Representative Don Shooter Releases Statement on Investigative Report

STATE CAPITOL, PHOENIX – Representative Don Shooter (R-13) today released the following statement:

“I am reviewing the report released by Speaker Mesnard today in connection with the investigation I requested. Although I have not finished reading it, I want to thank my colleagues for their patience and professionalism during this process.”

“I also want to thank the investigators, Craig Morgan and Lindsay Hesketh from the law firm Sherman & Howard. With so much at stake for so many, their task was no doubt challenging. I appreciate the seriousness with which they approached their assignment.”

“This has been a humbling and eye-opening experience for me. I look forward to working to repair relationships and serving my constituents and our great State.”

“I will have no further comment. Thank you.”
