## State Representatives for Pinal County Highlight COVID-19 Vaccination Information

**STATE CAPITOL, PHOENIX** – State Representatives serving Pinal County issued a statement today to highlight important guidance for eligible residents who are seeking to obtain a COVID-19 vaccination and urge anyone who is in a vulnerable population to consider vaccination. District 8 Representatives David Cook and Frank Pratt, District 11 Representatives Mark Finchem and Bret Roberts, and District 16 Representatives John Fillmore and Jacqueline Parker said the following:

**“For many, especially within vulnerable populations, the arrival of a COVID-19 vaccine is a very welcome relief. Our challenge and focus now is on ensuring its availability and accessibility for all who are eligible and seeking to receive it.**

**“The COVID-19 vaccine is being allocated through local health jurisdictions and remains in limited supply at this time, including in Pinal County. Because of this, counties are following a vaccine prioritization phased approach.**

**“Pinal County is currently in Priority Phase 1B, which includes education and childcare workers, protective services occupations, adults aged 75 and older, and remaining 1A-eligible individuals.**

**“To determine your eligibility, or to find the most up-to-date information about how and where you can register to receive the vaccine, please visit this dedicated page on the Arizona Department of Health Services website:**

<https://www.azdhs.gov/preparedness/epidemiology-disease-control/infectious-disease-epidemiology/index.php#novel-coronavirus-find-vaccine>

**“The State of Arizona has also set up a new no-cost vaccination site located at the State Farm Stadium in Glendale. This site will operate 24 hours a day and serve thousands of eligible Arizonans, regardless of which county they reside in. To make an appointment, use the link above and click on the red square button that says ‘Register Now’ or click on this link which will take you directly to the signup page: <https://podvaccine.azdhs.gov/>.”**
