Arizona State Representative David Cook Condemns Ecuadorian Raid on Mexican Embassy in Quito

STATE CAPITOL, PHOENIX – State Representative David Cook, Chairman of the Arizona House Committee on International Trade, issued a statement today strongly condemning the recent raid by Ecuadorian authorities on the Mexican Embassy in Quito, Ecuador:

“I vehemently condemn the violent incursion into the Mexican Embassy by Ecuadorian authorities last week. This action flagrantly disregards the principles of diplomacy and international law, endangers lives, and threatens the very foundations of democratic engagement and international cooperation. I stand in firm solidarity with Mexico and join in calling for accountability from those responsible for this lawless violation of diplomatic sanctity. Upholding democracy and the rule of law transcends borders; it is an imperative we must all stand for and protect.”

David Cook is a Republican member of the Arizona House of Representatives serving Legislative District 7, which includes Pinal, Gila, Coconino, and Navajo Counties.
