A CONCURRENT MEMORIAL

URGING THE CONGRESS OF THE UNITED STATES TO REPEAL THE NATIONAL VOTER
REGISTRATION ACT OF 1993.

(TEXT OF BILL BEGINS ON NEXT PAGE)

1 To the Congress of the United States of America:

2 Your memorialist respectfully represents:

3 Whereas, before passing the National Voter Registration Act of 1993
4 (NVRA), elections in the United States were locally run by state
5 authorities; and

6 Whereas, the NVRA represents massive overreach by the federal
7 government and impedes on a fundamental state right; and

8 Whereas, since passing the NVRA, election integrity has been
9 significantly threatened and no federal recourse has successfully restored
10 trust in our elections; and

11 Whereas, sponsored by Arizona Congressman Andy Biggs, H.R. 55 has
12 been introduced in the 119th Congress and would repeal the NVRA; and

13 Whereas, the right to conduct elections should be fully restored to
14 the states to protect each citizen's fundamental right to vote.

15 Wherefore, your memorialist, the House of Representatives of the State of
16 Arizona, the Senate concurring, prays:

17 1. That the Congress of the United States enact H.R. 55 and repeal
18 the National Voter Registration Act of 1993 to restore election integrity
19 and allow the states to have full conduct of their elections.

20 2. That the Secretary of State of the State of Arizona transmit
21 copies of this Memorial to the Speaker of the United States House of
22 Representatives, the President of the United States Senate and each Member
23 of Congress from the State of Arizona.
