## Historic Day: Arizona Enacts Law Requiring Citizenship to Vote

**STATE CAPITOL, PHOENIX** – State Representative Jake Hoffman today celebrated the enactment of [HB 2492](#), legislation he sponsored that requires proof of U.S. citizenship to vote in Arizona elections.

**“Today is a historic day for Arizona and a great victory for Arizonans and all Americans alike. The signing into law of Arizona House Bill 2492, which requires verification of U.S. citizenship to be eligible to vote in Arizona elections, is a giant step toward ensuring elections are easy, convenient, and secure in our state.**

**“HB 2492 is an incredibly well-crafted piece of legislation that is on sound legal footing and broadly supported by voters of all political parties. I am confident that should Democrats challenge HB 2492 in court it will only serve to further reinforce its clear constitutionality.”**

*Jake Hoffman is a Republican member of the Arizona House of Representatives serving Legislative District 12, encompassing Gilbert & Queen Creek, and parts of Pinal County.*
