~

17 H. The standard deduction allowed under subsection A of this

20 THROUGH DECEMBER 31, 2025, by the amount equal to twenty-five percent of  
21 the total amount of a taxpayer's charitable deductions that would have  
22 been allowed if the taxpayer elected to claim itemized deductions under  
23 section 43-1042 rather than elect the standard deduction. For taxable  
24 years beginning from and after December 31, 2021 THROUGH DECEMBER 31,  
25 2025, the department shall adjust the percentage prescribed in this  
26 ~~subsection~~ PARAGRAPH according to the average annual change in the  
27 metropolitan Phoenix consumer price index published by the United States  
28 department of labor, bureau of labor statistics, except that the adjusted  
29 percentage may not exceed one hundred percent. The revised percentage  
30 shall be raised to the nearest whole percent and may not be revised below  
31 the amounts prescribed in the prior taxable year.

32 2. FOR TAXABLE YEARS BEGINNING FROM AND AFTER DECEMBER 31, 2025, BY  
33 AN AMOUNT EQUAL TO THE TOTAL AMOUNT OF A TAXPAYER'S CHARITABLE  
34 CONTRIBUTIONS AS DEFINED IN SECTION 170(c) OF THE INTERNAL REVENUE  
35 CODE. THE INCREASE ALLOWED BY THIS PARAGRAPH MAY NOT EXCEED:

36 (a) IN THE CASE OF A SINGLE PERSON OR A MARRIED PERSON FILING

41 read:

42 43-1042. Itemized deductions

43 A. Except as provided by subsections B, ~~and~~ C AND D of this  
44 section, at the election of the taxpayer, and in lieu of the standard  
45 deduction allowed by section 43-1041, in computing taxable income the

1 taxpayer may take the amount of itemized deductions allowable for the  
2 taxable year pursuant to subtitle A, chapter 1, subchapter B, parts VI and  
3 VII, but subject to the ~~limitations~~ LIMITS prescribed by sections 67, 68  
4 and 274 of the internal revenue code.

5 B. In lieu of the amount of the federal itemized deduction for  
6 expenses paid for medical care allowed under section 213 of the internal  
7 revenue code, the taxpayer may deduct the full amount of such expenses.

8 C. A taxpayer shall not claim both a deduction provided by this  
9 section and a credit allowed by this title with respect to the same  
10 charitable contributions. This subsection applies to any contribution for  
11 which a credit is allowed by this title even if the contribution is  
12 treated as a payment of state income tax.

21 internal revenue code.

22 Sec. 29. Section 43-1073.01, Arizona Revised Statutes, is amended

29 \$200,000 for a taxpayer who is a single person, a married person filing  
30 separately or a head of household or is less than \$400,000 for a married  
31 couple filing a joint return, the amount of the credit is:

32 1. ~~\$100~~ \$125 for each dependent who is under seventeen years of age  
33 at the end of the taxable year.

34 2. \$25 for each dependent who is at least seventeen years of age at  
35 the end of the taxable year.

36 C. For taxpayers whose federal adjusted gross income is \$200,000 or  
37 more for a taxpayer who is a single person, a married person filing

3 D. In the case of a nonresident or part-year resident taxpayer, the  
4 credit allowed under this section is allowed in the percentage that the  
5 taxpayer's Arizona gross income is of the federal adjusted gross income.

6 Sec. 30. Repeal

7 Section 43-1074, Arizona Revised Statutes, is repealed.

8 Sec. 31. Section 43-1074.01, Arizona Revised Statutes, is amended  
9 to read:

10 43-1074.01. Credit for increased research activities

11 A. A credit is allowed against the taxes imposed by this title in  
12 an amount determined pursuant to section 41 of the internal revenue code,  
13 except that:

14 1. The amount of the credit is based on the excess, if any, of the  
15 qualified research expenses for the taxable year over the base amount as  
16 defined in section 41(c) of the internal revenue code and is computed as  
17 follows:

18 (a) If the excess is \$2,500,000 or less:

19 (i) For taxable years beginning before December 31, 2030, the  
20 credit is equal to twenty-four percent of that amount.

21 (ii) For taxable years beginning from and after December 31, 2030,  
22 the credit is equal to twenty percent of that amount.

23 (b) If the excess is over \$2,500,000:

24 (i) For taxable years beginning before December 31, 2030, the  
25 credit is equal to \$600,000 plus fifteen percent of any amount  
26 exceeding \$2,500,000.

27 (ii) For taxable years beginning from and after December 31, 2030,  
28 the credit is equal to \$500,000 plus eleven percent of any amount  
29 exceeding \$2,500,000.

30 (c) For taxable years beginning from and after December 31, 2011,  
31 an additional credit amount is allowed if the taxpayer made basic research  
32 payments during the taxable year to a university under the jurisdiction of  
33 the Arizona board of regents. The additional credit amount is equal to  
34 ten percent of the excess, if any, of the basic research payments over the  
35 qualified organization base period amount for the taxable year. The  
36 department shall not allow credit amounts under this subdivision and  
37 section 43-1168, subsection A, paragraph 1, subdivision (d) that exceed,  
38 in the aggregate, a combined total of \$10,000,000 in any calendar  
39 year. Subject to that limit, on application by the taxpayer, the  
40 department shall certify credit amounts under this subdivision and section  
41 43-1168, subsection A, paragraph 1, subdivision (d) based on priority  
42 placement established by the date that the taxpayer filed the application.  
43 For taxable years beginning from and after December 31, 2014, any basic  
44 research payments used to determine the additional credit under this  
45 subdivision must first receive certification from the Arizona commerce

1 authority pursuant to section 41-1507.01. The additional credit amount  
 2 under this subdivision shall not exceed the amount allowed based on actual  
 3 basic research payments or the department's certification, whichever is  
 4 less. If an application, if certified in full, would exceed the  
 5 \$10,000,000 limit, the department shall certify only an amount within that  
 6 limit. After the limit is attained, the department shall deny any  
 7 subsequent applications regardless of whether other certified amounts are  
 8 not actually claimed as a credit or other taxpayers fail to qualify to  
 9 actually claim certified amounts. Notwithstanding ~~subsections~~ SUBSECTION  
 10 B ~~and C~~ of this section, any amount of the additional credit under this  
 11 subdivision that exceeds the taxes otherwise due under this title is not  
 12 refundable, but may be carried forward to the next five consecutive  
 13 taxable years. For the purposes of this subdivision, "basic research  
 14 payments" and "qualified organization base period amount" have the same  
 15 meanings prescribed by section 41(e) of the internal revenue code without  
 16 regard to whether the taxpayer is or is not a corporation.

17 2. Qualified research includes only research conducted in this  
 18 state, including research conducted at a university in this state and paid  
 19 for by the taxpayer.

20 3. If two or more taxpayers, including partners in a partnership  
 21 and shareholders of an S corporation, as defined in section 1361 of the  
 22 internal revenue code, share in the eligible expenses, each taxpayer is  
 23 eligible to receive a proportionate share of the credit.

24 4. The credit under this section applies only to expenses incurred  
 25 from and after December 31, 2000.

26 5. The termination provisions of section 41 of the internal revenue  
 27 code do not apply.

28 B. ~~Except as provided by subsection C of this section,~~ If the  
 29 allowable credit under this section exceeds the taxes otherwise due under  
 30 this title on the claimant's income, or if there are no taxes due under  
 31 this title, the amount of the credit that is claimed for taxable years  
 32 beginning before January 1, 2022 and that is not used to offset taxes may  
 33 be carried forward to the next fifteen consecutive taxable years and the  
 34 amount of the credit that is claimed for taxable years beginning from and  
 35 after December 31, 2021 and that is not used to offset taxes may be  
 36 carried forward to the next ten consecutive taxable years. The amount of  
 37 credit carryforward from taxable years beginning from and after December  
 38 31, 2002 that may be used in any taxable year may not exceed the  
 39 taxpayer's tax liability under this title minus the credit under this  
 40 section for the current taxable year's qualified research  
 41 expenses. ~~A taxpayer who carries forward any amount of credit under this~~  
 42 ~~subsection may not thereafter claim a refund of any amount of the credit~~  
 43 ~~under subsection C of this section.~~

44 C. ~~For taxable years beginning from and after December 31, 2009, if~~  
 45 ~~a taxpayer who claims a credit under this section employs fewer than one~~

~~1 hundred fifty persons in the taxpayer's trade or business and if the  
2 allowable credit under this section exceeds the taxes otherwise due under  
3 this title on the claimant's income, or if there are no taxes due under  
4 this title, in lieu of carrying the excess amount of credit forward to  
5 subsequent taxable years under subsection B of this section, the taxpayer  
6 may elect to receive a refund as follows:~~

~~7 1. The taxpayer must apply to the Arizona commerce authority for  
8 qualification for the refund pursuant to section 41-1507 and submit a copy  
9 of the authority's certificate of qualification to the department of  
10 revenue with the taxpayer's income tax return.~~

~~11 2. The amount of the refund is limited to seventy-five percent of  
12 the amount by which the allowable credit under this section exceeds the  
13 taxpayer's tax liability under this title for the taxable year. The  
14 remainder of the excess amount of the credit is waived.~~

~~15 3. The refund shall be paid in the manner prescribed by section  
16 42-1118.~~

~~17 4. The refund is subject to setoff under section 42-1122.~~

~~18 5. If the department determines that a credit refunded pursuant to  
19 this subsection is incorrect or invalid, the excess credit issued may be  
20 treated as a tax deficiency pursuant to section 42-1108.~~

21 Sec. 32. Repeal

22 Sections 43-1083 and 43-1083.02, Arizona Revised Statutes, are  
23 repealed.

24 Sec. 33. Section 43-1083.03, Arizona Revised Statutes, is amended  
25 to read:

26 43-1083.03. Credit for qualified facilities

27 A. For taxable years beginning from and after December 31, 2012  
28 through December 31, 2030, a credit is allowed against the taxes imposed  
29 by this title for qualifying investment and employment in expanding or  
30 locating a qualified facility in this state. To qualify for the credit,  
31 after June 30, 2012 the taxpayer must invest in a new qualified facility  
32 or expand an existing qualified facility in this state and produce new  
33 full-time employment positions where the job duties are associated with  
34 the location of the qualifying investment. The taxpayer must meet the  
35 employee compensation and employee health benefit requirements prescribed  
36 by section 41-1512.

37 B. The amount of the credit is computed as follows:

38 1. Ten percent of the lesser of:

39 (a) The total qualifying investment in the qualified facility.

40 (b) Either:

41 (i) If the total qualifying investment is less than \$2,000,000,000,  
42 \$200,000 for each net new full-time employment position that has duties  
43 associated with the qualified facility.

1 (ii) If the total qualifying investment is \$2,000,000,000 or more,  
2 \$300,000 for each net new full-time employment position that has duties  
3 associated with the qualified facility.

4 2. The amount of the credit shall not exceed the postapproval  
5 amount determined by the Arizona commerce authority under section 41-1512,  
6 subsection P.

7 3. Subject to subsections G and ~~J~~ I of this section:

8 (a) The credit amount computed under paragraph 1 of this subsection  
9 is apportioned, and the taxpayer shall claim the credit in five equal  
10 annual installments in each of five consecutive taxable years.

11 (b) The taxpayer may claim all five annual installments of a credit  
12 that was preapproved before January 1, 2031 by the Arizona commerce  
13 authority notwithstanding any intervening repeal or other termination of  
14 the credit.

15 C. To claim the credit the taxpayer must:

16 1. Conduct a business that qualifies under section 41-1512.

17 2. Receive preapproval and postapproval from the Arizona commerce  
18 authority pursuant to section 41-1512.

19 3. Submit to the department a copy of a current and valid  
20 certification of qualification issued to the taxpayer by the Arizona  
21 commerce authority.

22 D. To be counted for the purposes of the credit, an employee must  
23 have been employed with job duties associated with the qualified facility  
24 for at least ninety days during the taxable year in a permanent full-time  
25 employment position of at least one thousand seven hundred fifty hours per  
26 year. An employee who is hired during the last ninety days of the taxable  
27 year shall be considered a new employee during the next taxable year. To  
28 be counted for the purposes of the credit during the first taxable year of  
29 employment, the employee must not have been previously employed by the  
30 taxpayer within twelve months before the current date of hire. The terms  
31 of employment must comply in all cases with the requirements of section  
32 41-1512 and be certified by the Arizona commerce authority.

33 E. Co-owners of a business, including partners in a partnership,  
34 members of a limited liability company and shareholders of an  
35 S corporation, as defined in section 1361 of the internal revenue code,  
36 may each claim only the pro rata share of the credit allowed under this  
37 section based on the ownership interest. The total of the credits allowed  
38 all owners of the business may not exceed the amount that would have been  
39 allowed for a sole owner of the business.

40 F. If the allowable tax credit for a taxable year exceeds the  
41 income taxes otherwise due on the claimant's income, or if there are no  
42 state income taxes due on the claimant's income, the amount of the claim  
43 not used as an offset against income taxes shall be paid to the taxpayer  
44 in the same manner as a refund under section 42-1118. Refunds made  
45 pursuant to this subsection are subject to setoff under section 42-1122.

1 If the department determines that a refund is incorrect or invalid, the  
2 excess refund may be treated as a tax deficiency pursuant to section  
3 42-1108.

35 that was preapproved before January 1, 2031 by the Arizona commerce  
36 authority notwithstanding any intervening repeal or other termination of

39 qualification under section 41-1512. This subsection does not apply if,  
40 in any taxable year, a taxpayer otherwise does not qualify for or fails to  
41 claim the credit under this section. The recapture of credits is computed  
42 by increasing the amount of taxes imposed in the year following the year  
43 of termination or revocation by the full amount of all credits previously  
44 allowed under this section.

15 after the date the full-time employment position was originally filled to  
16 the end of that taxable year. The period that a full-time employment  
17 position was vacant may not include the period before the full-time  
18 employment position was filled for the first time.

19 2. Reduce the portion of the credit claimed for the taxable year  
20 pursuant to subsection B, paragraph 3 of this section by \$4,000 for each  
21 full-time employment position reported pursuant to paragraph 1 of this  
22 subsection.

42 facility is used for self-consumption in this state. By the fifth year a  
43 renewable energy facility is in operation, at least fifty-one percent of

1 related entities are directly or indirectly under the same ownership  
 2 interests that collectively own more than eighty percent. Power that a  
 3 renewable energy facility transfers to a utility or power generated by a  
 4 utility-owned renewable energy facility developed on behalf of or for the  
 5 direct benefit of the taxpayer qualifies as self-consumption if the  
 6 utility is the same utility that provides power to the owner's  
 7 international operations center in this state.

 9 this subsection is used for an international operations center in this  
 10 state. A lessor of an international operations center facility that uses

 13 operations center and the power is transferred as part of the lease to the  
 14 lessee.

15 C. Subject to subsection F of this section, the credit authorized  
 16 by this section is \$5,000,000 per year for five years for each renewable  
 17 energy facility. The maximum credit allowed per taxpayer per year  
 18 is \$5,000,000. The taxpayer, including all affiliates of the taxpayer,  
 19 may not cumulate tax credits under this section over different taxable  
 20 years exceeding, in the aggregate, \$25,000,000. The initial credit for  
 21 each facility is claimed in the year that the facility becomes  
 22 operational. A credit, other than carryovers allowed under subsection M  
 23 of this section, may not be claimed for any taxable year beginning after  
 24 December 31, 2025. An international operations center that is initially  
 25 certified pursuant to section 41-1520, subsection C after December 31,  
 26 2018 may not claim the tax credit authorized by this section.

27 D. To qualify as a separate renewable energy facility for the  
 28 purposes of this section, a facility must be located at least one mile  
 29 from any other renewable energy facility for which the taxpayer is  
 30 claiming a credit under this section.

31 E. To be eligible for the credit under this section, the taxpayer  
 32 must apply to the department for certification of the credit on a form  
 33 prescribed by the department. The application shall include:

34 1. The name, address and social security number or federal employer  
 35 identification number of the applicant.

36 2. An estimate of the total investment the taxpayer will make,  
 37 including investments made by a third-party entity on behalf of or for the  
 38 direct benefit of the taxpayer, over a three-year period beginning on the  
 39 date the application is received, in new renewable energy facilities in  
 40 this state that produce energy for self-consumption using renewable energy  
 41 resources. For investments made by a third party, a statement from the  
 42 utility that provides power to the international operations center  
 43 affirming that the investment in new renewable energy facilities is made  
 44 on behalf of or for the direct benefit of the taxpayer satisfies the  
 45 requirement of this paragraph.

1           3. The expected location of each of the taxpayer's facilities that  
2 comprise the total investment in paragraph 2 of this subsection and the  
3 earliest date that each facility is expected to be operational.

4           4. A statement that the portion of the power generated by each  
5 facility, as required by subsection B, paragraph 2 of this section, shall  
6 be for self-consumption and shall be used for international operations  
7 center use.

8           5. Any additional information that the department requires.

9           F. The department shall review each application under subsection E  
10 of this section and preapprove the taxpayer for a specified amount of  
11 credit that is authorized. Credits are allowed under this section on a  
12 first-come, first-served basis. The department may not authorize tax  
13 credits under this section that exceed in the aggregate a total of  
14 \$10,000,000 for any calendar year. The portion of each year's limit that  
15 is reserved for each taxpayer must be based on the year that each credit  
16 is expected to be claimed using the dates provided in subsection E,  
17 paragraph 3 of this section. If the year a facility is completed is  
18 different from the estimated completion date provided in subsection E,  
19 paragraph 3 of this section, the taxpayer must amend the application with  
20 the new dates. If an application is received that, if authorized, would  
21 require the department to exceed the \$10,000,000 limit, the department  
22 shall grant the applicant only the remaining credit amount that would not  
23 exceed the \$10,000,000 limit. After the department authorizes \$10,000,000  
24 in tax credits, the department shall deny any subsequent applications that  
25 are received for that calendar year. The department may not authorize any  
26 additional tax credits that exceed the \$10,000,000 limit even if the  
27 amounts that have been certified to any taxpayer are not claimed or a  
28 taxpayer otherwise fails to meet the requirements to claim the additional  
29 credit.

30           G. If a taxpayer fails to start construction within six months  
31 after submitting the application under subsection E of this section, the  
32 preapproval issued under subsection F of this section is void and all  
33 monies reserved from the limits specified in subsection F of this section  
34 revert back to the limit for the year for which they were reserved.

35           H. Each year after initial preapproval, on or before the  
36 anniversary date of the application specified in subsection E of this  
37 section, the taxpayer must submit to the department:

38           1. Documentation of the taxpayer's progress toward the investment  
39 required by subsection B, paragraph 1 of this section. This documentation  
40 is not required after the department receives a report stating that the  
41 required investment threshold has been reached.

42           2. Documentation for each facility that demonstrates that the  
43 required portion of the power generated by each renewable energy facility  
44 is for self-consumption as required by subsection B, paragraph 2 of this  
45 section.

1           3. If applicable, certification from the Arizona commerce authority  
2 pursuant to section 41-1520.

3           I. The taxpayer must submit a request for final certification to  
4 the department within thirty days after each of the renewable energy  
5 facilities for which an authorization was given under subsection F of this  
6 section becomes operational. Within thirty days after receiving a  
7 completed request under this subsection, the department shall review the  
8 request and either issue a final certification of the credit to the  
9 taxpayer or issue a denial of the credit if it is determined that the  
10 requirements of this section have not been met. Every final certification  
11 issued under this subsection must include a facility code issued by the  
12 department that is unique to each facility. To show that the facility has  
13 been certified, the taxpayer shall include with the tax return the  
14 facility code for each facility for which a credit is claimed. If the  
15 taxpayer is the owner or operator of an international operations center,  
16 the taxpayer must submit the request for final certification for each of  
17 the renewable energy facilities for which capital investment will be  
18 claimed towards the required investment threshold and must submit  
19 additional evidence to the department within sixty days after the end of  
20 the fifth year of operation of each facility that the requirements of  
21 subsection B, paragraph 2 of this section have been met.

22           J. If the taxpayer fails to make the required investment in  
23 renewable energy facilities within the time period required by subsection  
24 B, paragraph 1 of this section or if the certification of an international  
25 operations center has been revoked under section 41-1520 due to a failure  
26 to make a \$1,250,000,000 investment in the center within ten years after  
27 certification or if the taxpayer fails to receive final certification of  
28 the credit under subsection I of this section, the taxpayer is not  
29 eligible and must cease claiming any further credits under this section  
30 and shall reimburse the amount of all credits previously received under  
31 this section. The reimbursement must be made on the taxpayer's income tax  
32 return for the taxable year in which it is first known that the required  
33 investment would not be made within the required time or the taxable year  
34 in which the certification was revoked. The department may give special  
35 consideration or allow a temporary exemption from reimbursement if there  
36 is extraordinary hardship due to factors beyond the taxpayer's control.  
37 If the reimbursement is due to revocation of the certification of an  
38 international operations center due to a failure to invest \$1,250,000,000  
39 in the center within ten years after certification, the credits shall be  
40 reimbursed in inverse proportion to the total capital investment made in  
41 the international operations center divided by \$1,250,000,000. The  
42 department may require reimbursement before the tenth anniversary of  
43 certification of an international operations center if the facility has  
44 been closed or relocated or the taxpayer has otherwise demonstrated that  
45 the \$1,250,000,000 investment will not be timely made. For taxpayers

1 using investments made by third-party entities on behalf of or for the  
2 direct benefit of the taxpayer, the investment threshold is  
3 \$1,500,000,000. A third-party entity may not include the owner or  
4 operator of the international operations center or, solely for the  
5 purposes of this subsection, the owner's or operator's affiliated  
6 entities.

7 K. If a particular facility ceases to meet the requirements of this  
8 section or if the facility is sold, the taxpayer may not claim any future  
9 credits related to that facility.

10 L. Co-owners of a business, including corporate partners in a  
11 partnership and corporate members of a limited liability company treated  
12 as a partnership, may each claim the pro rata share of the credit allowed  
13 under this section based on ownership interest. Only co-owners that are  
14 corporations may claim a share of the credit allowed under this section.  
15 The total of the credits allowed all the owners of the business may not  
16 exceed the amount that would have been allowed for a sole owner of the  
17 business.

18 M. If the allowable tax credit for a taxpayer exceeds the taxes  
19 otherwise due under this title on the claimant's income, or if there are  
20 no taxes due under this title, the amount of the claim not used to offset  
21 taxes under this title may be carried forward for not more than five  
22 consecutive taxable years as a credit against subsequent years' income tax  
23 liability.

24 ~~N. A taxpayer may not claim a credit under this section and section~~  
25 ~~43-1164.03 regarding the same facilities.~~

26 ~~0.~~ N. The department shall adopt rules and publish and prescribe  
27 forms and procedures as necessary to effectuate the purposes of this  
28 section.

29 ~~P.~~ O. For the purposes of this section:

30 1. "Biomass" means organic material that is available on a  
31 renewable or recurring basis, including:

32 (a) Forest-related materials, including mill residues, logging  
33 residues, forest thinnings, slash, brush, low-commercial value materials

36 harvested for the purpose of forest fire fuel reduction or forest health  
37 and watershed improvement.

38 (b) Agricultural-related materials, including orchard trees,  
39 vineyard, grain or crop residues, including straws and stover, aquatic

3 and wood contaminated with plastic.

4 (e) Crops and trees planted for the purpose of being used to  
5 produce energy.

6 (f) Landfill gas, wastewater treatment gas and biosolids, including  
7 organic waste by-products generated during the wastewater treatment

9 2. "International operations center" means a facility that is  
10 certified by the Arizona commerce authority pursuant to section 41-1520.

11 3. "Renewable energy facility" means a facility in which the  
12 taxpayer, or a third-party entity on behalf of and for the benefit of the  
13 taxpayer, invested at least \$30,000,000, that has at least twenty  
14 megawatts generating capacity or a minimum typical annual generation of  
15 forty thousand megawatt hours, that is located on land in this state owned  
16 or leased by the taxpayer or a third-party entity on behalf of and for the  
17 benefit of the taxpayer and that produces electricity using a renewable  
18 energy resource.

19 4. "Renewable energy resource" means a resource that generates  
20 electricity through the use of only the following energy sources:

21 (a) Solar light.

22 (b) Solar heat.

23 (c) Wind.

24 (d) Biomass, including fuel cells supplied directly or indirectly  
25 with biomass generated fuels.

26 (e) Battery storage that is independent from or coupled with other  
27 sources.

28 Sec. 39. Section 43-1168, Arizona Revised Statutes, is amended to  
29 read:

30 43-1168. Credit for increased research activity

31 A. A credit is allowed against the taxes imposed by this title in  
32 an amount determined pursuant to section 41 of the internal revenue code,  
33 except that:

34 1. The amount of the credit is computed as follows:

35 (a) Add:

36 (i) The excess, if any, of the qualified research expenses for the  
37 taxable year over the base amount as defined in section 41(c) of the  
38 internal revenue code.

39 (ii) The basic research payments determined under section  
40 41(e)(1)(A) of the internal revenue code.

41 (b) If the sum computed under subdivision (a) of this paragraph is  
42 \$2,500,000 or less:

43 (i) For taxable years beginning before December 31, 2030, the  
44 credit is equal to twenty-four percent of that amount.

1 (ii) For taxable years beginning from and after December 31, 2030,  
2 the credit is equal to twenty percent of that amount.

3 (c) If the sum computed under subdivision (a) of this paragraph is  
4 over \$2,500,000:

5 (i) For taxable years beginning before December 31, 2030, the  
6 credit is equal to \$600,000 plus fifteen percent of any amount exceeding  
7 \$2,500,000.

8 (ii) For taxable years beginning from and after December 31, 2030,  
9 the credit is equal to \$500,000 plus eleven percent of any amount  
10 exceeding \$2,500,000.

11 (d) For taxable years beginning from and after December 31, 2011,  
12 an additional credit amount is allowed if the taxpayer made basic research  
13 payments during the taxable year to a university under the jurisdiction of  
14 the Arizona board of regents. The additional credit amount is equal to  
15 ten percent of the excess, if any, of the basic research payments over the  
16 qualified organization base period amount for the taxable year. The  
17 department shall not allow credit amounts under this subdivision and  
18 section 43-1074.01, subsection A, paragraph 1, subdivision (c) that  
19 exceed, in the aggregate, a combined total of \$10,000,000 in any calendar  
20 year. Subject to that limit, on application by the taxpayer, the  
21 department shall certify credit amounts under this subdivision and section  
22 43-1074.01, subsection A, paragraph 1, subdivision (c) based on priority  
23 placement established by the date that the taxpayer filed the application.  
24 For taxable years beginning from and after December 31, 2014, any basic  
25 research payments used to determine the additional credit under this  
26 subdivision must first receive certification from the Arizona commerce  
27 authority pursuant to section 41-1507.01. The additional credit amount  
28 under this subdivision shall not exceed the amount allowed based on actual  
29 basic research payments or the department's certification, whichever is  
30 less. If an application, if certified in full, would exceed the  
31 \$10,000,000 limit, the department shall certify only an amount within that  
32 limit. After the limit is attained, the department shall deny any  
33 subsequent applications regardless of whether other certified amounts are  
34 not actually claimed as a credit or other taxpayers fail to qualify to  
35 actually claim certified amounts. Notwithstanding ~~subsections~~ **SUBSECTION**  
36 **B and C** of this section, any amount of the additional credit under this  
37 subdivision that exceeds the taxes otherwise due under this title is not  
38 refundable, but may be carried forward to the next five consecutive  
39 taxable years. For the purposes of this subdivision, "basic research  
40 payments" and "qualified organization base period amount" have the same  
41 meanings prescribed by section 41(e) of the internal revenue code.

42 2. Qualified research includes only research conducted in this  
43 state, including research conducted at a university in this state and paid  
44 for by the taxpayer.

1           3. If two or more taxpayers, including corporate partners in a  
2 partnership, share in the eligible expenses, each taxpayer is eligible to  
3 receive a proportionate share of the credit.

4           4. The credit under this section applies only to expenses incurred  
5 from and after December 31, 1993.

6           5. The termination provisions of section 41 of the internal revenue  
7 code do not apply.

8           B. ~~Except as provided by subsection C of this section,~~ If the  
9 allowable credit under this section exceeds the taxes otherwise due under  
10 this title on the claimant's income, or if there are no taxes due under  
11 this title, the amount of the credit claimed for taxable years beginning  
12 before January 1, 2022 not used to offset taxes may be carried forward to  
13 the next fifteen consecutive taxable years, and the amount of the credit  
14 claimed for taxable years beginning from and after December 31, 2021 not  
15 used to offset taxes may be carried forward to the next ten consecutive  
16 taxable years. The amount of credit carryforward from taxable years  
17 beginning from and after December 31, 2002 that may be used under this  
18 subsection in any taxable year may not exceed the taxpayer's tax liability  
19 under this title minus the credit under this section for the current  
20 taxable year's qualified research expenses. ~~A taxpayer that carries  
21 forward any amount of credit under this subsection may not thereafter  
22 claim a refund of any amount of the credit under subsection C of this  
23 section.~~

24           ~~C. For taxable years beginning from and after December 31, 2009, if  
25 a taxpayer that claims a credit under this section employs fewer than one  
26 hundred fifty persons in the taxpayer's trade or business and if the  
27 allowable credit under this section exceeds the taxes otherwise due under  
28 this title on the claimant's income, or if there are no taxes due under  
29 this title, in lieu of carrying the excess amount of credit forward to  
30 subsequent taxable years under subsection B of this section, the taxpayer  
31 may elect to receive a refund as follows:~~

32           ~~1. The taxpayer must apply to the Arizona commerce authority for  
33 qualification for the refund pursuant to section 41-1507 and submit a copy  
34 of the authority's certificate of qualification to the department of  
35 revenue with the taxpayer's income tax return.~~

36           ~~2. The amount of the refund is limited to seventy-five percent of  
37 the amount by which the allowable credit under this section exceeds the  
38 taxpayer's tax liability under this title for the taxable year. The  
39 remainder of the excess amount of the credit is waived.~~

40           ~~3. The refund shall be paid in the manner prescribed by section  
41 42-1118.~~

42           ~~4. The refund is subject to setoff under section 42-1122.~~

43           ~~5. If the department determines that a credit refunded pursuant to  
44 this subsection is incorrect or invalid, the excess credit issued may be  
45 treated as a tax deficiency pursuant to section 42-1108.~~

1           3. Pledge all or part of the revenues ~~described in section 42-5031,~~  
2 ~~subsection B PAID TO THE DISTRICT~~ to secure the district's bonds or other  
3 financial obligations issued or incurred under this chapter for the  
4 construction of all or part of a multipurpose facility.

5           C. The board of directors of a district established pursuant to  
6 section 48-4202, subsection B shall provide public outreach and education  
7 on the purpose and activities of the district, including:

12 this subsection.

13           D. The board of directors shall:

15 such other officers as may be necessary to conduct its business. The  
16 board of directors may appoint the chief financial officer of the county  
17 as the district treasurer of a countywide district established under  
18 section 48-4202, subsection A in a county with a population of less than  
19 one million five hundred thousand persons. If the board does not appoint  
20 the chief financial officer, the county treasurer is designated ex officio  
21 as the treasurer. The board of directors of a district that is  
22 established pursuant to section 48-4202, subsection A in a county with a  
23 population of one million five hundred thousand persons or more or section  
24 48-4202, subsection B shall designate a member of the board with financial  
25 management or accounting experience or a person with whom the board has  
26 contracted for financial management as treasurer of the district. The  
27 county treasurer is designated ex officio as the treasurer of a district  
28 that is established pursuant to section 48-4202, subsection C.

29           2. Keep and maintain a complete and accurate record of all its  
30 proceedings. All proceedings and records of the board shall be open to  
31 the public as required by title 38, chapter 3, article 3.1 and title 39,  
32 chapter 1.

33           3. Provide for the use, maintenance and operation of the properties  
34 and interests controlled by the district.

35           E. The board of directors of a district that is established

37           1. Determine by agreement the distribution of revenues from  
38 operating and using the multipurpose facilities among the municipalities  
39 and any participating Indian tribe or community.

40           2. Report to the legislature by October 1 of each year regarding  
41 the activities, operations, revenues and expenditures of the district for  
42 the immediately preceding fiscal year. The board shall submit the annual  
43 report to the president of the senate and the speaker of the house of  
44 representatives and provide a copy of the report to the secretary of  
45 state. At the discretion of the chairpersons of the senate finance

1 committee and the house of representatives ways and means committee, or  
2 their successor committees, the committees may hold separate or joint  
3 hearings to consider the annual report prepared by the district.

4 3. Present to the joint legislative committee on capital review  
5 each project for the construction or reconstruction of any facility,  
6 structure, infrastructure or other improvement to real property of any

22 league baseball facility or any adjacent building that is paid for by the  
23 district from the county stadium district fund established pursuant to  
24 section 48-4231. The report shall indicate which projects the  
25 professional baseball franchise organization contributed monies toward and  
26 the amount of the contribution.

27 G. The directors, officers and employees of the district are  
28 subject to title 38, chapter 3, article 8 relating to conflicts of  
29 interest.

30 H. This state and political subdivisions of this state other than  
31 the district are not liable for any financial or other obligations of the

45 for full use of the training facilities or stadiums for sports and other

1 purposes and do all things necessary or convenient to accomplish those  
2 purposes. The board shall require that any project undertaken by the  
3 district include financial participation from the county or municipality  
4 in which the project is located, from a private party or from any  
5 combination of these entities that equals or exceeds one-half of the  
6 amount to be expended or distributed by the district. Capital improvement  
7 funds expended by a county, municipality or private party for a purpose  
8 authorized by this section may be deemed financial participation with  
9 respect to any project the district may undertake.

11 section 48-4237 for use with respect to multipurpose facilities and from
