House Majority Whip Townsend Attends ALEC's Tax and Fiscal Policy Academy at Reagan Ranch

STATE CAPITOL, PHOENIX – House Majority Whip Kelly Townsend (R-16) last week attended the American Legislative Exchange Council's Tax and Fiscal Policy Academy at the Reagan Ranch in Santa Barbara, CA.

This special event was to discuss the role of state legislatures in establishing sound tax and fiscal policy.

"It was truly an inspiring moment hearing the news of the U.S. House tax reform bill passage, while gathered with this academy at the exact site where Ronald Reagan signed the largest tax reform bill in the nation's history in 1989."

"I consider it no accident that providence would allow for such a symbolic moment, as our country continues to return to a free market society," said House Majority Whip Townsend. **"I look forward to seeing continued progress at both the state and the national level."**
